Lindstrom,1961 *The Original Dr. Steve's Almanac of Christian Trivia* Steve Wilkens,2007-01-01

Why isn't Easter on the same day every year? Where did the song Kum Ba Yah come from and what exactly does it mean? Why don't we know exactly how to pronounce God's name? What's the definition of those theological words like eschatology, hermeneutics, supralapsarianism? Can I join the Fellowship of Christian Cowboys? Who was St. Patrick and is it true he wasn't Irish? How is it that nearly every hotel room has a Gideon's Bible? Steve Wilkens offers answers and reflections on these and scores of other questions in this thoroughly instructional and often amusing almanac of things you should have learned in Sunday School but somehow didn't. Also offered are quizzes on famous biblical phrases and definitions of theological terms. This volume is thoroughly instructional and totally fun. A great gift. Traditional Tunes and Lived Religion in the Protestant Church on the Central Moluccas, Indonesia, Jip Lensink, 2025-10-01. In the southeast of Indonesia, on the Moluccas, theologians are developing contextual theologies for the Moluccan Protestant church. The Moluccas were colonized by the Dutch for more than three centuries. As an effort of religious decolonization, Moluccan theologians aim to better connect Christianity with the cultural realities of congregants. This book is about the contextualization of church music. Christian Izaac Tamaela proposed and instigated the transposition of Moluccan traditional music to the Moluccan Protestant church. In the book, the author asks how traditional music, as framed within contextual Moluccan theology, is interrelated with lived religion. Vivid descriptions of liturgical practices, music traditions, and personal encounters map the entanglements between Moluccan culture, Moluccan Protestantism, and Moluccan music. The author traces the theological idea of traditional church music to lived religious practices and attitudes among ministers, musicians, and congregants. The resonances and dissonances of this process show the continuous transformation of Moluccan traditional music. For a selection of the audio-visual material, visit the website www.jiplensink.nl. Wake, Sleeper, Bryan Parys, 2015-10-08. In 1987, when Bryan Parys was four years old, his father Alfred pressed a record on a tape player next to his hospital bed. He began leaving messages for his wife, three children, and anyone who wanted to know why his terminal cancer at age thirty-eight wouldn't shake his faith. If God told me to walk into a fiery furnace, I'd do it, he said, perhaps knowing that he would not walk back out. In Wake, Sleeper, Parys tries to understand his

father's deathbed fire in the context of a Christian childhood that taught him about eternity Unspoken feelings of doubt lead Parys toward an inner life where he is allowed to question provoke and search for beauty in the void of grief Through the lens of his upbringing in a Christian school and the church that met in the school gymnasium that inner voice emerges in Wake Sleeper The grief of his past contrasts with the tension of his search to fit in told as a lyrical and often humorous meditation on time embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100%
