The World's Creepiest Places Dr. Bob Curran,2011-10-15 There are some places in the world where humans quite simply should not go Not just haunted places but sites where ancient forces still hold sway We can recognize such locations by the responses they evoke within us that feeling we call the creeps But just where are these places and why do they terrify us In The World s Creepiest Places Dr Curran visits some of these sites looking at their history and traditions and exploring the creepy feeling they evoke in people who have been there His travels range widely from his native Ireland and through the empty deserts of the Middle East to the misty hills of Tibet and back through Europe to America He s not only looking for ghosts but also for sinister people vampires the living dead doorways to other worlds even venturing close to the Gates of Hell itself This is not just a ghostly travel book It s for those who want to explore the weird out of the way locations of our planet and test the boundaries of the reality many of us take for granted We dare you to take the journey with us [Buried](#)

[Lives](#) Robin Bury,2017-02-02 The early twentieth century saw the transformation of the southern Irish Protestants from a once strong people into an isolated pacified community Their influence status and numbers had all but disappeared by the end of the civil war in 1923 and they were to form a quiescent minority up to modern times This book tells the tale of this transformation and their forced adaptation exploring the lasting effect that it had on both the Protestant community and the wider Irish society and investigating how Protestants in southern Ireland view their place in the Republic today [Land](#)

[questions in modern Ireland](#) Fergus Campbell,Tony Varley,2016-05-16 This collection of essays explores the nature and dynamics of Ireland s land questions during the nineteenth and twentieth centuries and also the ways in which the Irish land question has been written about by historians The book makes a vital contribution to the study of historiography by including for the first time the reflections of a group of prominent historians on their earlier work These historians consider their influences and how their views have changed since the publication of their books so that these essays provide an ethnographic study of historians thoughts on the shelf life of books exploring the way history is made The book will be of interest to historians of modern Ireland and those interested in the revisionist debate in Ireland as well as to sociologists and anthropologists studying Ireland or rural societies *The British Aristocracy and the Modern World* Professor Miles

Taylor,Christopher Ridgway,2025-07-02 In the thirty five years since the publication of David Cannadine s *Decline and Fall of the British Aristocracy* 1990 the power of Britain s landed elite declined but they remain far from extinct One third of Britain s land still belongs to the aristocracy Moreover partly inspired by Cannadine s book we now know much more about the ways in which the aristocracy established their hold on modernity and how they have lasted so long Many key questions remain

How much was this a distinctively British story to what extent were things different in Scotland Wales and Ireland Does decline and fall accurately describe what happened to landed elites in other countries particularly in western Europe or amongst assimilated elites such as Jews Was the soft power of the aristocracy their role in the arts philanthropy and higher education as significant as their political and economic sway How dependent on the colonies and also the USA were the British aristocracy for their wealth in the first place and how did their role overseas change their profile at home This volume brings together a wide ranging group of scholars to explore The Decline and Fall developing its themes in new ways and investigating other aspects for the first time

Burning the Big House Terence Dooley, 2022-04-19 The gripping story of the tumultuous destruction of the Irish country house spanning the revolutionary years of 1912 to 1923 During the Irish Revolution nearly three hundred country houses were burned to the ground These Big Houses were powerful symbols of conquest plantation and colonial oppression and were caught up in the struggle for independence and the conflict between the aristocracy and those demanding access to more land Stripped of their most important artifacts most of the houses were never rebuilt and ruins such as Summerhill stood like ghostly figures for generations to come Terence Dooley offers a unique perspective on the Irish Revolution exploring the struggles over land the impact of the Great War and why the country mansions of the landed class became such a symbolic target for republicans throughout the period Dooley details the shockingly sudden acts of occupation and destruction including soldiers using a Rembrandt as a dart board and evokes the exhilaration felt by the revolutionaries at seizing these grand houses and visibly overturning the established order

Lost Mansions J. Raven, 2015-04-29 This provocative volume stimulates debate about lost heritage by examining the history of the hundreds of great houses demolished in Britain and Ireland in the twentieth century Seven lively essays debate our understanding of what is meant by loss and how it relates to popular conceptions of the great house
