

# THE FIREBIRD

The background of the cover features a woman with long, dark hair, seen from behind, wearing a vibrant orange dress that flows out around her. She is positioned in the center, with her arms slightly outstretched. The background is a warm, textured wash of orange and yellow, resembling aged parchment or a sunset sky. The overall composition is artistic and evocative.

## **The Firebird Slains 2 By Susanna Kearsley:**

The Firebird Susanna Kearsley, 2014-04-29 Whoever dares to seek the Firebird may find the journey and its ending unexpected Nicola Marter was born with a gift When she touches an object she sometimes sees images glimpses of those who have owned it before It s never been a gift she wants and she keeps it a secret from most people including her practical boss Sebastian one of London s premier dealers in Russian art But when a woman offers Sebastian a small wooden carving for sale claiming it belonged to Russia s Empress Catherine it s a problem There s no proof Sebastian believes that the plain carving known as The Firebird is worthless But Nicola s held it and she knows the woman is telling the truth and is in desperate need of the money the sale of the heirloom could bring Compelled to help Nicola turns to a man she once left and still loves Rob McMorran whose own psychic gifts are far greater than hers With Rob to help her see the past she follows a young girl named Anna from Scotland to Belgium and on into Russia There in St Petersburg the once glittering capital of Peter the Great s Russia Nicola and Rob unearth a tale of love and sacrifice of courage and redemption an old story that seems personal and small perhaps against the greater backdrops of the Jacobite and Russian courts but one that will forever change their lives
