The Expositor's Study Bible Jimmy Swaggart, 2006 **The Expositor's Study Bible - Loose-Leaf Edition** Jimmy Swaggart, 2007-01-01 The Expositor's Study Bible Jimmy Swaggart, 2008-07-01 The Expositor's Study Bible KJV is different than any other study Bible ever produced With abbreviated commentary notes placed directly in the scripture it makes Bible study easier than ever before With over 1 million copies in print today The Expositor's Study Bible has become one of the most loved Bible study tools of our time *Our Greatest Treasure* Cy Mersereau, 2017-01-20 Is the Bible a trustworthy document or is it filled with errors and contradictions as claimed by the skeptics In *Our Greatest Treasure* we examine the evidence Less than two centuries ago many scholars argued convincingly that the Hittites never existed even though they are mentioned in the Bible more than fifty times The unearthing of their massive library in Turkey has revealed an advanced civilization that once rivalled both Egypt and Assyria Not many years ago Ahab's house of ivory was considered impossible but not now His wife Jezebel was dismissed as a fictional character inserted into the text to arouse interest but the recent discovery of her signet ring with her name clearly discernible has silenced the critics At one time historians were convinced that Gallio in Acts 18 never existed but the spade of the archaeologists has uncovered his name his position as Proconsul of Achaia and even the time of his service in Corinth Men and women from both distant times and the present have had their lives transformed by the message of the Bible Many of the people places and events found in the Bible are found in no other literature and their details have been documented as being authentic by historical and archaeological research The Bible is not buried treasure It is open to all who will access its sacred pages The Bible is indeed *Our Greatest Treasure*

Annual Interpretative Expository 2021-2022 Church Of God In Christ Publishing House, 2021-11-01 Sunday School across America is on a decline Biblical literacy is at an unprecedented low amongst believers and it seems as if there is no end to where this could lead to in our churches The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material Enlisting help from scholars across the country the department wrote the Interpretative Expository an exposition for each lesson of the Sunday School curriculum Also to assist pastors preachers missionaries and laity with sermon subjects and preparation our team has included a sample sermon outline from one of the lessons Reemphasize the message of Sunday School by preaching a message from the text of the lesson *Three Governing Laws in Genesis and Romans* Dr. Solomon Chijindu Okpali, 2023-03-24 About the Book At creation the man was free from the burden of sin and knew no shame But he became carnally minded because of the demise of this innocence following his disobedience of God's instruction Therefore man fell and would henceforth struggle in strife for a decent livelihood Laws came to the rescue as enabling hands for guidance and restoration Thus in various dimensions we find the operation of the Law of Sin and Death and the Mosaic laws But these as tall as they stood proved inadequate to relieve humanity of the burden of sin and restore him to the heavenly realm Then came the law of the Spirit of Life in Christ Jesus with attendance of the Cross and

Grace Man thus was delivered with Liberty and free will subsequent to the Cross experience Although man receives freedom and free will he is not complacent in the equation of salvation He has a part to play even with the new law of Love Regardless man is made perfect only by the blood unto righteousness Sin is cleansed only in Christ Jesus Humanity cannot override sin nature by the power of self Therefore in today s world of strife and restlessness it is expedient for us believers to refocus our energies on the One who is able to separate us from the inherent strikes and troubles in this earth realm We must realize at least as believers that alone man is unable to sustain himself While at this two other laws must not be forgotten These are the laws of Faith and Love In our divine quests we cannot conceive and harvest our desires from God in isolation of faith Love is the cord that ties it all About the Author Solomon Okpali P hD Theology is a minister of the word and a copywriter
