Henry, 2013-03-29 This is the story of a dedicated father Thomas Stevens grew up as a farmers son in rural Nebraska He has three brothers and three sisters helped their parents around the farm as much as they could He loved the business aspect of farming more than the sweat and hard work and told of his desires at an early age to the displeasure of his father An understanding and loving man Thomas father would not insist that his children remain on the farm and assisted young Thomas in his pursuits Christmas was a special time for the Stevens household and the family made it a weeklong celebration within the old farmhouse Thomas became quite wealthy Through quirks of fate he met a woman in trouble named Emily Given Thomass upbringing he quickly came to her aid and soon fell in love with her Thomass selflessness and kindness toward others impressed Emily and she learned quickly that Thomas was the man she had always hoped to meet Together they had a child named Sarah Sarah provided much love and laughter in their happy household and Thomas could see that Sarah possessed a level of kindness and caring that angels might envy All seemed perfect until one day a simple trip to the grocery store and an out of control car hit Emilys car head on and took her life Thomas was devastated but he had Sarah and his family to help him pull through the terrible trauma and devastating grief Years went by until another accident sent Thomas again into a depression that lasted much of the remainder of his life Thomas young Sarah and two of Sarahs cousins got into Thomass car He inadvertently neglected to lock Sarah securely into her seat belt and a head on accident sent his beautiful twelve year old daughter through the windshield paralyzing her for life Thomas vowed to make things right but Sarah harbored a lifetime of resentment and bitter hatred toward her father and eliminated him from her life Thomas tried everything to regain her love but nothing he did would restore her trust or rekindle their loving relationship He set out on an incredible journey that reaped him astonishing

successes in his business world but one fraught with heart wrenching depths into dementia loss prison and despair all for the sole purpose of restoring his and Sarahs relationship and life together as a family He was a father first and that was the only success he sought He did not care how long it took or the depths to which he had to sink to get there He was determined to restore his daughters affections even though she was oblivious to her fathers good deeds They lived a lifetime apart with Sarah not knowing or caring how much she meant to Thomas and how much her absence from his life had devastated him

Alabama ,1999-12-01 The 1930s were an unparalleled period in American history Never before or since and probably never again has the gamut of human emotions swung so far and so fast On October 29 1929 the stock market crashed and soon after the nation of plenty was in turmoil and fast becoming a wasteland No sacred institution was left untouched banks failed factories shut down stores closed and almost every business seemed paralyzed with economic stagnation A generation raised in these conditions could not help but be changed by such foreboding circumstances It was a period in which new trends of thought emerged in economic matters social activity and moral conduct all leaving the pockmark of progress upon the nation s young This book presents a revealing portrait of one man s life during the Depression His particular story is derived from a specific location in the state of Alabama however it is an intimately familiar tale to anyone who survived that horrible economic period and to younger generations who have allowed the stories to endure in their family lore **Twenty-One**
