

HOW TO WRITE A PERSONAL ESSAY

A personal essay is a short writing work where the author expresses an important lesson connected with her life experiences. The essay usually expounds on an important event from a first-person point of view and can be put into practice in several writing styles like creative nonfiction or as a formal essay. Personal essay writers are encouraged to use a conversational tone to create a connection with their audiences. This essay category can be motivating and a source of hope or can act as a caution to others to avoid the writer's predicaments.

Personal essay themes describe a wide variety of subject matters. They could be about the first time you applied unsuccessfully for a post, unwarranted divorce from your spouse, sexual abuse, or even a person that changed your perception towards a particular subject. Any juncture in your life that spurred growth or lead you to your fortunes can be put into writing in the form of a personal essay and impoverished and complemented by your personal views.

8 STEPS TO WRITE A PERSONAL ESSAY

1. Prepare in Advance

The first step in your readiness to write your personal essay is to identify your target audience and the message you intend to convey. Try to figure out how your narrative connects to your objectives for writing it. It's beneficial to outline a list of subjects you intend to share so you can draft an essay that makes your narrative relative and engaging.

2. Get Organized

Coming up with an outline is a huge stride to your ideas as well as your thoughts. Outlines ensure all you discuss is topic bound and avoid discussing irrelevant ideas that can make your main points go unnoticed. A personal essay should be guided by a sequence of events so that the story is not lost on the way.

3. Pick Your Theme

The theme or experience you narrate should mirror the message you intend to share. Your story should describe turning points in your life or any other experience that touched your life in one way or another.

4. Contemplate Your Tone

When drafting a personal essay, think about the feelings you intend to discuss or the atmosphere you prefer to create that lends intuition into your personality. Your essays might be about a past incident and may be drafted as a re-look to an already occurred event and its relation to the current circumstances. If you are writing pertaining to a present event, the essay should be written from a present perspective and the effect experienced today. Based on the tone of your story, concentrate on drawing the writer's attention to your story.

5. Add a Moral Lesson

Your personal essay definitely has the main lesson that readers can draw from your story. Contemplate things you want the readers to recall about your essay and discuss how, why, and what you have learned from your experience.

6. Write the Introduction

The introduction should be brief and, in most cases, should not exceed two paragraphs discussing your main points without elaborating in detail. The introduction captures the main ideas of your story, and the introductory sentence should be impactful. The first sentence should be intriguing to draw readers' attention.

7. Write the Body

The body elaborates essay ideas and any other crucial information. The body should only be two to three paragraphs. This is where you provide evidence backing the lesson or moral you are depicting in your tale.

8. Write the Conclusion

The conclusion is typically one to two paragraphs and emphasize your main points in the body. Avoid introducing new concepts and concentrate on delivering your personal message. Conclude your essay with a sentence that wraps up the lesson in your narrative and connects the whole essay.

Estranging the Familiar George Douglas Atkins, 1992 In Estranging the Familiar G Douglas Atkins addresses the often lamented state of scholarly and critical writing as he argues for a criticism that is at once theoretically informed and personal The revitalized critical writing he advocates may entail but is not limited to a return to the essay the form critical writing once took and the form that is now enjoying a resurgence of popularity and excellence Atkins contends that to reach a general audience criticism must move away from the impersonality of modern criticism and contemporary theory without embracing the old fashioned essay The venerable familiar essay may remain the basis Atkins writes but its conventional openness receptivity and capaciousness must extend to theory philosophy and the candor that seems to mark the tail end of the twentieth century In noting the timeliness if not the necessity of a return to the essay Atkins also considers our culture s parallel return to the personal When the essay combines good writing with the concerns of the personal Atkins says it becomes a form of criticism that is readable vital and potentially attractive to a large readership Atkins hopes critics will tap into the revitalized interest the essay now enjoys without ignoring the considerable insights and advances of contemporary theory He argues that despite claims to the contrary there is no inherent incompatibility between the essay and modern theory As Atkins considers various experiments in critical writing from Plato to the present notably feminist interest in the personal and autobiographical he contends that these attempts although undeniably important fall short of the desired goal when they emphasize the merely expressive and neglect the artful quality good writing can bring to personal criticism The final third of the book consists of a

series of experiments in critical writing that represent the author's own attempts to bridge the gap between theory and popular criticism between an academic and a general audience. In essays that illustrate the rhetorical power of the form, Atkins describes the reciprocal relationship between his life experience and a reading of *The Odyssey*, explaining the role that theory has played in his personal development and chronicles his attempts to find a voice as a writer.

Some of My Best Friends Tajja Isen, 2024-02-27 A fearless and darkly comic essay collection about race, justice, and the limits of good intentions. In this stunning debut collection, Catapult editor in chief and award-winning voice actor Tajja Isen explores the absurdity of living in a world that has grown fluent in the language of social justice but doesn't always follow through. These nine daring essays explore the sometimes troubling and often awkward nature of that discord. *Some of My Best Friends* takes on the cartoon industry's pivot away from colorblind casting, the pursuit of diverse representation in the literary world, the law's refusal to see inequality and the cozy fictions of nationalism. Isen deftly examines the quick cosmetic fixes society makes to address systemic problems and reveals the unexpected ways they can misfire. Isen interlaces cultural criticism with her lived experience to explore the gaps between what we say and what we do, what we do and what we value, what we value and what we demand.

Visual Writing Alex Baratta, 2010-07-12 Considering the fact that the academic essay continues to be widely used as an assessment tool within education, there is a need for students to develop their skills in this area. However, it is often the case that students perceive instruction in academic writing, if it is offered at all, as boring. This book addresses these two issues. First, the book can be used by students themselves, even in the absence of academic writing classes, as a self-help guide from which they can develop their knowledge of academic writing and subsequent proficiency. Second, by discussing the components of academic writing in terms such as film, which are familiar to today's generation, students are enabled to relate to the material better and see what might have been perceived as dull from a brand-new perspective. Visual learners, in particular, will enjoy the analogous link between films and essays, and students today are arguably more visually literate than previous generations, being exposed to visuals on a daily basis through text message iconography, computer games, and the Internet. The visual instruction provided in turn helps to facilitate mental visuals in students' minds from which their knowledge of essay writing can start to develop.

Trauma, Memory, and Narrative in the Contemporary South African Novel, 2012-01-01 The contributions to this volume probe the complex relationship of trauma memory and narrative By looking at the South African situation through the lens of trauma they make clear how the psychic deformations and injuries left behind by racism and colonialism cannot be mended by material reparation or by simply reversing economic and political power structures Western trauma theories as developed by scholars such as Caruth van der Kolk Herman and others are insufficient for analysing the more complex situation in a postcolony such as South Africa This is because Western trauma concepts focus on the individual traumatized by a single identifiable event that causes PTSD Post Traumatic Stress Disorder What we need is an understanding of trauma that sees it not only as a result of an identifiable event but also as the consequence of an historical condition in the case of South Africa that of colonialism and more specifically of apartheid For most black and coloured South Africans the structural violence of apartheid s laws were the existential condition under which they had to exist The living conditions in the townships pass laws relocation and racial segregation affected great parts of the South African population and were responsible for the collective traumatization of several generations This trauma however is not an unclaimed and unclaimable experience Postcolonial thinkers who have been reflecting on the experience of violence and trauma in a colonial context writing from within a Fanonian tradition have on the contrary believed in the importance of reclaiming the past and of transcending mechanisms of victimization and resentment so typical of traumatized consciousnesses Narration and the novel have a decisive role to play here
