

## 2024 ECONOMICS 12 MACROECONOMICS ESSAYS (P1)

### A. CIRCULAR FLOW

#### 1. Discuss in detail the markets within the FOUR-SECTOR model. (28 marks)

##### INTRODUCTION

- ✓ **Market** is the mechanism that brings buyers and sellers together to exchange goods and services. ✓✓
- ✓ Markets coordinate economic activities and determine prices of goods and services. ✓✓

##### BODY

##### PRODUCT AND FACTOR MARKETS

##### Product market/Goods/Output markets ✓

- Product market is where goods and services are exchanged for money. ✓✓
- E.g. Shoprite retailer. ✓
- These are markets for consumer goods and services. ✓✓
- **In economics a distinction is made between goods and services:**
- Goods are defined as any tangible items such as clothing, food cars that satisfy human wants or need. ✓✓
- Capital and consumer goods are traded in these markets. ✓✓
- Capital goods market are trading buildings and machinery. ✓✓
- Consumer goods markets are trading durable consumer goods, semi-durable goods and non-durable goods. ✓✓
- Services are defined as non-tangible actions e.g. wholesalers and retailer, transport and financial markets. ✓✓

##### Factor market/Resource/Input markets ✓

- Factor market is where factors of production are traded. ✓✓ e.g. labour is hired and capital is borrowed. ✓✓
- Households sell factors of production in this market. ✓✓
- These services earn wages for labour, interest for capital, rent for natural resources and profits for entrepreneurship. ✓✓
- Labour can be bought and sold in this market. ✓✓
- Factor market includes labour, property and financial markets. ✓✓
  - ✓ Product markets and factor markets are related in the sense that the demand for factor services is a derived demand. ✓✓

Gutman, 2024-06-01 The ability to demonstrate that a specific health care profession provides valuable and effective services that meet society's health needs is a major objective for all health care academicians and researchers Such skills are critical to ensure service reimbursement from an increasingly small pool of health care dollars Demonstrating clinical effectiveness depends on the reporting of written research results through journal publication so that the health care community and larger society will be able to access and read evidence supporting health care services Today several clinical reporting standard guidelines have been created by researchers to enhance the ability of readers to evaluate the quality and value of studies Journal Article Writing and Publication is the first text to compile those clinical research reporting standards in one source and helps educators and novice researchers to better understand the skills needed for journal publication Health care researchers must begin using these reporting standards in order to write manuscripts that are both correctly formatted and transparently convey all critical study strengths and limitations Educators must teach these reporting standards to students who must evaluate research reports as consumers and possible future contributors to the literature through their own writing Journal Article Writing and Publication by Dr Sharon A Gutman a former editor of the American Journal of Occupational Therapy provides

specific guidelines based on the most commonly accepted reporting standards for the preparation and writing of general research studies intervention effectiveness studies instrument development and testing studies and case reports A section is devoted to helping authors understand the rules governing the reporting of statistical data in text and tables Separate sections help authors understand the manuscript preparation and submission process the revision process and the etiquette guiding communication with editors and reviewers Guidelines for the preparation of scholarly discussion papers and editorials are also provided Journal Article Writing and Publication also features a section that aims to help doctoral students and newly minted faculty turn academic work and dissertations into publishable journal articles Suggestions are provided to help clinicians turn clinical data into research databases that could serve as the foundation for pilot studies Finally information is provided to help authors better understand the ethical considerations of publication including plagiarism dual submissions inappropriate authorship copyright and conflict of interest World Media Ethics Robert S. Fortner,P. Mark Fackler,2017-08-07 Emphasizing the intertwined concepts of freedom of the press and social responsibility this is the first book to cover media ethics from a truly global perspective Case studies on hot topics and issues of enduring importance in media studies are introduced and thoroughly analyzed with particular focus on ones involving social media and public protest Written by two global media ethics experts with extensive teaching experience this work covers the whole spectrum of media from news film and television to advertising PR and digital media End of chapter exercises discussion questions and commentary boxes from a global group of scholars reinforce student learning engage readers and offer diverse perspectives

*Borderless Africa* Francis Mangeni,Andrew Mold,2024-04-18 The African Continental Free Trade Area established in 2018 represented a monumental step forward for Africa in terms of meeting longstanding aspirations for greater economic and political integration But it has nonetheless been met with scepticism in some quarters both within the continent and beyond *Borderless Africa* makes the case for the AfCFTA in an accessible and compelling way without shying away from technical and academic debates Francis Mangeni and Andrew Mold take us on a journey through the different dimensions and implications of the AfCFTA the largest free trade zone in the world starting with its underlying economic rationale Pointing to the numerous historical examples of successful regional integration they argue that the African continent will need to take on board such lessons as the agreement is implemented They discuss too the more controversial elements of the AfCFTA including the freedom of movement protocol contending that this should not be seen as an optional extra but as an intrinsic part of the accord Also exploring the role of external partners in the construction of an economically stronger more united Africa this fascinating study reveals how the AfCFTA is contributing to sustainable development across the continent

**Biggs on Finance, Economics, and the Stock Market** Barton Biggs,2014-03-17 Released to the public for the first time writings by the incomparable Barton Biggs Long considered one of the best brains on Wall Street Barton Biggs acquired the stature of a legend within his lifetime Among his many coups he accurately called the rise and fall of the dot com market

and was an energetic promoter of emerging markets including China well before American businesses began flocking there and he made vast fortunes for his clients in the process But as this fascinating book confirms it wasn't Biggs's genius as a market analyst and hedge fund manager alone that made him special The product of a keen and broad ranging intellect in full command of his subjects and the English language the letters compiled in this volume leave no doubt that Barton Biggs was one of the most interesting observers of Wall Street the financial world and the human comedy ever to set pen to paper Released from Morgan Stanley's archives and made public for the first time the letters compiled in this volume add new luster to Biggs's reputation as a first class finance author Address the most essential aspects of high frequency trading from formulation of ideas to performance evaluation Shares Biggs's fascinating insights and uncannily accurate predictions about an array of economic and financial topics liberally peppered with historical references and wry humor Organized thematically the letters showcase Barton Biggs's observations on finance economics and the stock market from 1980 to 2003

**Management** John R. Schermerhorn, Jr., Daniel G. Bachrach, 2020-02-05 Schermerhorn Management 14e continues to offer the same balanced theory approach as with previous editions Students need an active and engaged learning classroom environment that brings personal meaning to course content and the instructor's course objectives Schermerhorn communicates with students through rich timely features and cases that bring management topics theories and concepts to life The underlying goal is to translate foundation theories into lasting tools for students as they move beyond the classroom where their skills will be put to the test The Moral Economists Tim Rogan, 2019-03-19 A fresh look at how three important twentieth century British thinkers viewed capitalism through a moral rather than material lens What's wrong with capitalism Answers to that question today focus on material inequality Led by economists and conducted in utilitarian terms the critique of capitalism in the twenty first century is primarily concerned with disparities in income and wealth It was not always so The Moral Economists reconstructs another critical tradition developed across the twentieth century in Britain in which material deprivation was less important than moral or spiritual desolation Tim Rogan focuses on three of the twentieth century's most influential critics of capitalism R H Tawney Karl Polanyi and E P Thompson Making arguments about the relationships between economics and ethics in modernity their works commanded wide readerships shaped research agendas and influenced public opinion Rejecting the social philosophy of laissez faire but fearing authoritarianism these writers sought out forms of social solidarity closer than individualism admitted but freer than collectivism allowed They discovered such solidarities while teaching economics history and literature to workers in the north of England and elsewhere They wrote histories of capitalism to make these solidarities articulate They used makeshift languages of tradition and custom to describe them until Thompson patented the idea of the moral economy Their program began as a way of theorizing everything economics left out but in challenging utilitarian orthodoxy in economics from the outside they anticipated the work of later innovators inside economics Examining the moral cornerstones of a twentieth century critique of capitalism The

Moral Economists explains why this critique fell into disuse and how it might be reformulated for the twenty first century

*The Wealth of (Some) Nations* Zak Cope,2019-03-20 In this provocative new study Zak Cope makes the case that capitalism is empirically inseparable from imperialism historically and today Using a rigorous political economic framework he lays bare the vast ongoing transfer of wealth from the poorest to the richest countries through the mechanisms of monopoly rent unequal exchange and colonial tribute The result is a polarised international class structure with a relatively rich Global North and an impoverished exploited Global South Cope makes the controversial claim that it is because of these conditions that workers in rich countries benefit from higher incomes and welfare systems with public health education pensions and social security As a result the internationalism of populations in the Global North is weakened and transnational solidarity is compromised The only way forward Cope argues is through a renewed anti imperialist politics rooted in a firm commitment to a radical labour internationalism **The Progressive Revolution** Ellis
