

Introduction - Grade 9 English–Language Arts

The following released test questions are taken from the Grade 9 English–Language Arts Standards Test. This test is one of the California Standards Tests administered as part of the Standardized Testing and Reporting (STAR) Program under policies set by the State Board of Education.

All questions on the California Standards Tests are evaluated by committees of expert experts, including teachers and administrators, to ensure their appropriateness for measuring the California students' content standards for Grade 9 English–Language Arts. In addition to content, all items are reviewed and approved to ensure their adherence to the principles of fairness and to ensure no bias exists with respect to characteristics such as gender, ethnicity, and language.

This document contains released test questions from the California Standards Test forms in 2003, 2004, 2005, 2006, 2007, and 2008. Found on the pages that follow are lists of the standards assessed on the Grade 9 English–Language Arts Test. Next are released passages and test questions. Following the questions is a table that gives the correct answer for each question, the content standard that each question is measuring, and the year each question last appeared on the test.

The following table lists each reporting cluster, the number of items that appear on the tests, and the number of released test questions that appear in this document.

STRAND/REPORTING CLUSTER	NUMBER OF QUESTIONS ON EXAM	NUMBER OF RELEASED TEST QUESTIONS
• Word Analysis	4	11
• Reading Comprehension	18	27
• Literary Response and Analysis	36	20
• Writing Strategies	29	25
• Writing Conventions	12	25
TOTAL	109	118

In selecting test questions for release, CDE efforts are aimed: (1) the questions adequately cover a selection of the students' content standards assessed on the Grade 9 English–Language Arts Test; (2) the questions demonstrate a range of difficulty; and (3) the questions present a variety of ways standards can be assessed. These released test questions do not reflect all of the ways the standards may be assessed. Released test questions will not appear on future tests.

Costigan,2007-10-30 Most pre service education students are enthusiastic about the progressive constructivist and student centered theory and practice advocated in many teacher education programs and by the National Council of Teachers of English Yet in actual day to day practice teachers often have trouble thinking of ways in which such student centered and constructivist practices in literacy instruction can be implemented in classrooms which are increasingly driven by high stakes tests increased accountability and mandated and even teacher proof scripted curricula *Teaching Authentic Language Arts in a Test Driven Era* provides a powerful and much needed counterargument to the assumption that test driven curricula preclude meaningful instruction and authentic student

engagement within a Language Arts curriculum Providing teachers with the theoretical stances and pedagogical tools to develop a Language Arts practice which can be personally rewarding as well as beneficial to students Teaching Authentic Language Arts in a Test Driven Era empowers teachers to be effective even within the confines of a testing and accountability driven curriculum
