Speech Content

Good afternoon, esteemed students, dedicated teachers, staff, and honored guests, As we gather here today for the closing ceremony of this school year, I am filled with a deep sense of pride and joy. It's a time to celebrate our collective achievements and to reflect on the journey we've shared.

I'd like to begin by expressing my heartfelt gratitude to all of our students. Your hard work, creativity, and enthusiasm have made this year a remarkable one. You have not only excelled academically but have also shown great spirit in extracurricular activities. Your achievements are a testament to your dedication and perseverance.

To our devoted teachers and staff, your commitment and guidance have been the cornerstone of our students' success. You have not only imparted knowledge but have also nurtured and inspired our young minds. Your tireless efforts in creating a supportive and stimulating learning environment are greatly appreciated.

Concepts of Aesthetic Education Yasuo Imai, Christoph Wulf, 三浦 雅生/イマイ ユーゾ, 2005 **Appearances and Activities of Leading Chinese Officials**, 1978 Appearances and activities of leading Chinese officials during 1978, 1979 *Six Bosnian Marks* John Friesen, 2014-12-31 Life is seemingly only a feeling and nothing more Unfortunately some have to learn that the hard way Following the tragic loss of a sister which some hold him accountable for the collapse of his family the sudden calling off of a wedding a suicide attempt some combat in Afghanistan a bank robbery and a stint in Alcoholics Anonymous a young and successful architect and aspiring artist clashes with the thoughts that hes always believed kept him safe and protected and with a feel thats constantly confirming to him that his life has become worse than death itself After deciding to leave his home country of Canada and to withdraw from his career and secure way of life he heads off to France which ultimately turns into an unexpected journey that takes him throughout Europe and into Asia where he stumbles across numerous characters including a South American pet monkey of an ex soldier transport truck fanatic from Bhutan who all lead by example and inadvertently teach him how to acquire the feel that could finally make his dreams come true Yet before that happens he gets mixed up with an unpredictable on stress leave madman banker from Doha Qatar who takes him and even the monkey hostage and drags them to Bosnia and beyond During the course of this journey the architect realizes that getting as close to death as possible without experiencing it and seeing the world as a mere theatre are the only ways for him to possibly reverse his fortunes and to obtain the feel thats not only capable of painting the portrait of his visions but also strong enough to see his destructive train of thoughts come to a crashing end Political Agendas for Education Joel Spring, 2014-03-26 The Fifth Edition of Joel Spring s ongoing documentation and analysis of political agendas for education reflects the major political issues in education since 2008 This edition focuses on the education sections of the 2012 Republican Democratic Green and Libertarian Party platforms Taking a fresh look at the social and political forces educational research and ideologies shaping the educational agendas of these political parties and a comparative approach the book stimulates reflection and discussion New coverage in the Fifth Edition includes The political coup called Race to the Top Common Core State Standards and national testing based on the Standards Explosion of online instruction Debates about teacher evaluations and merit pay Growing for profit education industry New agenda for American Education Constitutional amendment long life and happiness environmental education Political Agendas for Education is essential reading for courses dealing with the politics of education foundations of education educational leadership and curriculum studies and for educational scholars professionals policymakers and all those concerned with the politics of education in the U S and its consequences for schools and society On Jordan's Banks Darrel E. Bigham, 2021-12-14 The story of the Ohio River and its settlements are an integral part of American history particularly during the country s westward expansion The vibrant African American communities along the Ohio s banks however have rarely been studied in depth Blacks have lived in

the Ohio River Valley since the late eighteenth century and since the river divided the free labor North and the slave labor South black communities faced unique challenges In *On Jordan's Banks* Darrel E Bigham examines the lives of African Americans in the counties along the northern and southern banks of the Ohio River both before and in the years directly following the Civil War Gleaning material from biographies and primary sources written as early as the 1860s as well as public records Bigham separates historical truth from the legends that grew up surrounding these communities The Ohio River may have separated freedom and slavery but it was not a barrier to the racial prejudice in the region Bigham compares early black communities on the northern shore with their southern counterparts noting that many similarities existed despite the fact that the Roebling Suspension Bridge constructed in 1866 at Cincinnati was the first bridge to join the shores Free blacks in the lower Midwest had difficulty finding employment and adequate housing Education for their children was severely restricted if not completely forbidden and blacks could neither vote nor testify against whites in court Indiana and Illinois passed laws to prevent black migrants from settling within their borders and blacks already living in those states were pressured to leave Despite these challenges black river communities continued to thrive during slavery after emancipation and throughout the Jim Crow era Families were established despite forced separations and the lack of legally recognized marriages Blacks were subjected to intimidation and violence on both shores and were denied even the most basic state supported services As a result communities were left to devise their own strategies for preventing homelessness disease and unemployment Bigham chronicles the lives of blacks in small river towns and urban centers alike and shows how family community and education were central to their development as free citizens These local histories and life stories are an important part of understanding the evolution of race relations in a critical American region *On Jordan's Banks* documents the developing patterns of employment housing education and religious and cultural life that would later shape African American communities during the Jim Crow era and well into the twentieth century
