The other issues are connected to the successes deliverance callings basic ministries of all Christians and evangelism Various schools of thoughts have attempted these questions but many answers only portray Christianity as a form of religion instead of a way of life as specified by God Some answers give room for compromise hypocrisies dogmas and denominational doctrines The misconceptions about these areas of Christianity have brought about worldliness instead of righteousness and false achievements instead of fulfillment This book which contains six different subjects had been used to hold seminars at various levels train ministers and Christian workers in Bible Schools and to equip the Church It explains in simple terms the seemingly complex issues on practice of Christianity Potentials Deliverance God s Kind Of Success Evangelism and Basic Ministries of a Christian with Biblical principles life transforming stories and illustrations The Way the Church Ought to Be Robert Allan, 2002-05 **Secret Success of Marriage** BRANFORD B YEBOAH, 2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray Managing Conflict God's Way Richard W. Tow, 2025-08-11 Managing Conflict God's Way is more than just a helpful book it's a timely and Spirit led resource that speaks directly to the heart of where so many of us live and lead in the often messy complicated world of human relationships Rooted in Scripture and filled with practical wisdom this book guides and equips pastors and Christian leaders with everyday tools to move beyond avoidance or aggression and toward healing and reconciliation even in life s hardest moments As a former pastor I

know how easily unresolved conflict can tear at the fabric of a church break families apart and damage the witness of the gospel That's why this book matters It offers more than just strategies and skills it invites you into a Christ centered way of living and leading grounded in the call to love your neighbor as yourself In today's divided world this book is both a timely and transformative guide a much needed resource for the church I wholeheartedly recommend Managing Conflict God s Way to every Christian leader who desires to walk in peace and guide those they lead on the path of a true peacemaker Dr John Battaglia Director of the Doctor of Ministry program Professor of Practical Theology Assemblies of God Theological Seminary The writing is clear thoughtful and grounded in both biblical truth and sound conflict theory. It begins with a thorough discussion of Scripture and its mandates for managing relationships and conflict then moves into an extensive exploration of conflict theory principles and strategies While it covers standard topics in the field it also addresses areas not typically found in conflict texts For example the discussion of interests and satisfaction goes beyond the basics to offer detailed strategies for collaboration Topics such as building trust recognizing boundaries seizing the opportunities of conflict forgiveness and reconciliation confrontational communication and the dangers of demonizing others are all handled with depth and originality supported by Scripture contemporary conflict theory and a rich tapestry of examples drawn from Richard s extensive professional experience in both secular and faith based contexts Charlene A Berguist Ph D Emeritus Professor and Former Director Center for Dispute Resolution Missouri State University Co Founder Communication and Conflict Management Associates CCMA The Weight Of Death Dipo Toby Alakija , PLAY ONE HORROR IN THE FAMILY Talimi probably did not envisage hisdeathwhenhewastryingtocompelhisson Damolatosucceed him in the occult Brotherhood Other members of the secret cult were aware of the battle between them So when Talimi died his family especially Damola who was a diehard Christian began to fall prey to the cult Using all their powers and the spirit that posed as Talimi's ghost the cult waged war againstthefamily tormentingandmakingthemtobeatloggerheads PLAY TWO BLOODSHED IN CAMPUS Richard s mother warned him tearfully against joining the bad wagon on campus He soon encountered a member of The Black Skulls a deadly secret cult Before he knew what he was up against he had been arranged to be initiated While resisting the initiation he got the Christian Fellowship involved The Christians dragged the Students Union Government S U G into the conflict With the involvement of the S U G another cult felt obliged to team upagainstTheBlackSkullsandBLOODSHED becametheorderoftheday PLAY THREE RITUAL KIDS KIDNAPPERS Victor and the rest ofthemembersoftheSchoolBible Clubwere taughtthat there are lots of evil people in this world but he did not understand why God allowed him to be among the children that were taken away from their parents He soon understood that he was to be used by God to rescue other children who did not know that everyone that truly believes in Jesus has the power to overcomeevil PLAY FOUR THE WEIGHT OF DEATH Awoseun would not have known the real source of problems of mankind if his father had not givenhim the power to see demons tormenting the people in different ways What he was yet to know however was the power of light over darkness

When he was caught in crossfire between these powers he desperately sought for deliverance
