After Marriage Rethinking Marital Relationships

Matthew Levering

After Marriage Rethinking Marital Relationships:

After Marriage Elizabeth Brake, 2016 This collection of essays by liberal and feminist philosophers addresses the question of whether marriage reform ought to stop with same sex marriage Some philosophers have recently argued that marriage is illiberal and should be abolished or radically reformed to include groups and non romantic friendships In response Simon May argues that marriage law can be justified without an illiberal appeal to an ideal relationship type and Ralph Wedgwood argues that the liberal values which justify same sex marriage do not justify further extension Other authors argue for new legal forms for intimate relationships Marriage abolitionist Clare Chambers argues that piecemeal directives rather than relationship contracts should replace marriage and Samantha Brennan and Bill Cameron argue for separating marriage and parenting with parenting rather than marriage becoming legally and socially the foundation of the family Elizabeth Brake argues for a non hierarchical friendship model for marriage Peter de Marneffe argues that polygamy should be decriminalized but that the liberal state need not recognize it while Laurie Shrage argues that polygamy could be legally structured to protect privacy and equality Dan Nolan argues for temporary marriage as a legal option while Anca Gheaus argues that marital commitments are problematic instruments for securing the good of romantic and sexual love Taken together these essays challenge contemporary understandings of marriage and the state's role in it After Marriage

Elizabeth Brake, 2016 Provides a collection of essays by liberal and feminist philosophers addressing the question of whether marriage reform ought to stop with same sex marriage Taken together these essays challenge contemporary understandings of marriage and the state's role in it From publisher description **The Routledge Companion to Social and Political Philosophy**

Why It's OK to Not Be Monogamous Justin L. Clardy, 2023-03-28 The downsides of monogamy are felt by most people

engaged in long term relationships including restrictions on self discovery limits on friendship sexual boredom and a circumscribed understanding of intimacy Yet a happily ever after monogamy is assumed to be the ideal form of romantic love in many modern societies a relationship that is morally ideal and will bring the most happiness to its two partners In *Why It s OK to Not Be Monogamous* Justin L Clardy deeply questions these assumptions He rejects the claim that non monogamy among honest informed and consenting adults is morally impermissible He shows instead how polyamorous relationships can actually be exemplars of moral virtue The book discusses how social and political forces sustain and reward monogamous relationships The book defines non monogamy as a privative concept a negation of monogamy Looking at its prevalence in the United States the book explains how common criticisms of non monogamy come up short Clardy argues as some researchers have recently shown monogamy relies on continually demonizing non monogamy to sustain its moral status Finally the book concludes with a focus on equality asking what justice for polyamorous individuals might look like

Philosophical Foundations of Children's and Family Law Elizabeth Brake, Lucinda Ferguson, 2018 This collection is the first of its kind to examine the ethical foundations of family law Topics include the value of marriage the scope of parental control rights the protection of children s interests and the role of religious freedom in the legal attitude to family relationships

Polygamy, Policy and Postcolonialism in English Marriage Law Zainab Batul Naqvi, 2023-01-25 Slaves mistresses concubines the English courts have used these terms to describe polygamous wives in the past but are they still seen this way today Using a critical postcolonial feminist lens this book provides a contextualized exploration of English legal responses to polygamy Through the legacies of British imperialism the book shows how attitudes to polygamy are shaped by indifference and hostility towards its participants This goes beyond the law as shown by the stories of women shared throughout the book negotiating their identities and relationships in the UK today Through its analysis the book demonstrates how polygamy and polygamous wives are subjected to imperialist and orientalist discourses which dehumanise them for practising a relationship that has existed for millennia

Core Concepts and Contemporary Issues in Privacy Ann E. Cudd, Mark C. Navin, 2018-04-03 This book offers a comprehensive investigation of privacy in the modern world It collects 16 papers that look at this essential topic from many facets from the personal to the technological from the philosophical to the legal The contributors examine such issues as the value of privacy protection the violation of spreading personal falsehoods the digital rights of children an individual s right to be forgotten from internet search engines and more The organization of the volume helps provide a nuanced understanding of this often controversial topic Coverage starts with key concepts before moving on to explore personal information privacy and the impact of new technologies Next the papers consider privacy in different contexts These include work sex family crime and religion This structure enables greater engagement with the difficult questions about privacy Readers will gain deep insight into the core concepts of privacy as well as its application to everyday life This interdisciplinary volume brings together an international team of scholars They

provide a broad combination of expertise in law philosophy and political science Overall this thought provoking examination will appeal to interested readers in both academia and practice

Free Exercise of Religion in the Liberal Polity Emily R. Gill, 2019-08-21 This book addresses the challenge of providing for the free exercise of religion without allowing religious exercise by some individuals and groups to impinge upon the conscientious convictions of others State neutrality toward religion is impossible because neutrality means inattention to religion for some but leveling the playing field through accommodations or exemptions for others Both formal and substantive neutrality have a place in addressing particular conflicts One such example is public funding for religiously affiliated social service programs for which neither type of neutrality is satisfactory and thus some restrictions are justifiable conversely private voluntary organizations that do not receive direct public funding should be allowed wide latitude regarding their practices This title also examines the expansive free exercise claims that are now made by those who argue that following the law impinges upon their beliefs as exemplified by the ministerial exception and the Hobby Lobby and Masterpiece Cakeshop Supreme Court cases It concludes by analyzing the relationship between neutrality and marriage as a civil status which impacts a variety of commitment types and plural marriage

Moving Past Marriage Jaclyn Geller, 2023-05-09 A must read for anyone who has felt they are at a disadvantage simply because they are single or unmarried Married Americans enjoy over 1 000 benefits and entitlements that are withheld from our non marital counterparts Health insurance immigration rights tax privileges such as the estate tax and hiring policies favor the married Marriage is subsidized and incentivized by the federal government Social customs such as blockbuster weddings subsidized honeymoons and gifts reserved for wedded couples reify matrimony as a centering norm and further the idea that marriage is best a commonplace in popular psychology where marriage averse people are often tarred as commitment phobes Despite this blatant and widespread prejudice non marital Americans non marital people have not galvanized as a group to demand equality and inclusion Why Moving Past Marriage argues that it is because of our troubled relationship to history As women s history once was non marital history has been buried so that the disenfranchisement that non marital people share in wedlock dominated societies as well as our remarkable far ranging achievements have been hard to spot In recovering our own history non marital people can become self aware as a group and begin to challenge marriage centric thinking and practice

The Scope and Limits of Partiality Diane Jeske, 2024 The Scope and Limits of Partiality takes as its starting point the fact that we demonstrate partiality toward those to whom we stand in intimate relationships a fact which presents both theoretical and practical challenges At the theoretical level Diane Jeske argues that we have fundamental reasons to care for our intimates but that that fact alone does not justify our practices of partiality This is because we also have fundamental reasons to care for persons in need be they intimates or strangers At the normative level she argues that our intimate relationships be they to other persons or to non human animals add great value to our lives and that public policy ought to acknowledge the great diversity of intimate relationships rather than

emphasizing romance and marriage in the way that it does In the theoretical half of the book Jeske defends the relationships view of reasons of intimacy against its primary competitors First Jeske argues that consequentialist attempts to accommodate partiality fail to address the fundamental issues regarding our reasons to care for intimates Second she argues that the main non consequentialist alternatives to the relationships view the projects view and the individuals view fail to present compelling cases against the relationships view In the normative half of the book Jeske offers a detailed picture of the intimate relationship of friendship arguing against views that over intellectualize or romanticize friendship by drawing upon her own lived experience of friendship She then considers our relationships to our companion dogs and cats showing that these relationships are unique sites for intimacy and thus for value Finally she turns to consider how intimacy is treated in the public sphere focusing on the special cultural and legal attention given to marriage and to how we ought to approach our intimate relationships and our reasons to care for our intimates in a highly imperfect world where so many people are deprived of the basic necessities of life

The Scope and Limits of Partiality presents a comprehensive account of intimacy and partiality in both theory and reality

Engaging the Doctrine of Marriage Matthew Levering, 2020-08-12 This book is the next volume in Levering's Engaging Doctrine series The prior volume of the series examined the doctrine of creation The present volume examines the purpose of creation the marriage of God and humans God created the cosmos for the purpose of the marriage of God and his people and through his people the marriage of God and the entire creation Given that the central meaning or prime analogate of marriage is the marriage of God and humankind the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme After a first chapter defending and explaining the biblical witness to the marriage of God and his people the book explores various themes marriage as an image of God original sin as the fall of the primordial marriage the cross of Jesus Christ and marital self sacrificial love the procreative and unitive ends of marriage marriage as a sacrament and marriage's importance for social justice and for the upbuilding of the kingdom of God Along the way the book provides an introduction to the key biblical patristic medieval modern and contemporary thinkers and controversies regarding the doctrine of marriage

Against Marriage Clare Chambers, 2017 Against Marriage argues that marriage violates both equality and liberty and should not be recognized by the state Clare Chambers shows how feminist and liberal principles require creation of a marriage free state one in which private marriages whether religious or secular would have no legal status Part One makes the case against marriage Chambers investigates the critique of marriage that has developed within feminist and liberal theory Feminists have long argued that state recognised marriage is a violation of equality Chambers endorses the feminist view and argues in contrast to recent egalitarian pro marriage movements that same sex marriage is not enough to make marriage equal The egalitarian case against marriage is the most fundamental argument of Against Marriage But Chambers also argues that state recognised marriage violates liberty including the political liberal version of liberty that is based on neutrality between

conceptions of the good Part Two sets out the case for the marriage free state Chambers criticizes recent arguments that traditional marriage should be replaced with either a reformed version of marriage such as civil partnership or a purely contractual model of relationship regulation She then sets out a new model for the legal regulation of personal relationships Instead of regulating by status the state should regulate relationships according to the practices they involve Instead of regulating relationships holistically assuming that relationship practices are bundled together in one significant relationship the marriage free state regulates practices on a piecemeal basis The marriage free state thus employs piecemeal practice based regulation It may regulate private marriages including religious marriages so as to protect equality But it takes no interest in defining or protecting the meaning of marriage Research Handbook on Legal Evolution Wojciech Zaluski,Sacha Bourgeois-Gironde,Adam Dyrda,2024-03-14 Adopting an evolutionary perspective this Research Handbook presents novel and cutting edge insights into the interdisciplinary field of legal evolution Engaging with various scientific approaches it provides a versatile analysis of legal evolution examining the field as a whole as well as in the context of specific branches of law **Families by Agreement** Brian Bix,2023-08-17 This book explores the increasing use of legal agreements to establish or alter family ties Approaches to Discourses of Marriage Laura L. Paterson,Georgina Turner,2023-09-26 How do people talk about marriage Who gets to do the talking When why where and how do these things change From the experiences of women forced to marry as children to those of older women who never married from investigations of cross border marriage applications to Christian pastors sermons on divorce from oppositional media discussions of same sex marriage to pro marriage equality protest signs this collection presents research from across the globe addressing the often shifting context specific ways that we talk about marriage Developed from the work of the UK based Discourses of Marriage Research Group and a two day conference drawing together scholars interested in talk of marriage and related topics this interdisciplinary volume brings together linguists psychologists and film makers and draws on data from the UK Germany Taiwan the US Belgium and Turkey It is intended both as a survey of some contemporary trends in research on marriage and as a foundation for further research The chapters in this book except for chapters 1 and 7 were originally published as a special issue of the journal Critical Discourse Studies This volume comes with a new introduction **The Doctrine of the Separate Spheres in Political Economy and Economics** Giandomenica Becchio,2024-02-29 This book delves into the doctrine of separate spheres within the history of economic thought The concept of separate spheres emerged in philosophy and has consistently been incorporated by various disciplines This book stands as the first comprehensive exploration of how this doctrine was embraced adapted and contested by economists engaged in gender issues and marriage theory Spanning the late eighteenth to the early twentieth century it illuminates the evolution of the drive for gender equality rooted primarily in the tradition of classical liberalism across the landscape of economic ideas and theories This book is a valuable resource for scholars and researchers interested in the intricate history

of the interconnections among between economic thought feminism gender studies and cultural studies *LGBTQ Divorce and Relationship Dissolution* Abbie E. Goldberg,Adam P. Romero,2019 LGBTQ Divorce and Relationship Dissolution Psychological and Legal Perspectives and Implications for Practice brings together social science and legal perspectives to examine the timely topic of relationship dissolution and divorce among sexual and gender minorities The Oxford Handbook of Feminist Philosophy Kim Q. Hall,Ásta,2021 Provides a thorough overview of the history impact and current state of feminist philosophy Eschews overly technical jargon in order to remain accessible to students and those without a strong background philosophy Introduces key debates and issues in feminist philosophy and explores its intersectionality Remains valuable to a readership that extends outside philosophy Book jacket Romantic Agency Luke Brunning,2024-04-24 This is a book for people energized by the possibilities of modern intimacy but who feel unsure about their own romantic lives Alternative lifestyles such as nonmonogamy while liberating in theory can feel remote in practice as we are fixed in place by insecurities and social pressures In *Romantic Agency* philosopher Luke Brunning encourages readers to think more deeply about what it means for relationships to not only work but flourish Guided by the thought that our abilities to be intimate cannot be taken for granted he argues that our romantic agency is fragile and best cultivated alongside other people Together we can become more realistic balance playfulness with integrity and value each other s flourishing Anyone can benefit from this exploration of intimate life regardless of their relationship status or romantic ideals Compelling and timely *Romantic Agency* is a groundbreaking account of love and relationships **The Routledge Handbook of the Philosophy of Childhood and Children** Anca Gheaus,Gideon Calder,Jurgen De Wispelaere,2018-07-20 Childhood looms large in our understanding of human life as a phase through which all adults have passed Childhood is foundational to the development of selfhood the formation of interests values and skills and to the lifespan as a whole Understanding what it is like to be a child and what differences childhood makes are thus essential for any broader understanding of the human condition The Routledge Handbook of the Philosophy of Childhood and Children is an outstanding reference source for the key topics problems and debates in this crucial and exciting field and is the first collection of its kind Comprising over thirty chapters by a team of international contributors the Handbook is divided into five parts Being a child Childhood and moral status Parents and children Children in society Children and the state Questions covered include What is a child Is childhood a uniquely valuable state and if so why Can we generalize about the goods of childhood What rights do children have and are they different from adults rights What if anything gives people a right to parent What role if any ought biology to play in determining who has the right to parent a particular child What kind of rights can parents legitimately exercise over their children What roles do relationships with siblings and friends play in the shaping of childhoods How should we think about sexuality and disability in childhood and about racialised children How should society manage the education of children How are children s lives affected by being taken into social care The Routledge

Handbook of the Philosophy of Childhood and Children is essential reading for students and researchers in philosophy of childhood political philosophy and ethics as well as those in related disciplines such as education psychology sociology social policy law social work youth work neuroscience and anthropology

After Marriage Rethinking Marital Relationships Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading After Marriage Rethinking Marital Relationships free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading After Marriage Rethinking Marital Relationships free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading After Marriage Rethinking

Marital Relationships free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading After Marriage Rethinking Marital Relationships. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading After Marriage Rethinking Marital Relationships any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About After Marriage Rethinking Marital Relationships Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. After Marriage Rethinking Marital Relationships is one of the best book in our library for free trial. We provide copy of After Marriage Rethinking Marital Relationships in digital format, so the resources that you find are reliable. There are also many Ebooks of related with After Marriage Rethinking Marital Relationships. Where to download After Marriage Rethinking Marital Relationships online for free? Are you looking for After Marriage Rethinking Marital Relationships PDF? This is definitely going to save you time and cash in something you should think about.
