Dubeck,Yasmin Sitabkhan,Christopher Cumiskey,Devanshi Unadkat,2023-05-15 This paper contains a new analysis of gender differences in early grade reading and mathematics outcomes in 19 USAID funded studies over the past decade from 14 locations in Africa Asia Latin America and the Middle East The paper addresses gaps in the literature related to learning patterns for girls and boys in lower and middle income countries and in early primary school We analyzed the results from reading and mathematics assessments in grades 2 and 3 including differences in oral reading fluency ORF and quantitative comparison scores between boys and girls as well as differences in score distributions by gender In line with results from assessments in upper grades and in wealthier countries we found that girls consistently outperformed boys in reading In mathematics boys slightly outperformed girls although the differences were typically not large Global experience has shown that patterns in poor performance become more entrenched the further learners progress through the grades suggesting

that early interventions for boys in reading and girls in mathematics could have long term benefits At the same time both girls and boys typically score below expectations in the two subjects across countries necessitating targeted strategies to improve outcomes for both genders early in their educational trajectories Substance Misuse Prevention Program Attendance Marni L. Kan,Hsiu Chen Yeh, Lisa M. Schainker,Jessica Nelson,Samantha Charm,Cleve Redmond,Richard Spoth,2022-12-19 Typical life circumstances for military families may impact their participation in prevention programs yet little is known about what factors influence their participation The current study examined predictors of attendance in the Strengthening Families Program For Parents and Youth 10 14 for Military Families a universal in person program designed to improve family functioning and reduce youth substance misuse and other problem behaviors Participants included 159 parent child dyads randomly selected to be offered the 7 week family program Analyses examined demographic characteristics deployment experiences time spent waiting for the program to begin and psychosocial functioning as predictors of attendance in a series of regression models Of the 39 percent of families that attended any program sessions the majority 71 percent attended at least four of the seven sessions Attendance varied significantly across the geographic areas in which groups were held Prior service utilization youth conduct problem behavior parental history of deployment and family conflict were each positively associated with attendance whereas parent tobacco use was negatively associated with attendance These results highlight the challenges in recruiting military families into in person prevention programs and suggest that extra efforts may be needed to engage families that do not perceive that they have a need for support One Liner PEDAGOGY Master Course for CTET & STET's Paper 1 - Child Development, EVS, Mathematics, English & Hindi Languages | Based on Previous Year Questions PYQs | For CTET, State TET & Super TET Exams 2023 , One Liner PEDAGOGY Master Course for CTET 700 One Liners 4 English Language 7 Chapters 700 One Liners 5 Hindi Language 9 Chapters 700 One Liners In all the book contains around 5000 One Liners from 35 CTET 20 STET Papers The past CTET papers covered are 21 sets of CTET 2021 22 along with 14 more papers from 2011 2021 Thus 35 Papers in all The book further covers 20 past STET papers including UPTET REET UTET MPTET HTET BTET WBTET APTET Karnataka TET TNTET This book will not only help in quick revision and practice but will also define the syllabus and range of questions that can be asked in the pedagogy part of the various subjects in these exams In nutshell this is a must have book for all CTET STET and other Teaching based Examinations where the focus is on pedagogy **Oswaal One For All Olympiad Previous Years' Solved Papers Class 7 (Set of 6 Books) Maths, English, Science, Reasoning, Cyber & General Knowledge (For 2024-25 Exam)** Oswaal Editorial Board,2024-04-16 Description of the Product Crisp Revision with Concept wise Revision Notes Mind Maps 100% Exam Readiness with Previous Years Questions from all leading Olympiads like IMO NSO ISO Hindustan Olympiad Valuable Exam Insights with 3 Levels of Questions Level1 2 Achievers Concept Clarity with 500 Concepts 50 Concepts Videos Extensive Practice with Level 1 Level 2 Practice Papers **Examcart DSSSB General**
