Citizenship Denis Lawton,Jo Cairns,Roy Gardner,2004-11-15 There is now broad agreement that citizenship should form an important part of the curriculum And that broadly is where the agreement ends yet busy practitioners have to teach

citizenship effectively now Education for Citizenship is based on the assumption that theory needs to be related to practice and that there is already a wealth of good practice from which we can learn Teaching Citizenship in the Secondary

School James Arthur,Daniel Wright,2013-10-18 This text supports student teachers NQTs and practitioners in implementing

the Citizenship Order in secondary schools to be introduced in September 2002 With a practical clear focus the authors provide an intellectual challenge argument and evidence to help the reader come to an informed view on the complex and controversial issues in each chapter well focused examples and strategies for use in the classroom *Jss Civic Education* Ibiyemi Oyeneye, Michael Onyenwenu, Robert Akaniro, 2013-08-26 Civic Education for Junior Secondary Schools is an exceptional course in Civic Education for Junior Secondary School Students The course has been written in full compliance with the Basic Education curriculum provided by the Nigerian Educational Research and Development Council and should fully equip the students for the Junior Secondary School Examination Every book in the course has been written in simple language to make it easy for the JS Students to understand Each topic in every book has been fully developed with examples the students can easily grasp and identify with Very clear apt pictures have also been used to illustrate the lessons in the books The authors are highly experienced teachers and WAEC NECO examiners who have also authored several highly successful Secondary School textbooks **A Practical Guide to Teaching Citizenship in the Secondary School** Liam Gearon, 2006-11-22 Ideal for students and NQTs this practical and accessible workbook is designed to develop basic teaching skills and increase teachers knowledge and understanding of teaching citizenship Filled with practical activities and materials to encourage users to analyze their own learning and performance and underpinned with research findings this personal workbook can be written in directly to provide a useful record of progress It also includes case studies examples of current good practice and a range of tried and tested strategies for inspiration and guidance Complementing Learning to Teach Citizenship in the Secondary School this workbook can be used as part of an integrated course or independently as a standalone self study book **A Practical Guide for Integrating Civic Responsibility Into the Curriculum** Karla Gottlieb, Gail Robinson, 2006-06-30 From Preface This curriculum guide evolved from a national service learning project of the AACC Recognizing that an intentional civic responsibility component was missing from many service learning initiatives AACC selected six colleges from around the country to participate in a pilot project whose purpose was to identify service learning strategies to boost civic engagement and foster civic responsibility among community college students **Becoming Active Citizens** Tom Driscoll, Shawn W. McCusker, 2023 **Civic Education in the Elementary Grades** Dana Mitra, Stephanie C. Serriere, 2015 As former elementary school teachers the authors focus on what is possible in schools rather than a romantic vision of what schools could be Based on a 5 year study of an elementary school this book shows how civic engagement can be purposive and critical a way to encourage young people to examine their environment to notice and question injustices and to take action to make a difference in their communities and school Focusing on the intersection of student voice and critical inquiry the book describes how to embed civic engagement into curriculum school decision making processes and whole school activities Chapters provide an overview of what research has demonstrated about civic engagement at the classroom school and community levels including detailed descriptions of activities and lessons for practice Classroom

teachers school principals community members and teacher educators can use this resource to foster a deeper richer understanding of what is entailed in civic life Book Features A vivid portrait of a typical public school that wants to do more than teach to the test An examination of the conditions that enable young people to participate in democratic practices including identifying and questioning injustices Concrete examples of student voice and critical inquiry in classroom contexts Practices and activities that encourage children to get along with others exchange perspectives and work across differences Offers a suggestive range of evidence that high quality civic engagement initiatives can enhance students academic social and emotional engagement It reveals the nitty gritty of how experienced teachers can enable children who are immersed in meaningful civic work also to engage more deeply with mathematical problem solving peer collaboration literacy and social studies learning and development of empathy and mutual trust From the Foreword by Meira Levinson Mitra and Serriere show us not only that elementary aged children are capable of civic engagement but how such engagement can be nurtured in the classroom Children can be active civic participants this book demonstrates both the power of this idea and how we might accomplish this essential task Beth C Rubin Rutgers University

Social Literacy, Citizenship Education and the National Curriculum James Arthur, Jon Davison, William Stow, 2014-04-04 This timely book looks at social literacy within the revised National Curriculum which places an obligation on schools and teachers to promote social cohesion community involvement and a sense of social responsibility among young people Social Literacy Citizenship Education and the National Curriculum is an introduction to the social purposes and aims contained in the revised National Curriculum It provides the theory behind the movement for social literacy as well as providing information for teachers lecturers and policy makers on putting the government's ideas into practice
