The History Of Love By Nicole Krauss:

The History of Love Summary & Study Guide | Nicole Krauss , *The History of Love* Nicole Krauss, 2006 Leo Gursky is a man who fell in love at the age of ten and has been in love ever since These days he is just about surviving life in America tapping his radiator each evening to let his upstairs neighbour know he s still alive drawing attention to himself at the milk counter of Starbucks But life wasn t always like this sixty years ago in the Polish village where he was born Leo fell in love with a young girl called Alma and wrote a book in honour of his love These days he assumes that the book and his dreams are irretrievably lost until one day they return to him in the form of a brown envelope Meanwhile a young girl hoping to find a cure for her mother s loneliness stumbles across a book that changed her mother s life and she goes in search of the author Soon these and other worlds collide in *The History of Love* a captivating story of the power of love of loneliness and of survival

Loneliness and Love in Nicole Krauss' "The History of Love" Elisabeth Kuster, 2008-09-11 Essay from the year 2006 in the subject English Language and Literature Studies Literature grade keine University of Innsbruck language English abstract This is a proseminary work for a literature course and it is about *The History of Love* The contemporary American novel is written by Nicole Krauss and was published in 2005 By now it has been translated into more than twenty five languages Krauss back cover The paper will start with the biography of the author and her connection to the novel and to its content The next and main chapters will then deal with the novel itself which takes place in New York in the time after the 2nd world war and which is told through various stories perspectives and characters The paper s focus will lie on two very important and story defining themes Loneliness and Love The main question of this paper will be in which way Loneliness and Love belong together and how this inextricable connection is portrayed in the book This will further be pointed out through the relationship and personality of chosen characters Alma and Leo Gursky To make it more understandable a short plot and character overview will be given at the beginning of the paper The paper will be ended by a conclusion which sums up all results of my research and analysis and which gives answers to the main question of this paper

Love's Vision Troy Jollimore, 2011-07-05 Love often seems uncontrollable and irrational but we just as frequently appear to have reasons for loving the people we do In *Love's Vision* Troy Jollimore offers a new way of understanding love that accommodates both of these facts arguing that love is guided by reason even as it resists and sometimes eludes rationality At the same time he reconsiders love s moral status acknowledging its moral dangers while arguing that it is at heart a moral phenomenon an emotion that demands empathy and calls us away from excessive self concern Love is revealed as neither wholly moral nor deeply immoral neither purely rational nor profoundly irrational Rather as Diotima says in Plato s *Symposium* love is something in between Jollimore makes his case by proposing a vision view of love according to which loving is a way of seeing that involves bestowing charitable attention on a loved one This view recognizes the truth in the cliché love is blind but holds that love s blindness does not undermine the idea that love is guided by reason Reasons play an important role in love

even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love's Vision is an original examination of a subject of vital philosophical and human concern Encyclopedia of Contemporary Writers and Their Work Geoff Hamilton, Brian Jones, 2015-04-22 Presents an alphabetical reference guide detailing the lives and works of authors associated with the English language fiction of the twentieth and twenty first centuries The Encyclopedia of Contemporary American Fiction, 2 Volumes Patrick O'Donnell, Stephen J. aestheticizing and post memorial profile of Polish postmodernization and its advantage over the historiosophical trend This monograph is not only the first such collection of post Holocaust postmodern novels but also the first comprehensive study of postmodernism in the literature about the Holocaust which thanks to comparative analysis tries to analyze and explain the circumstances of the appearance and later disappearance of this trend from cultural landscape of the world and Poland

Holocaust Impiety in Jewish American Literature Joost Krijnen,2016-05-02 The Holocaust is often said to be unrepresentable Yet since the 1990s a new generation of Jewish American writers have been returning to this history again and again insisting on engaging with it in highly playful comic and impious ways Focusing on the fiction of Michael Chabon Jonathan Safran Foer Nicole Krauss and Nathan Englander this book suggests that this literature cannot simply be dismissed as insensitive or improper It argues that these Jewish American authors engage with the Holocaust in ways that renew and ensure its significance for contemporary generations These ways moreover are intricately connected to efforts of finding new means of expressing Jewish American identity and of moving beyond the increasingly apparent problems of postmodernism

The New Jewish American Literary Studies Victoria Aarons,2019-04-18 Introduces readers to the new perspectives approaches and interpretive possibilities in Jewish American literature that emerged in the twenty first Century *Novel Subjects* Leah A. Milne,2021-07-01 How does contemporary literature contend with the power and responsibility of authorship particularly when considering marginalized groups How have the works of multiethnic authors challenged the notion that writing and authorship are neutral or universal In *Novel Subjects* Leah Milne offers a new way to look at

multicultural literature by focusing on scenes of writing in contemporary works by authors with marginalized identities These scenes she argues establish authorship as a form of radical self care a term we owe to Audre Lorde who defines self care as self preservation and an act of political warfare In engaging in this battle the works discussed in this study confront limitations on ethnicity and nationality wrought by the institutionalization of multiculturalism They also focus on identities whose mere presence on the cultural landscape is often perceived as vindictive or willful Analyzing recent texts by Carmen Maria Machado Louise Erdrich Ruth Ozeki Toni Morrison and more Milne connects works across cultures and nationalities in search of reasons for this recent trend of depicting writers as characters in multicultural texts Her exploration uncovers fiction that embrace unacceptable or marginalized modes of storytelling such as plagiarism historical revisions jokes and lies as well as inauthentic invisible and unexceptional subjects These works ultimately reveal a shared goal of expanding the borders of belonging in ethnic and cultural groups and thus add to the ever evolving conversations surrounding both multicultural literature and self care

FOLORUNSHO MEJABI, 2015-11-14 I no longer believed in the idea of soul mates or love at first sight But I was beginning to believe that a very few times in your life if you were lucky you might meet someone who was exactly right for you Not because he was perfect or because you were but because your combined flaws were arranged in a way that allowed two separate beings to hinge together Lisa Kleypas Blue Eyed Devil *Affiliated Identities in Jewish American Literature* David Hadar, 2020-07-23 Focusing on relationships between Jewish American authors and Jewish authors elsewhere in America Europe and Israel this book explores the phenomenon of authorial affiliation the ways in which writers intentionally highlight and perform their connections with other writers Starting with Philip Roth as an entry point and recurring example David Hadar reveals a larger network of authors involved in formations of Jewish American literary identity including among others Cynthia Ozick Saul Bellow Nicole Krauss and Nathan Englander He also shows how Israeli writers such as Sayed Kashua perform their own identities through connections to Jewish Americans Whether by incorporating other writers into fictional work as characters interviewing them publishing critical essays about them or invoking them in paratext or publicity writers use a variety of methods to forge public personas craft their own identities as artists and infuse their art with meaningful cultural associations Hadar s analysis deepens our understanding of Jewish American and Israeli literature positioning them in decentered relation with one another as well as with European writing The result is a thought provoking challenge to the concept of homeland that recasts each of these literary traditions as diasporic and questions the oft assumed centrality of Hebrew and Yiddish to global Jewish literature In the process Hadar offers an approach to studying authorial identity

building relevant beyond the field of Jewish literature *Disseminating Jewish Literatures* Susanne Zepp, Ruth Fine, Natasha Gordinsky, Kader Konuk, Claudia Olk, Galili Shahar, 2020-10-12 The multilingualism and polyphony of Jewish literary writing across the globe demands a collaborative comparative and interdisciplinary investigation into questions regarding methods of researching and teaching literatures *Disseminating Jewish Literatures* compiles case studies that represent a broad range of epistemological and textual approaches to the curricula and research programs of literature departments in Europe Israel and the United States In doing so it promotes the integration of Jewish literatures into national philologies and the implementation of comparative transnational approaches to the reading teaching and researching of literatures Instead of a dichotomizing approach *Disseminating Jewish Literatures* endorses an exhaustive comprehensive conceptualization of the Jewish literary corpus across languages Included in this volume are essays on literatures in Arabic English French German Hebrew Hungarian Italian Polish Portuguese Russian Spanish and Turkish as well as essays reflecting the fields of Yiddish philology and Latin American studies The volume is based on the papers presented at the Gentner Symposium funded by the Minerva Foundation held at the Freie Universit t Berlin in June 2018 *Philosophy for Girls* Melissa M. Shew, Kimberly K. Garchar, 2020 This revolutionary book empowers its readers by exploring enduring challenging and timely philosophical issues in new essays written by expert women philosophers The book will inspire and entice these philosophers younger counterparts curious readers of all genders and all who support equity in philosophy If asked to envision a philosopher people might imagine a bearded man probably Greek perhaps in a toga pontificating about abstract ideas Or they might think of that same man in the Enlightenment gripping a quill pen and pouring universal truths onto a page They may even call to mind a much more modern man wearing a black sweater and smoking a cigarette in a Paris caf expressing existential angst in a new novel or essay What people are unlikely to picture though is a woman Women have historically been excluded from the discipline of philosophy and remain largely marginalized in contemporary textbooks and anthologies The under representation of women in secondary and post secondary curricula makes it harder for young women to see themselves as future philosophers In fact it makes it harder for all people to engage the valuable contributions that women have made and continue to make to intellectual thought While some progress has been made in building a more inclusive world of philosophy especially in the last fifty years important work remains to be done *Philosophy for Girls* helps correct the pervasive and problematic omission of women from philosophy Divided into four sections that connect to major primary fields in philosophy metaphysics epistemology social and political philosophy and ethics this anthology is unique chapters are all written by women and each chapter opens with an anecdote about a girl or woman from mythology history art literature or science to introduce chapter topics Further nearly all primary and secondary sources used in the chapters are written by women philosophers The book is written in a rigorous academic spirit but in lively and engaging prose making serious philosophical insights accessible to readers who are new to philosophy This book appeals to a wide audience Individual readers will find

value in these pages especially girls and women ages 16-24 as well as university and high school educators and students who want a change from standard anthologies that include few or no women. The book's contributors both represent and map the diverse landscape of philosophy highlighting its engagement with themes of gender and equity. In doing so they encourage philosophers current and future philosophers to explore new territory and further develop the topography of the field. *Philosophy for Girls* is a rigorous yet accessible entry point to philosophical contemplation designed to inspire a new generation of philosophers.
