American Express Jobs Utah:

F & S Index United States Annual ,2006 The Transition to Flexibility Daniel C. Knudsen,2012-12-06 The advanced capitalist nations are currently undergoing an enormous economic social and political transformation At the heart of this transformation is the transition between large scale standardized production Fordism and new more flexible approaches to manufacturing flexibility and a concomitant extension of manufacturing to include products both concrete goods and ephemeral services This volume explores the consequences of this transition from the standpoints of technology labor relations firm strategy education government programs and geography The book is a collection of papers by well known scholars investigating the current global transition from mass consumption and production to flexible production for niche markets The book is unique in that it not only discusses standard economic concerns but also investigates the social and political implications of this transition Each chapter is concerned with a different aspect of the same restructuring process
