

Grade 10
Romeo and Juliet Scene-by-Scene Questions

The Prologue

1. In which northern Italian city is the play set?
Verona
2. What is the purpose of the prologue?
It introduces the play by outlining the basic plot and telling us that it will end in tragedy. The basic themes of love, fate, hatred and death are introduced. It also highlights the destructive role of the families' conflict and the power of love.
3. Describe how the mood is conveyed through specific phrases and words.
The references to 'death-marked love', 'fatal-loins' and the fact that we are about to embark on a 'fearful passage' tells the audience to expect something deeply tragic.
4. The prologue is written in the form of a sonnet.
 - a. Briefly discuss the structure of the sonnet and explain what type of sonnet this is.
It is an Elizabethan or Shakespearean sonnet. The 14 lines can be divided into three quatrains and a rhyming couplet.
 - b. Suggest why the use of this poetic form is appropriate for *Romeo and Juliet*.
Traditionally, sonnets are used by poets as a means of expressing and declaring their love. This play is a tragic love story and thus the sonnet form seems appropriate. It is set apart from the prose which begins in the first act.

Act 1:

Scene 1:

1. *Romeo and Juliet* is essentially a love story. Why do you think Shakespeare begins it with a violent street fight?
The scene holds the attentions of the audiences as it is full of violence and action. It gives immediate evidence of the feud which we have been told about in the prologue.
2. For which family do Gregory and Sampson work?
The Capulets
3. A pun is a play on words. It is a form of joking, using words which sound the same but have different meanings.
 - a. Write down the words in the first four lines which create the pun.
'coal'; 'collier'; 'choler' and 'collar'
 - b. What does Sampson mean when he says 'we'll not carry coals' in line 1?
He says that they will not be treated like lowly servants – carrying coal was considered a lowly and dirty task.
 - c. What does the word 'choler' mean?
'Choler' means 'anger'.
4. There are a number of bawdy jokes made in this scene.
 - a. What is the purpose of these?
They entertain the audience and reflect something of the nature of the characters. The bawdy jokes also contrast strongly with the purer love that will be seen between Romeo and Juliet.
