Cook,2007-09 Gary Cook author of *Stories For Small Angels* says I am under no illusion Children are not angels not even my own grandchildren However there occasionally comes a moment when children look a little like angels That moment comes when children are in their pajamas and ready for bed They are still and quiet as someone reads them a story or maybe they read it for themselves Their imagination comes alive and in their faces you can see the promise of their becoming what God created them to be In *Stories for Small Angels* Cook combines his knowledge of the Bible with his imagination and his experiences as a grandfather and the results are Christmas stories that will indeed encourage a child to experience one of those special almost angelic moments This book is an eLIVE book meaning each book contains a code to redeem a free audio book download from the Tate Publishing website **Science Fiction Stories** Edgar Rice Burroughs,2015-11-04 The gymnasium was packed as Jimmy Torrance stepped into the ring for the final event of the evening that was to decide the boxing championship of the university Drawing to a close were the nearly four years of his college career profitable years Jimmy considered them and certainly successful up to this point In the beginning of his senior year he had captained the varsity eleven and in the coming spring he would again sally forth upon the diamond as the star initial sacker of collegedom His football triumphs were in the past his continued baseball successes a foregone conclusion if he won to night his cup of happiness and an unassailably dominant position among his fellows would be assured leaving nothing more in so far as Jimmy reasoned to be desired from four years attendance at one of America s oldest and most famous universities The youth who

would dispute the right to championship honors with Jimmy was a dark horse to the extent that he was a freshman and therefore practically unknown He had worked hard however and given a good account of himself in his preparations for the battle and there were rumors as there always are about every campus of marvelous exploits prior to his college days It was even darkly hinted that he was a professional pugilist As a matter of fact he was the best exponent of the manly art of self defense that Jimmy Torrance had ever faced and in addition thereto he outweighed the senior and outreached him The boxing contest as the faculty members of the athletic committee preferred to call it was from the tap of the gong as pretty a two fisted scrap as ever any aggregation of low browed fight fans witnessed The details of this gory contest while interesting have no particular bearing upon the development of this tale What interests us is the outcome which occurred in the middle of a very bloody fourth round in which Jimmy Torrance scored a clean knock out **Boys' Life** ,1951-10 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting Catalogue of English Prose Fiction, Including Juveniles and Translations Brooklyn Public Library,1894 **The Best in Children's Books** Zena Sutherland,1973 Reviews 1 400 books for children chosen as the best published during the years 1966 1972 *Class List for English Prose Fiction* Boston Public Library,1877
