And Impossible Victories Unlikely Battlefield Successes:

Impossible Victories Bryan Perrett, 2015-10-30 A military historian takes an in depth look at a selection of surprising battlefield successes Victory on the battlefield is sometimes achieved against the odds victory snatched from the jaws of apparently inevitable defeat A daring counterattack an unexpected maneuver a stubborn refusal to be beaten and the impossible victory is won In the ten dramatic episodes in this book military historian Bryan Perrett revisits battles from the Peninsula War of 1811 to Vietnam in 1967 via colonial action in two world wars [Why the Japanese Lost](#) Bryan Perrett, 2014-06-30 This sweeping historical study examines the military culture and fighting style of Imperial Japan from the mid nineteenth century to the end of WWII In [Why the Japanese Lost](#) military historian Bryan Perrett presents an in depth portrait of a nation that believed itself to be invincible even when its strength was being systematically destroyed by the greatest industrial power in the world Perrett analyzes the Japanese Army from the middle of the nineteenth century through the closing months of the Second World War highlighting its various successes as well as the flaws that led to its greatest failures Prior to the mid nineteenth century Japan was content to remain in medieval isolation But by the twentieth century the nation was armed and determined to carve out a new identity characterized by a dominating spirit Dejected by the Great Depression of the early 1930s the nation had grown from moderate to militant Following the attack on Pearl Harbor in 1941 the Japanese Army was emboldened Hong Kong Malaya Singapore Burma the Philippines and the Dutch East Indies were all overrun with deceptive ease leading the Army to become dangerously overconfident Through each episode of note in the history of the Japanese military Perrett analyses and endeavors to explain the root causes and pivotal decisions that led to defeat

On War and Leadership Michael Owen Connelly, 2009-01-10 What can we learn about leadership and the experience of war from the best combat leaders the world has ever known This book takes us behind the scenes and to the front lines of the major wars of the past 250 years through the words of twenty combat commanders What they have to say which is remarkably similar across generational national and ideological divides is a fascinating take on military history by those who lived it It is also worthwhile reading for anyone from any walk of life who makes executive decisions The leaders showcased here range from Frederick the Great to Norman Schwarzkopf They include such diverse figures as Napoleon Bonaparte commanders on both sides of the Civil War William Tecumseh Sherman and Stonewall Jackson German and American World War II generals Rommel and Patton a veteran of the Arab Israeli wars Moshe Dayan and leaders from both sides of the Vietnam War Vo Nguyen Giap and Harold Moore What they have had in common is an unrivaled understanding of the art of command and a willingness to lead from the front All earned the respect and loyalty of those they led and moved them to risk death The practices of these commanders apply to any leadership situation whether military business political athletic or other Their words reveal techniques for anticipating the competition leading through example taking care of the troops staying informed turning bad luck to advantage improvising and making bold decisions Leader after leader

emphasizes the importance of up front muddy boots leadership and reveals what it takes to persevere and win Identifying a pattern of proven leadership this book will benefit anyone who aspires to lead a country a squadron a company or a basketball team It is a unique distillation of two and a half centuries of military wisdom **Master of None** Douglas Goddard,2009 Master of None is an autobiography of a retired Army officer from his humble childhood in London and Suffolk farms through the ravages of World War 2 his subsequent civilian career in the Building Industry and latterly his extensive commitment to community service The broad range of his experiences talents and interests together with his engaging and charmingly self deprecating writing style make for a very interesting read *Politics and Philosophy* Mikko Lahtinen,2009-06-30 Louis Althusser s interpretation of Niccol Machiavelli has never really been studied in any detail as an analysis of political action and intervention The same is also true for Althusser s notion of aleatory materialism Instead these have conventionally been studied from the viewpoint of a philosophical perspective in which politics is excluded The objective of the present book thus runs against many of the prevailing views on Althusser Here the emphasis is placed on Althusser s advancement of a theory of materialist politics The main argument put forward is that for Althusser it was essential to reflect on how the conjunctural understanding of history and reality could offer a theoretical starting point for a subversive political strategy Gunboat!: Small Ships At War Bryan Perrett,2012-10-11 This is naval action adventure with a difference thirteen naval engagements in which gunboats won the day against every kind of enemy large and small Britain like other colonial powers established controlled and accessed her empire from the seas It was realised that the preservation of secure trading conditions required armed ships able to operate in shallow coastal and river waters The gunboat was developed to meet this need a small shallow draft steam powered screw or paddle driven vessel sufficiently fast and manoeuvrable to take the enemy whether on shore or afloat by surprise In this book Bryan Perrett recounts thirteen episodes of exciting gunboat action ranging from the Burma war in 1824 through two world wars and on to the dramatic escape of the Amethyst down the Yangtze in 1949 **The Last German Victory** Aaron Bates,2021-12-22 Operation Market Garden the Allied airborne invasion of German occupied Holland in September 1944 is one of the most famous and controversial Allied failures of the Second World War Many books have been written on the subject seeking to explain the defeat Historians have generally focused on the mistakes made by senior commanders as they organized the operation The choice of landing zones has been criticized as has the structure of the airlift plan But little attention has been paid to the influence that combat doctrine and training had upon the relative performance of the forces involved And it is this aspect that Aaron Bates emphasizes in this perceptive closely argued and absorbing re evaluation of the battle As he describes each phase of the fighting he shows how German training which gave their units a high degree of independence of action better equipped them to cope with the confusion created by the surprise Allied attack In contrast the British forces were hampered by their rigid and centralized approach which made it more difficult for them to adapt to the chaotic situation Aaron Bates s thought provoking study sheds

fresh light on the course of the fighting around Arnhem and should lead to a deeper understanding of one of the most remarkable episodes in the final stage of the Second World War in western Europe *The Indian Mutiny 1857-58* Gregory Fremont-Barnes, 2014-06-06 In the mid 19th century India was the focus of Britain's international prestige and commercial power the most important colony in an empire which extended to every continent on the globe and protected by the seemingly dependable native armies of the East India Company When however in 1857 discontent exploded into open rebellion Britain was obliged to field its largest army in forty years to defend its jewel in the crown This book drawing on the latest sources as well as numerous first hand accounts explains why the sepoy armies rose up against the world's leading imperial power details the major phases of the fighting including the massacres at Cawnpore and the epic sieges of Delhi and Lucknow and examines many other aspects of this compelling at times horrifying subject **International Who's Who of Authors and Writers 2004** Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters

George Washington's Surprise Attack Phillip Thomas Tucker, 2014-03-04 Extensively researched and superbly argued in Tucker's compelling narrative this in depth examination of George Washington's military miracle at the Battle of Trenton unquestionably confirms the vital importance of that stunning victory Jerry D Morelock PhD editor in chief at Armchair General Like many historical events the American Revolution is sometimes overlooked ignored or minimized by historians because of common shrouding in romantic myth or interference from stubborn stereotypes Here historian Phillip Thomas Tucker provides an in depth look at the events of the Battle of Trenton weeding out fiction and legend and presenting new insights and analysis Stories from many forgotten individuals of the war including officers and soldiers from both sides bring to life the Continental Army's desperate circumstances and shocking victory Myths that Tucker debunks include the Hessians slovenly drunkenness Washington acting alone in creating the attack strategy and Rall's incompetence as a leader largely contributing to his troops defeat By exploring the forgotten aspects of one of America's most famous battles revealing Trenton's story proves to be even more fascinating In the end America's founding was nothing short of miraculous and no chapter of America's story was more miraculous than Washington's improbable success at the battle of Trenton where America's fate was decided to almost everyone's amazement on a dark snowy morning Skyhorse Publishing as well as our

Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Incomplete Victory: General Allenby And Mission Command In Palestine, 1917-1918 LCDR Geronimo Nuño, 2015-11-06 The Palestine Campaign of the First World War exhibited a fighting style that brought with it various challenges in mission command While General Allenby commanding the Allied Egyptian Expeditionary Force EEF gained several victories in the early stages of the campaign he did not comprehensively defeat the Turkish forces in Palestine He drove them away from their defensive line but they escaped avoided destruction and retreated north to re establish a defense and engage the EEF at later date This thesis argues that General Allenby did not achieve the great successes at the battles of Beersheba Gaza Sheria and the pursuit of Turkish forces that ended with Allenby s capture of Jerusalem Instead Allenby had to learn how to succeed in Palestine to finally destroy the armies of the Ottoman Empire in Palestine at the battle of Megiddo in September 1918 The research in this study highlights the mission command challenges in Allenby s early campaigns and how he learned to overcome them and adapt his tactics to achieve complete victory at the battle of Megiddo This thesis will use the tenets of mission command consisting preparation combined arms prioritization of resources and communication to examine General Allenby s Palestine campaign Mission command both a function of war and a philosophy of leadership comprises one of the key facets of military thought that leaders must consider in order to achieve complete victory

Хрестовий похід у Європу Андрій Галушка, Андрій Харук, 2025-07-27 **For Valour** Bryan Perrett, 2012-10-11 Stories of outstanding bravery on the battlefield The Victoria Cross a simple bronze cross inscribed For Valour on the front and engraved with the recipient s name rank number unit and the date of the action on the reverse was first awarded by Queen Victoria in a ceremony in Hyde Park in 1857 to heroes of the Crimea The VC is the most prized British and Commonwealth decoration for gallantry and is earned too often at the cost of the ultimate sacrifice Only 1 354 VCs have been awarded and this book in Bryan Perrett s inimitable style tells the story behind some of the most remarkable from the Crimea through to the Second World War Likewise the Congressional Medal of Honor the US equivalent decoration is celebrated here in equal measure in his gripping episodes of outstanding gallantry in battle The VC and the Medal of Honor have on occasion even been awarded for acts on the same battlefield

Military History, 1997-04 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 **American Book Publishing Record**, 2001 **Roses in December** Susan Paul, 1996 **Atlanta 1864** Richard M. McMurtry, 2001-01-01 Atlanta 1864 brings to life this crucial campaign of the Civil War as federal armies under William T Sherman contended with Joseph E Johnston and his successor John Bell Hood and moved steadily through Georgia to occupy the rail and commercial center of Atlanta Sherman s efforts

were undertaken as his former commander Ulysses S Grant set out on a similar mission to destroy Robert E Lee or drive him back to Richmond These struggles were the millstones that Grant intended to use to grind the Confederacy's strength into dust By fall Sherman's success in Georgia had assured the re-election of Abraham Lincoln and determined that the federal government would never acquiesce in the independence of the Confederacy Richard M McMurry examines the Atlanta campaign as a political and military unity in the context of the greater struggle of the war itself Richard M McMurry is an independent scholar and the author of *John Bell Hood and the War for Southern Independence* Nebraska 1992 and *Two Great Rebel Armies An Essay in Confederate Military History* *The British National Bibliography* Arthur James Wells, 1998

Understanding Victory and Defeat in Contemporary War Jan Angstrom, Isabelle Duyvesteyn, 2006-12-05 Bringing together leading contributors in the field this new volume analyzes how victory and defeat in modern war can be understood and explained It does so by confronting two inter-related research problems the nature of victory and defeat in modern war and the explanations of victory and defeat By first questioning the extent to which the concepts of victory and defeat are meaningful to describe the outcomes of modern wars and whether the contents of these concepts are changing it then evaluates different theories purporting to explain the outcomes of war and the impact of variables ranging from technology to culture The book tackles several key questions What is the definition of victory in the War on Terror What is the meaning of victory and defeat in contemporary insurgencies such as those in Iraq and Afghanistan Are the counterstrategies that were developed in the mid twentieth century valid in order to deal with present and future conflicts With case studies ranging from the Malayan Emergency to the current conflict in Iraq *Understanding Victory and Defeat in Contemporary War* will be of great interest to students of war and conflict studies security studies military history and international relations

And Impossible Victories Unlikely Battlefield Successes Introduction

In today's digital age, the availability of And Impossible Victories Unlikely Battlefield Successes books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of And Impossible Victories Unlikely Battlefield Successes books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of And Impossible Victories Unlikely Battlefield Successes books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing And Impossible Victories Unlikely Battlefield Successes versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, And Impossible Victories Unlikely Battlefield Successes books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing And Impossible Victories Unlikely Battlefield Successes books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for And Impossible Victories Unlikely Battlefield Successes books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, And Impossible Victories Unlikely Battlefield Successes books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
