Addicted to Busy Brady Boyd,2014-09-01 We are all spread too thin taking on more than we can handle trying to do so much almost as if we are afraid that if we were to take a moment of rest we might discover that all our busyness is covering up an essential lack in our lives But God never meant for us to be so busy God desires for us to have rest and peace Brady Boyd shows you how to live a life that embraces stillness and solitude so you can find the peace that God wants for you

The Key to Everything Matt Keller,2015-09-29 Change your life when you learn to cultivate the characteristic that is the key to success teachability Charisma wealth power Talent looks smart Charm guts hard work For eons attributes like these have stood as the surest indicators if not outright guarantees of success in life Not anymore While traditional traits still play important roles a lesser celebrated characteristic has risen to the top of the list teachability In today's rapidly changing world making our mark requires an insatiable desire and a tireless willingness to learn to unlearn and to relearn In short success requires teachability In *The Key to Everything* pastor and leadership consultant Matt Keller unpacks the varied aspects of this essential art drawing on ancient wisdom and modern insights from biblical heroes to current influencers such as John Maxwell Seth Godin and Dr Henry Cloud to show you the critical value of learning as if your lives depended on it For two decades Matt has worked with hundreds of influencers and he has learned that the greatest enhancer or greatest limiter to a person's success is whether someone is teachable With a blend of careful scholarship and comedic wit *The Key to Everything* is filled with stories quotes lessons applications and laugh out loud observations that will transform the way you approach life and leadership Teachability isn't something that some people are born with and others aren't it is a characteristic that you can learn and cultivate The only way to succeed in life is to possess teachability in an ever increasing fashion and *The Key to Everything* will help you begin to develop this essential skill

Speak Life Brady Boyd, 2016-09-01 Why do so many of our conversations with one another lead to misunderstanding and hurt feelings Brady Boyd turns to the example of Jesus Christ to show that the health of our conversations can be only as vibrant as the health of our interactions with God In **Speak Life**

Boyd explores How to tune into God in order to tune up your relationships How to listen to the Holy Spirit s guidance in conversation Why healthier self talk leads to better communication The biblical truths about your identity in Christ How to recognize and overcome the lies of the Enemy Written by a self proclaimed former gunslinger of painful words Speak Life will help you speak words not of recklessness but of restoration to God yourself and those you love [Path to Soul to Heal](#) Jono Roberts,2024-02-28 Path to Soul to Heal is a simple but powerful take on how the author healed their body even though Western medicine says there is no cure for autoimmune diseases Fortunately God told him the truth The body will heal when you align with me and I will guide you On this healing journey he celebrates the amazing connection that each one of us has with God and the universe He answers questions such as How can we properly nourish our physical bodies How can we overcome a state of fear How has humanity manipulated the Bible The author observes that we have a food system that does not care about health and a health system that does not care about food We are deliberately and constantly bombarded with toxins to keep us in a low vibrational state of fear hopelessness and sickness But by working with God we can achieve a type of healing that virtually everyone says is impossible Join the author as he celebrates what s possible when we look to the Lord for answers
