Bright, 1901 **Year in a Lancashire Garden** ,1891 *A Year in a Lancashire Garden* Henry A. Bright, 2015-06-17 Excerpt from *A Year in a Lancashire Garden* This volume is but a collection of Notes which at the request of the editor I wrote month by month in 1874 for the columns of the *Gardeners Chronicle* They pretend to little technical knowledge and are I fear of but little horticultural value They contain only some slight record of a year s work in a garden and of those associations which a garden is so certain to call up As however I found that this monthly record gave pleasure to readers to whom both the garden and its owner were quite unknown I printed off some fifty copies to give to those whom I have the happiness to number among my friends and for whom a garden has the same interest that it has for me Four years have passed since then and I am still asked for copies which I cannot give About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
