David Grimwald is a 21 old alpha of Blue Hounds Pack Even though he is 21 he didn't find his destined mate yet and waiting for her patiently Until one day he finds a rogue girl in the middle of the forest near the border of his territory He immediately realizes that this petite little girl is his mate But what was she doing there What is she running away from Mila is a little 18 year old orphan and wolfless slave of Beaufort Wolves Pack She escaped from her pack to avoid the threat on her life But she is not alone She is carrying a baby in her womb along What is the secret behind this baby Why is she running away from her pack in such a condition Who is the father of her child Will David accept her as his mate Will he accept the baby growing inside her Or will they both end up rejected and alone Read the full story to know more Oh baby You have no idea how badly I want to take you up in my room and devour your beautiful body My hands stopped wiping the floor and my head instantly snapped up to my mate whose face is now buried in that girl's neck Their bodies were too close to my comfort What did he just say Did he just offer her to have sex Can't he see me standing here Am I that invisible to him that he is offering another girl to sleep with him right in front of me I felt a part of my heart breaking at his words I know I insisted him to not get physical with me until we make our relationship official but it doesn't mean he is allowed to do that with someone else I am still his mate no matter what position our relationship is in I can see their actions moving towards the direction of the bedroom and I have to stop them before they cross their limits But how Suddenly an idea came into my head I know this is going to earn me some harsh punishment but at least I will keep my mate out of that girl's body this way With this thought I picked up the bucket filled with dirty water and pretended to slip right in front of them pouring all the water right on top of that girl's head What the fuck You bitch What did you do Ewe This is no nasty I have to take a shower right now I'm leaving But I will see you later for this My plan was a success She ran out of there as fast as she can to clean herself and there was finally a satisfied smile on my face in joy Mila Why did you do that I know you did that on purpose My smile vanished when I hear Ralph's angry voice for me I have something important to discuss with you Please meet me at the garden tonight I will be waiting Saying this I started cleaning the excess water of the floor by myself I wanted to talk to him right now but we can't afford to get caught So I offered him to meet me later He didn't say anything further and went to his room angrily Oh goddess Why did I get such a mate who doesn't understand me
