World Congress, 1998 In close to fifty sessions the congress theme Shakespeare and the Twentieth Century allowed for critical approaches from many directions through twentieth century theater history on almost every continent through a range of media representations from film to databases through the changing theoretical models of the period that extend to the latest politically inflected readings and through appropriations of the play texts by modern art forms such as recent fiction Angela Carter (1940-1992) Sandrine Lauret, 1999 **The Bloody Chamber, Wise Children, Fireworks** Angela Carter, 2018-04-10 An omnibus of works by the great British writer that showcases her hauntingly erotic fabulism and the subversive richness of her imagination In The Bloody Chamber Angela Carter's famous collection of deeply unsettling stories inspired by fairy tales we see a Beauty who turns into a Beast Little Red Riding Hood's grandmother stoned as a werewolf and Bluebeard as a murderous porn addicted businessman In the surreally delightful novel Wise Children an elderly woman recounts the colorful life she and her identical twin sister led as vaudeville performers And the early story collection Fireworks reveals Carter taking her first forays into the fantastical writing that was to become her unforgettable legacy As critic Laura Miller has argued Most contemporary literary fiction with a touch of magic owes something to Angela Carter's

trailblazing This Everyman's Library omnibus gathers the best of Angela Carter in one astonishing volume **Telling Histories**, 2022-06-08 The proliferation of historical novels with more or less overt metafictional traits in the late seventies and eighties in Britain is a particularly arresting phenomenon at a time when historians are openly questioning the validity of the traditional concept of history understood as a scientific search for knowledge This apparent contradiction justifies the attempt made by the contributors of this volume to analyze the relationship between history and literature in English The reader will find four preliminary essays on The End of the Classical Period establishing the characteristics of the appropriation of history since the appearance of Sir Walter Scott's historical romances with special emphasis on the Victorian novel Dickens Eliot Mrs Humphry Ward the Irish ballad and Post Independence Indian historical fiction as a necessary preface to the main group of essays on The Postmodernist Era devoted to establishing the common as well as the individually distinctive traits in the writings of some of the most accomplished contemporary writers in English the more centered British novelists Margaret Drabble Julian Barnes and William Golding as well as the more ex-centric Angela Carter Salman Rushdie and Jeanette Winterson plus the playwright Caryl Churchill and the black American novelist David Bradley *Wise Children* Angela Carter, 2012-11-30 I know it in my ancient water that something will happen today Today is the 75th birthday of identical twin sisters Dora and Nora And on this day their story begins a richly comic tale of the tangled fortunes of two theatrical families the Hazards and the Chances It is in fact the 23rd April Shakespeare's birthday and as Dora's story unfurls over the course of a whole century it is populated with as many sets of twins mistaken identities and unlikely coincidences as any Shakespeare comedy WITH AN INTRODUCTION BY ALI SMITH It is wise bawdy vulgar eloquent and very very funny And the writing is often breathtakingly lyrical A masterpiece Please share Guardian **Wise Children** Emma Rice, 2018 In Brixton Nora and Dora Chance twin chorus girls born and bred south of the river are celebrating their 75th birthday Over the river in Chelsea their father and greatest actor of his generation Melchior Hazard turns 100 on the same day As does his twin brother Peregrine If in fact he's still alive And if in truth Melchior is their real father after all *Wise Children* is adapted for the stage from Angela Carter's last novel about a theatrical family living in South London It centres around twin chorus girls Nora and Dora Chance whose lives are brimming with mystery illegitimacy and scandal Dora narrates the story as her older self looking back on a tumultuous life throughout which she and her sister have loved to sing and dance A big bawdy tangle of theatrical joy and heartbreak *Wise Children* is a celebration of show business family forgiveness and hope Expect show girls and Shakespeare sex and scandal music mischief and mistaken identity and butterflies by the thousand **Closer and Closer Apart** Rosemary H. Lloyd, 2019-05-15 Envy Rosemary Lloyd says involves what one would like to have but does not jealousy what one has but fears losing Lloyd demonstrates in *Closer and Closer Apart* how the passion unleashed by jealousy can illuminate such concepts as self and other gender and society Jealousy in her view exerts a powerful attraction in literature partly because it distorts the individual's perceptions of the other in highly productive ways and partly because it

serves as paradigms for reading and for storytelling In this accessible and elegantly crafted book Lloyd explores sexual jealousy more as a literary devise than as a literary theme She draws her examples from novels plays and poetry spanning many years and from many countries mainly nineteenth and twentieth century France and England but also Russia Poland Germany Italy the United States Canada and Australia Among the writers she treats are Proust Tolstoy Dostoyevsky Charlotte Bront Trollope Barthes and Baudelaire After discussing various portraits of the jealous lover Lloyd asks to what extent the literary experience of jealousy has been colored by conventional images of male and female roles She also examines the ways in which the jealous lover deals with the other whether beloved or rival Finally she looks at jealousy as a desire for control represented through images of incorporation and possession

In Words and Deeds Zenón Luis Martínez,2002 Departing from earlier studies which regarded incest as a literary topos or dramatic metaphor foregrounding political social or legal issues Words and deeds argues that the presence of incest on the Renaissance stage is a strategy for the enactment of the spectator s tragic experience Incest is explored neither as a sin nor as a crime but as an unspeakable experience filtered through dramatic words and deeds

Emma Rice's Feminist Acts of Love Lisa Peck,2023-07-13 This is a love story but not as you know it Should an academic study be framed in this way Love seems an unlikely bedfellow for critical thinking Watching an Emma Rice production and being in her rehearsal room you feel the love a warm and generous welcoming in a joyful celebration of the

theatrical exchange What produces this pleasurable affect and how might we consider its political potential This Element positions Emma's theatre making a body of work spanning three decades as feminist acts of love Drawing on fieldwork research her practice is viewed through the critical lenses of feminisms and affect to consider its contextual tensions its ethics of affirmation staging of femininities and contribution to queer worldmaking Mapping her work from this perspective brings to light her important contribution to UK feminist theatre its love activism offering an emergent strategy for change

The Bedtrick Wendy Doniger, 2005-12 Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The *Bedtrick* brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the *Weekly World News* to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln's truly terrible poem about a bedtrick You will learn that in Hong Kong the film *The Crying Game* was retitled *Oh No My Girlfriend Has a Penis* And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can't people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The *Bedtrick* is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover
