At Night We Walk In Circles A Novel:

At Night We Walk in Circles Daniel Alarcón, 2013-10-31 LONGLISTED FOR THE DYLAN THOMAS PRIZE The breakout book from Daniel Alarcón one of the New Yorker's 20 best writers under 40 a breathtaking suspenseful search for the truth of one man's spectacular downfall *Mouth to Mouth* Antoine Wilson, 2023-01-17 A novel in which a successful art dealer confesses the story of his rise to a former classmate in an airport bar a story that begins with his rescue and resuscitation of a drowning man with whom he becomes inextricably and disturbingly linked **The Oxford History of the Novel in**

English Cyrus R. K. Patell, Deborah Lindsay Williams, 2024 An overview of US fiction since 1940 that explores the history of literary forms the history of narrative forms the history of the book the history of media and the history of higher education in the United States **The Best American Nonrequired Reading 2015** 826 National, 2015 Adam Johnson author of the Pulitzer Prize winning *The Orphan Master's Son* works with group of high school students out of 826 San Francisco to select the year's best new fiction nonfiction poetry comics and category defying gems aimed at readers 15 and up

Cartographies of Empire Myka Tucker-Abramson, 2025-03-18 The road novel is often dismissed as a mundane nostalgic genre Jack Sal and other tedious white men on the road trying to recapture an authentic youth and American past that never existed Yet new road novels appear every year tackling unexpected questions and spanning new geographies from Mexico Brazil Bulgaria Palestine Ukraine and former Yugoslavia Why did the road novel emerge and why does it persist What does it do and why has it traveled so widely Myka Tucker Abramson draws from an archive of more than 140 global road novels from over twenty countries challenging dominant conceptions of the road novel as primarily concerned with American experiences and subjectivities Grounding her analysis in materialist theories of genre world ecology and commodity frontier frameworks and post 45 American literary studies Tucker Abramson persuasively argues that the road novel is a genre specific to coterminous with and revealing of US hegemony's global trajectory Shifting our focus from Americanness to the fraught geopolitics of US Empire from the car to the built environment through which it moves and from passengers to those left behind Tucker Abramson remaps the road novel elucidating the genre's unique ability both to reveal the violent and vertiginous processes of capitalist modernization and to obfuscate these harsh truths through seductive narratives of individual success and failure *The Beast* Oscar Martinez, 2014-06-03 An Economist and Financial Times Best Book of the Year Harrowing true stories from two years of immersion reporting on the migrant trail from Chiapas to Arizona an honorable successor to enduring works like George Orwell's *The Road to Wigan Pier* New York Times One day a few years ago 300 migrants were kidnapped between the remote desert towns of Altar Mexico and Sasabe Arizona A local priest got 120 released many with broken ankles and other marks of abuse but the rest vanished scar Martinez a young writer from El Salvador was in Altar soon after the abduction and his account of the migrant disappearances is only one of the harrowing stories he garnered from two years spent traveling up and down the migrant trail from Central America and across the US

border More than a quarter of a million Central Americans make this increasingly dangerous journey each year and each year as many as 20 000 of them are kidnapped Mart nez writes in powerful unforgettable prose about clinging to the tops of freight trains finding respite work and hardship in shelters and brothels and riding shotgun with the border patrol Illustrated with stunning full color photographs *The Beast* is the first book to shed light on the harsh new reality of the migrant trail in the age of the narcotraficantes

At Night We Walk in Circles Daniel Alarcón,2013 Nelson s life is not turning out the way he hoped His girlfriend is sleeping with another man his brother has left their South American country leaving Nelson to care for their widowed mother and his acting career can t seem to get off the ground That is until he lands a starring role in a touring revival of *The Idiot President* a legendary play by Nelson s hero Henry Nunez leader of the storied guerrilla theater troupe Diciembre And that s when the real trouble begins

Tuesday Nights in 1980 Molly Prentiss,2016 Welcome to SoHo at the onset of the eighties a gritty not yet gentrified playground for artists and writers looking to make it in the big city Among them James Bennett a synaesthetic art critic for *The New York Times* whose unlikely condition enables him to describe art in profound magical ways and Raul Engales an exiled Argentinian painter running from his past and the Dirty War that has enveloped his country As the two men ascend in the downtown arts scene dual tragedies strike and each is faced with a loss that acutely affects his relationship to life and to art It is not until they are inadvertently brought together by Lucy Oliason a small town beauty and Raul s muse and a young orphan boy sent mysteriously from Buenos Aires that James and Raul are able to rediscover some semblance of what they ve lost

The Novel of Human Rights James Dawes,2018-09-12 James Dawes defines a new dynamic American literary genre which takes as its theme a range of atrocities at home and abroad This vibrant and modern genre incorporates key debates within the human rights movement in the U S and in turn influences the ideas and rhetoric of that discourse

Forms of Dictatorship Jennifer Harford Vargas,2018 An intra ethnic study of Latina o fiction written in the United States from the early 1990s to the present *Forms of Dictatorship* examines novels that depict the historical reality of dictatorship and exploit dictatorship as a literary trope This literature constitutes a new sub genre of Latina o fiction which the author calls the Latina o dictatorship novel The book illuminates Latina os central contributions to the literary history of the dictatorship novel by analyzing how Latina o writers with national origin roots in the Caribbean Mexico and Central and South America imaginatively represent authoritarianism The novels collectively generate what Harford Vargas terms a Latina o counter dictatorial imaginary that positions authoritarianism on a continuum of domination alongside imperialism white supremacy heteropatriarchy neoliberalism and border militarization Focusing on novels by writers such as Junot D az Hector Tobar Cristina Garc a Salvador Plascencia and Francisco Goldman the book reveals how Latina o dictatorship novels foreground more ubiquitous modes of oppression to indict Latin American dictatorships U S imperialism and structural discrimination in the U S as well as repressive hierarchies of power in general Harford Vargas simultaneously utilizes formalist analysis to investigate how Latina o writers mobilize the

genre of the novel and formal techniques such as footnotes focalization emplotment and metafiction to depict dictatorial structures and relations In building on narrative theories of character plot temporality and perspective Harford Vargas explores how the Latina o dictatorship novel stages power dynamics Forms of Dictatorship thus queries the relationship between different forms of power and the power of narrative form that is between various instantiations of repressive power structures and the ways in which different narrative structures can reproduce and resist repressive power

Radical Empathy in Multicultural Women's Fiction Lara Narcisi, 2023-07-25 Fiction provides the possibility for radical empathy by connecting us with strangers and *Radical Empathy in Multicultural Women's Fiction* From the Library to Liberation both analyzes and embodies this phenomenon by putting women novelists of color in conversation with one another Foregrounding the growing importance of intersectionality studies this book considers how race gender and class interact for each author In our increasingly fragmented national dialogue this approach is unique and timely demonstrating how novels can transform how we understand ourselves and act towards others Each chapter compares a contemporary female author to an earlier canonical author of her ethnic background depicting the dialogues that authors have across the decades Each conversation focuses on an intersectional question How has culturally enforced silence impacted Asian women writers How can the American road trip narrative provide Black men access to their pasts How do poverty and gentrification impact Chicana coming of age stories Finally the book facilitates a dialogue across ethnic categories considering what commonalities all women writers of color share in the contemporary United States and how their conversations can reach and impact readers to take the crucial step from empathy to action in their own communities

Imaginative Possibilities Maceo Montoya, Javier O. Huerta, 2024-11-05 Two decades into the twenty first century contemporary Latinx writers have established themselves within an evolving literary tradition *Imaginative Possibilities* collects interviews with some of these authors to explore the writers processes aesthetics creative trajectories and places within the larger body of Latinx literature The interviews address artistic professional and cultural issues including the building of intellectual communities the writing and publication process and the practical economics of making a living US Latinx writers discuss how they

navigate the overwhelmingly white publishing industry the academic book market higher education and MFA culture while exploring questions of representation hybridity and mestizaje Through these conversations a truth emerges Latinx literature speaks not with one voice but many

Other Americans Matthew Bush, 2022-10-04 Grounded in perspectives of affect theory *Other Americans* examines the writings of Roberto Bolaño and Daniel Alarcón films by Alfonso Cuarón Claudia Llosa Matt Piedmont and Joel and Ethan Coen as well as the Netflix serials *Narcos* and *El marginal* These widely consumed works about Latin America equally balanced between narratives produced in the United States and in the region itself are laden with fear anxiety and shame which has an impact that exceeds the experience of reception The negative feelings encoded in visions of Latin America become common coinage for US audiences shaping their ideological relationship with the region and performing an affective interpellation By analyzing the underlying melodramatic structures of these works that would portray Latin America as an implicit other Bush examines a process of affective comprehension that fomented an us them or north south binary in the reception of Latin America's globalized art

Historical Dictionary of U.S. Latino Literature Francisco A. Lomelí, Donald W. Urioste, María Joaquina Villaseñor, 2016-12-27 U.S. Latino Literature is defined as Latino literature within the United States that embraces the heterogeneous intergroupings of Latinos. For too long U.S. Latino literature has not been thought of as an integral part of the overall shared American literary landscape, but that is slowly changing. This dictionary aims to rectify some of those misconceptions by proving that Latinos do fundamentally express American issues, concerns and perspectives with a flair in linguistic cadences, familial themes, distinct world views and cross-cultural voices. The Historical Dictionary of U.S. Latino Literature contains a chronology, an introduction and an extensive bibliography. The dictionary section has cross-referenced entries on U.S. Latino authors and terms relevant to the nature of U.S. Latino literature in order to illustrate and corroborate its foundational bearings within the overall American literary experience. This book is an excellent access point for students, researchers and anyone wanting to know more about this subject.
