Ventimiglia, 2016-09-22 Free to Run the Race describes the living out of our life in Christ Hebrews 12:1 It speaks of running with endurance the race that is set before us This can be done by fixing our eyes on Jesus Undoing the Burden of Parental Disregard speaks to a specific encumbrance that weighs the runner down making it harder to keep focus and finish the race The burden is called parental disregard It is not being allowed to be oneself to pursue one s inner direction or natural proclivity in one s life It is the experience of developmental woundedness that says being oneself in temperament aptitudes natural talents and the expressing of this is prohibited Prov 22:6 says train up a child according to his own way The burden of parental disregard is the emotional pain in living out an identity that is not based on any expression of one s natural way s or bent s This makes the development of trust in a heavenly Father parent difficult The relieving of this burden takes a ruthlessly honest focus on this woundedness and its working out its implications honestly that allows a more truthful understanding of God s love for our lives The Role of Faith and Religious Diversity in Educational Practices DeHart,

Jeremy McKim,2007-04-01 In a day when our churches look like country clubs with slick marketing campaigns Jeremy McKim urges us away from a democratized kingdom of self and toward the kingdom of God We have settled for safe and comfortable churchgoing while God beckons us toward risky and uncomfortable kingdom living With Doxa McKim shows that God s invitation is greater and more terrifying than any in all of history Why is ignoring God the riskiest thing you could possibly do today Is God intent on crushing your ego What is so unpatriotic and humiliating about worshiping God Why might a worthwhile churchgoing experience have little or nothing to do with our satisfaction Why is prayer a life threatening activity Allow yourself to be troubled and moved to action by these and other questions as you enter into a provocative and practical ten week journey of transformation discovery and kingdom advancement Discover that God has graciously chosen to display his glory in those who would simply hear and do Become the adopted son or daughter of the King whose unshakable kingdom is moving forward with or without you and answer his call to enter and participate in that kingdom *The Calling of God*

Britton,2018-05-16 Henri Nouwen wisely said The great illusion of leadership is to think that man can be led out of the desert by someone who has never been there Jesus has been there and knows how to lead us out but first he just may lead us in He meets us in the desert and does his best work in us there We look for an easier way in vain I myself reluctantly entered the desert and eventually received unimagined gifts there gifts I didn t ask for deserve or want gifts hidden in such painful loss that I despaired and yet looking back now these desert gifts were the best thing that ever happened to me I entered the desert and years later found my way out It s not a new way it was just new to me Jewish and Christian sages had been living it for thousands of years Somehow in recent generations we managed to forget it In this collection I mean to begin to make those riches available to you I m hoping that like me you ll discover something that you didn t know you wanted or needed and something now you wouldn t give up at any price **The Mercy Prayer** Robert Gelinas,2013-08-06 Lord have mercy A raw plea for intervention The most common prayer in the Bible And most remarkably a request that God has never failed to grant often in surprising ways that have radically transformed individual lives and the trajectory of history itself In The Mercy Prayer Robert Gelinas explores the richness of God s unfailing compassion by blending biblical insights with penetrating personal encounters and keen insight into familiar stories The result is a practical guide for receiving the mercy we all desperately need and letting it flow from us into the lives of others The Mercy Prayer reveals How God s abundant compassion is at the core of His character and was central to the earthly mission of Jesus The truth that simply praying the Mercy prayer and anticipating mercy s arrival can soothe a wounded soul and change a life from the inside out Practical ways to carry God s mercy into the muck and mire of a hurting world offering comfort and hope in the name of Christ How you can make the most frequent prayer in the Bible your most prayed prayer too by learning to pray with every breath you take and every beat of your heart The Mercy Prayer invites each of us to become a student of heavenly compassion and clemency to immerse ourselves in it to embrace the responsibility of seeing all life in view of God s mercy and to watch as this simple yet profound cry reshapes us and our world Everybody needs mercy When Forward Feels Backwards Jeff

Pitchford,2025-10-15 Susan Pitchford examines the ways in which followers of Christ have understood poverty of spirit and the traditions that have formed around their attempts to follow Jesus on this radical path Blessed are the poor in spirit Jesus said for theirs is the kingdom of heaven And we smile nod and think Lovely thought But if we re paying attention it s a shocking almost offensive thought The grieving the brokenhearted the marginalized the stigmatized all blessed all happy In **The Paradox of Poverty** Susan Pitchford examines the ways in which followers of Christ have understood poverty of spirit and the traditions that have formed around their attempts to follow Jesus on this radical path Over the centuries those who have heard Jesus have learned the truth of his promise that we will find the greatest happiness our deepest fulfillment the kingdom of heaven in fact our blessedness and our belovedness in the things that seem to impoverish our souls **TheParadox of Poverty** looks at some of the wisdom traditions that have formed this understanding the Scriptures the desert mothers and fathers the Franciscans liberation theologians the 12 Step movement and more At both individual and collective levels these traditions help us understand that varied kinds of poverty can become a blessing by bringing us to know our belovedness in God **Sports and Christianity** Nick J. Watson,Andrew Parker,2013 This interdisciplinary text examines the sports Christianity interface from Protestant and Catholic perspectives In addition to a systematic review of literature field pioneering contributors such

as Michael Novak Shirl Hoffman Joseph Price and Robert Higgs address a wide range of topics from the sporting world including biblical athletic metaphors disability evangelism professionalism and celebrity humility and pride genetic enhancement technologies stereotypes sport as art and British and American historical analyses of sport and Christianity Insightful chapters from Scott Kretchmar one of the world's leading philosophers of sport and Father Kevin Lixey the head of the Vatican's Church and Sport office 2004 add further depth and breadth to this book making it accessible and interesting to academic and practitioner audiences alike Within the context of this relatively new and rapidly expanding area of inquiry this collection provides a unique and important addition to the current literature for both undergraduate and postgraduate students and serves as a point of reference for scholars of theology and religious studies psychology health studies ethics and sports studies The book may also be of interest to physical educators and sports coaches who wish to adopt a more holistic and ethical approach to their work As modern sport is often intertwined with commercial and political agendas this book offers an important corrective to the win at all costs culture of modern sport which cannot be fully understood through secular ethical inquiry
