Understanding the Book of Revelation for This Generation Earl B. Schrock,2022-10-27 Attempting to understand and interpret Bible prophecy has been the goal of Bible students from every generation since the prophecies were first written read and made public Each succeeding generation interpreted Bible prophecy with the knowledge and mindset they possessed Each generation from the time the book of Revelation became available to the public attempted to make each prophecy personal applying it to themselves for the day in which they lived and experienced believing it applied to them living in the last days We all have absorbed accepted and have believed what we have been taught from those living in the generation before us Many people today are satisfied with the past interpretations and understandings of Bible prophecy which they learned from others and have no interest in seeking a possible better conclusion or prophetic interpretation But what about this generation Should we be content abiding beneath the understanding of the people which lived generations before us Unless a person sets aside preconceived ideas of Bible prophecy then what they have been taught by those who were taught by others will continue to believe and teach the same truth and errors to future generations We need to study the Bible for ourselves to be sure what we believe is the truth as per the Bible as it applies to our generation The timely day in which we live does not allow us to just accept the past opinion of others Who shall ascend into the hill of the LORD or who shall stand in his holy place He that hath clean hands and a pure heart who hath not lifted up his soul unto vanity nor sworn deceitfully He shall receive the blessing from the LORD and righteousness from the God of his salvation This is the generation of them that seek him that seek thy face O Jacob Selah Psalm 24 3 6 KJV BIBLE PROPHECY IT S ALL ABOUT WORSHIP Earl B Schrock *Beast's Beauty* Rena Marks,2018-08-06 Welcome to the world of Xeno Sapiens where humans have taken alien DNA and created new beings in underground labs One of those beings is Beast the strongest there is Beast s mate doesn t even know she s his Controlling his immense strength means he ll hold off on claiming her and thus scaring her But when humans take what s his all holds are off and he ll move heaven and hell to get her back Sunny has a hidden strength of her own A dangerous power that can sap the life energy the soul of another during high emotion She ll keep away because the last person she wants to hurt and the person she feels strongest about is Beast There may be more pain in fighting her desire than in defending his soul The story behind the series When futuristic Earth finds alien DNA and creates a new species of hybrids in hidden labs Dr Robyn Saraven helps the creatures escape She uses her connections to establish their own city on Earth Ground where they can learn grow and avoid the corruption and greed that created them Other books in the Genetically Altered Humans Series Book 1 Xeno Sapiens Book 2 Earth Ground Book 3 Siren Book 4 Beast s Beauty Book 5 Almost Human Book 6 Forbidden Touches Book 7 Coveting Ava Book 8 For Everly Book 9 Assassin s Mate Book 10 Sextet Book 11 Tempting Tempest Book 12 Falling For Trance Book 13 Damaged Goods Book 14 Alien s Bride Book 15 Dual
