Balancing Structural Power Samuel Schlichting, 2025-07-16 Great power politics has returned to the global stage It leads to complex balancing games among the leading countries of the world not only in terms of military power but also with regard to resources productive capacities infrastructure and narratives For Eurasia China s phenomenal rise is a political game changer Against the background of the Belt and Road Initiative BRI and China s ever increasing presence in the former post Soviet region of Central Asia this book develops the concept of Structural Power to adopt International Relations theory to the empirical reality of great power politics in the early 21st century Det. 25 Michael L. Haley MSG (Ret.)

USAR, 2023-01-18 When Sergeant First Class Haley and 35 other Soldiers in Detachment 25 deployed to Afghanistan on a mission to mentor the training and development of the Afghanistan National Army they did not know how chewed up the situation was Selected from volunteers within the Ninety Fifth Division the Army Reserve Drill Sergeants of Det 25 discovered that training the ANA was a joke Afghanistan was a toilet that needed to be flushed of its Taliban turds but that was never going to happen What did happen was that the entire world took a crap all over that country and left it more of a mess than it was before Operation Enduring Freedom began Nation building is a failure and the United States must never again attempt it anywhere else in the world Whenever someone tells the truth about military or political incompetence in the United States the government feigns plausible deniability or tries to suppress the truth This story tells the truth about a group of American heroes and legends who did not deserve a loss for their sacrifices Thanks to the worst president in American history the loss of American lives has become a joke Americans can only laugh about OEF because there is nothing else anyone can do now except to have faith hope and love **Transnational Data and Communications Report**, 1991
