Novel Verdicts Jon L. Breen, 1999 The advent of Court TV and the increasing news coverage of high profile trials have pushed legal proceedings to the forefront of public interest today Jon L Breen has answered a growing demand for information with a second edition of *Novel Verdicts A Guide to Courtroom Fiction* a critical bibliography of courtroom fiction This new edition not only updates old annotations but explores the literary response to new areas of focus and development that have emerged in the law since 1984 The original 421 entries have been retained among the 790 in the present volume and Breen s guide also highlights a number of specialists who have recently emerged including John Grisham Steve Martini William Bernhardt Paul Levine and Richard North Patterson Annotations provide general information about the author and indicate the proportion of trial action included in each book A critical bibliography for librarians lawyers and courtroom enthusiasts alike *Novel Verdicts* is a useful and easy to use reference tool that captures the changes in the law as depicted in courtroom fiction **Braille Book Review** ,2006-07 *Talking Book Topics* ,2006-05 **Sleuths, Sidekicks and Stooges** Joseph Green, Jim Finch, 1997 This reference work on British and American crime mystery and adventure fiction in English contains 7 000 entries listed alphabetically by detective providing information about sleuths their sidekicks and their rivals A broad definition of detective is used encompassing Batman Sherlock Holmes James Bond Nero Wolfe and Hercule Poirot **Mystery Index** Steven Olderr, 1987 Provides indexes to American and British mystery novels by author title subject setting and characters *Indian Review of Books* ,1994 Library Journal ,1992-07 **Kliatt Young Adult Paperback Book Guide** ,1996 *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently

updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *Book Review Digest* ,1980 *Dictionnaire des littératures policières: J-Z* Claude Mesplède,2003 Propose de tr s nombreuses tudes sur les th mes caract ristiques du genre policier mais aussi sur les collections et les auteurs sous forme d un dictionnaire biobibliographique **Subject Guide to Books in Print** ,1991
