**Tipping Point for Advanced Capitalism** D.W. Livingstone, 2023-09-07T00:00:00Z **Tipping Point for Advanced Capitalism** is a pathbreaking study of the changing class makeup of the Canadian other G7 and Nordic labour forces since the 1980s documenting especially the rise of non managerial professional employees The book provides unprecedented tracking of the links between employment classes and higher levels of class consciousness including the often hidden political consciousness of corporate capitalists as well as the extent of oppositional and revolutionary consciousness among non managerial workers The large differences exposed between class conscious capitalists and these non managerial workers on issues of poverty reduction and global warming reveal the strategic roles these key class agents play in actions to defend or transform advanced capitalism The most concerted evidence based study to bring class back into grasping the intimately linked ecological economic and political crises we now face

Griffler, 2014-07-11 The Underground Railroad an often misunderstood antebellum institution has been viewed as a simple combination of mainly white conductors and black passengers Keith P Griffler takes a new battlefield level view of the war against American slavery as he reevaluates one of its front lines the Ohio River the longest commercial dividing line between slavery and freedom In shifting the focus from the much discussed white led stations to the primarily black led frontline struggle along the Ohio Griffler reveals for the first time the crucial importance of the freedom movement in the river s port cities and towns Front Line of Freedom fully examines America s first successful interracial freedom movement which proved to be as much a struggle to transform the states north of the Ohio as those to its south In a climate of racial proscription mob violence and white hostility the efforts of Ohio Valley African Americans to establish and maintain communities became inextricably linked to the steady stream of fugitives crossing the region As Griffler traces the efforts of African Americans to free themselves Griffler provides a window into the process by which this clandestine network took shape and grew into a powerful force in antebellum America      The Indian News and Chronicle of Eastern Affairs ,1850
