chapters within Spanish and Portuguese language world literature whether from Europe Latin America or other parts of the world No comprehensive survey of this area has been undertaken so far Yet only a broad focus of this kind can show how diasporic Jewish literatures have been and are while closely tied to their own traditions deeply intertwined with local and global literary developments and how the aesthetic praxis they introduced played a decisive formative role in the history of literature With this epistemic claim the volume aims at steering clear of isolationist approaches to Jewish literatures *A-E Library of Congress.
