What It Means to Pray Through Mother Elizabeth Juanita Dabney, 2012-07-03 Although little is known about Elizabeth Dabney's youth she often said she learned the value of prayer from her mother who always kept a family altar in their home. Mother Dabney sat down and documented for the world her detailed thoughts and experiences about really living a life devoted to prayer and what the resulting effects would be to personal ministry. Black Fire Reader Estrela Y. Alexander, 2013-04-26 This compendium of primary resources reflects the important but often overshadowed contribution of African American believers to the dynamic growth of the modern Pentecostal movement the fastest growing segment of global Christianity. The doctrinal statements, sermons, songs, testimonies, news articles as well as scholarly treatises included here allow black leaders, scholars, and laypeople to speak in their own voices and use their own language to tell us their stories and articulate the issues that have been important to them throughout the one hundred year history of this movement. Among the constant themes that continue to emerge is their appreciation of an empowering encounter with the Holy Spirit as the resource for engaging the dehumanizing racial reality of contemporary America.
