Reinhart, 2009-01-01 Following a general history of Lincoln film and television portrayals each work has an individual entry detailing cast production and release information and discussing the work's historical accuracy and artistic merits The book is illustrated with photographs of Lincoln actors dating from the earliest days Provided by publisher **The Life of Abraham Lincoln** William Eleazar Barton, 1925 **The Intimate World of Abraham Lincoln** C.A. Tripp, 2005-01-11 In *The Intimate World of Abraham Lincoln* C.A. Tripp offers a full examination of Lincoln's inner life and relationships that as Dr Jean Baker argues in the Introduction will define the issue for years to come The late C.A. Tripp a highly regarded sex researcher and colleague of Alfred Kinsey and author of the runaway bestseller *The Homosexual Matrix* devoted the last ten years of his life to an exhaustive study of Abraham Lincoln's writings and of scholarship about Lincoln in search of hidden keys to his character Throughout this riveting work new details are revealed about Lincoln's relations with a number of men Long standing myths are debunked convincingly in particular the myth that Lincoln's one true love was Ann Rutledge who died tragically young Ultimately Tripp argues that Lincoln's unorthodox loves and friendships were tied to his maverick beliefs about religion slavery and even ethics and morals As Tripp argues Lincoln was an invert a man who consistently turned convention on its head who drew his values not from the dominant conventions of society but from within For years a whisper campaign has mounted about Abraham Lincoln focusing on his intimate relationships He was famously awkward around single women He was engaged once before Mary Todd but his fiancée called off the marriage on the grounds that he was lacking in smaller attentions His marriage to Mary was troubled Meanwhile throughout his adult life he enjoyed close relationships with a number of men He shared a bed with Joshua Speed for four years as a young man and as Tripp details here he shared a bed with an army captain while serving in the White House when Mrs Lincoln was away As one Washington socialite commented in her diary What stuff This study reaches far beyond a brief about Lincoln's sexuality it is an attempt to make sense of the whole man as never before It includes an Introduction by Jean Baker biographer of Mary Todd Lincoln and an Afterword containing reactions by two Lincoln scholars and one clinical psychologist and longtime acquaintance of C.A. Tripp As

Michael Chesson explains in one of the Afterword essays Lincoln was different from other men and he knew it More telling virtually every man who knew him at all well long before he rose to prominence recognized it In fact the men who claimed to know him best if honest usually admitted that they did not understand him Perhaps only now when conventions of intimacy are so different so open and so much less rigid than in Lincoln s day can Lincoln be fully understood **Study a President ,**
