Anne Boleyn, a historical drama Boleyn Anne (consort of Henry viii, king of England.), Queen Anne Boleyn (consort of Henry VIII, King of England), 1893 Rethinking Hell Christopher M. Date, Gregory Stump, Joshua Anderson, 2014-04-15 Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever But is

this what the Bible truly teaches Do Christians need to rethink their understanding of hell In the late twentieth century a growing number of evangelical theologians biblical scholars and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality This view contends that the unsaved are resurrected to face divine judgment just as Christians have always believed but due to the fact that immortality is only given to those who are in Christ the unsaved do not exist forever in hell Instead they face the punishment of the second death an end to their conscious existence This volume brings together excerpts from a variety of well respected evangelical thinkers including John Stott John Wenham and E Earl Ellis as they articulate the biblical theological and philosophical arguments for conditionalism These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell

The Church of God Hassell, Cushing B.,2015-03-09 During the eighteen centuries that have elapsed since the close of the Scripture canon not a single statement of the written word of God has been disproved by any human discovery All the attempts of scoffers and critics and historians and scientists and philosophers to throw discredit upon the inspired volume have only rebounded upon themselves and illustrated the impiety virulence ignorance shallowness and conceitedness of their authors Next after the assaults of the first three centuries upon the Christian Church the most vigorous learned and persistent efforts to undermine the religion of the Bible have been made by some votaries of 1 Criticism 2 Science and 3 Philosophy during the last hundred years Led on by the enmity of the unrenewed and unspiritual mind

against God and by the strategy of the prince of the power of the air these assailants of divine revelation have left the solid ground work of facts and pretentiously soared into the aerial regions of speculation and conjecture and by the ordination of the Most High they have become so bereft of that common sense or reason which they idolize as to suppose themselves able by their unsubstantial gossamer theories to overturn the everlasting foundations of the Zion of our God This book tells the history of the Church of God History of the Church of God Cushing Biggs Hassell, Sylvester Hassell, 1886 **New York Medical Journal** ,1885 **International Record of Medicine and General Practice Clinics** Frank Pierce Foster, 1885
