READING HOMER IN TIMES OF WAR, PLAGUE AND ROUTINE ADVERSITY: A MEMOIR Lillian Corti, 2025-02-25
Reading Homer in Times of War Plague and Routine Adversity is not only a memoir about reading and teaching one of the

very greatest works of World Literature It is also a tribute to the singers of songs classical scholars translators and poets who have made this splendid work of art available to millions of enchanted listeners and readers for thousands of years In reflecting on her own experience of reading the bard Corti underscores the ways in which the meaning of the Homeric epics is enriched with every subsequent reading as the personal familial communal and cosmic events experienced by the reader augment her understanding of the texts In short this memoir celebrates the particular perceptions and illuminations which the reading of these universally revered poems has brought to one person's life **Cauldron of Changes** Janice C.

Crosby,2023-10-26 The spiritual dimensions in the fantastic works of both firmly established and newer writers including such talents as Marion Zimmer Bradley Alice Walker Patricia Kennealy Octavia Butler Toni Morrison and Ntozake Shange are examined in this book The author links their fantastic novels to actual currents within the feminist spirituality movement addressing the genre's use of goddess worship psychic phenomena and reverence for the earth Special emphasis is given to both the struggle to provide an alternative to men centered experience and to the need to articulate ways in which feminists can achieve personal and social power **Trojan Dialogues: The Memoirs of Diomedes** Lenny Cavallaro,2023-06-10

TROJAN DIALOGUES offers a very unusual rendition of the Tale of Troy as seen through the eyes of the Greek hero Diomedes The novel reconciles the different accounts conveyed in Homer's immortal ILIAD and other classical epics with the latest archaeological evidence The author presents a somewhat more plausible interpretation of what may indeed have been historical events along with highly imaginative explanations of the thousand ships Greeks bearing gifts Helen's elopement with Paris Achilles sexual preferences and of course the Trojan horse We shall never know precisely what if anything transpired on the shores of Asia Minor during the Late Bronze Age but TROJAN DIALOGUES brings us much closer to a realistic though still highly romanticized picture *Encyclopedia of Weird War Stories* Paul Green,2017-06-14

Fictional war narratives often employ haunted battlefields super soldiers time travel the undead and other imaginative elements of science fiction and fantasy This encyclopedia catalogs appearances of the strange and the supernatural found in the war stories of film television novels short stories pulp fiction comic books and video and role playing games Categories explore themes of mythology science fiction alternative history superheroes and Weird War *A Dictionary of Literary Devices* Bernard Marie

can a form of storytelling that alters physical laws and denies facts about the past be at the same time a source of insight into human nature and the workings of the world What kind of social political cultural intellectual work does fantasy perform in the world the world of the reader that is not that of the characters Focusing on various aspects of fantastic world building and story creation in classic and contemporary fantasy from the use of symbolic structures to the way new stories incorporate bits of significance from earlier texts this book shows how fantasy allows writers such as Michael Cunningham Hans Christian Anderson Helene Wecker C S Lewis Ursula K Le Guin Nnedi Okorafor Nalo Hopkinson George MacDonald Aliette deBodard and Patricia Wrightson to test new modes of understanding and interaction and thus to rethink political institutions social practices and models of reality **UCSF News** University of California, San Francisco,1988-07

contributions in this volume originated in the 2015 Classics Colloquium held at the University of South Africa and the volume has been augmented with additional contributions
