Esnard, 2024-09-05 This book offers a treatment of social justice and higher education within small island developing states like the Caribbean This is a timely exploration of some of the global local structure actor policy practice debates that connect directly to the promise and the challenges of pursuing social justice agendas within and beyond Caribbean institutions of higher education In this book the key points of examination are the i changing patterns within the global higher education landscape emerging mandates for university systems ii the perspectives and challenges for diverse student and staff populations and iii the ways in which these collectively impact social justice agendas within institutions of higher education The contextualization and politicization of these issues within the broader discourse of small island developing states deepens the understanding of the prospects and challenges of addressing social injustices within the contemporary landscape but with some re engagement of existing conceptions and theorizations related to inclusivity diversity equity ontology coloniality postcolonial and critical race theory to inform how actors within these institutions can strategically respond It will be vital reading for scholars and educational researchers with interests in higher education social justice and small island developing states SIDS *Handbook of Death and Dying* Clifton D. Bryant, 2003-10 Dying is a social as well as physiological phenomenon Each society characterizes and consequently treats death and dying in its own individual ways ways that differ markedly These particular patterns of death and dying engender modal cultural responses and such institutionalized behavior has familiar economical educational religious and political implications The Handbook of Death and Dying takes stock of the vast literature in the field of thanatology arranging and synthesizing what has been an unwieldy body of knowledge into a concise yet comprehensive reference work This two volume handbook will provide direction and momentum to the study of death related behavior for many years to come Key Features More than 100 contributors representing authoritative expertise in a diverse array of disciplines Anthropology Family Studies History Law Medicine Mortuary Science Philosophy Psychology Social work Sociology Theology A distinguished editorial board of leading scholars

and researchers in the field More than 100 definitive essays covering almost every dimension of death related behavior Comprehensive and inclusive exploring concepts and social patterns within the larger topical concern Journal article length essays that address topics with appropriate detail Multidisciplinary and cross cultural coverage *The Routledge Handbook of Mesoamerican Bioarchaeology* Vera Tiesler,2022-05-23 This volume brings together a range of contributors with different and hybrid academic backgrounds to explore through bioarchaeology the past human experience in the territories that span Mesoamerica This handbook provides systematic bioarchaeological coverage of skeletal research in the ancient Mesoamericas It offers an integrated collection of engrained bioculturally embedded explorations of relevant and timely topics such as population shifts lifestyles body concepts beauty gender health foodways social inequality and violence The additional treatment of new methodologies local cultural settings and theoretic frames rounds out the scope of this handbook The selection of 36 chapter contributions invites readers to engage with the human condition in ancient and not so ancient Mesoamerica and beyond The Routledge Handbook of Mesoamerican Bioarchaeology is addressed to an audience of Mesoamericanists students and researchers in bioarchaeology and related fields It serves as a comprehensive reference for courses on Mesoamerica bioarchaeology and Native American studies [Subject Guide to Children's Books in Print 1997](#) Bowker Editorial Staff,R R Bowker Publishing,1996-09 *Handbook to Life in the Ancient Maya World* Lynn V. Foster,2005 This comprehensive and accessible reference explores the greatest and most mysterious of civilizations hailed for its contributions to science mathematics and technology Each chapter is supplemented by an extensive bibliography as well as photos original line drawings and maps **Classic Maya Provincial Politics** Lisa J. LeCount,Jason Yaeger,2010-09-15 Most treatments of large Classic Maya sites such as Caracol and Tikal regard Maya political organization as highly centralized Because investigations have focused on civic buildings and elite palaces however a critical part of the picture of Classic Maya political organization has been missing The contributors to this volume chart the rise and fall of the Classic Maya center of Xunantunich paying special attention to its changing relationships with the communities that comprised its hinterlands They examine how the changing relationships between Xunantunich and the larger kingdom of Naranjo affected the local population the location of their farms and houses and the range of economic and subsistence activities in which both elites and commoners engaged They also examine the ways common people seized opportunities and met challenges offered by a changing political landscape The rich archaeological data in this book show that incorporating subject communities and people and keeping them incorporated was an on going challenge to ancient Maya rulers Until now archaeologists have lacked integrated regional data and a fine grained chronology in which to document short term shifts in site occupations subsistence strategies and other important practices of the daily life of the Maya This book provides a revised picture of Maya politics one of different ways of governing and alliance formation among dominant centers provincial polities and hinterland communities **As the Gods Kill** Andrew K. Scherer,2025 An exploration of war violence and sacrifice in

precolonial Maya culture and its importance in religious practices      *A Field Guide to Tropical Plant Families* Roland Keller, 2023-03-12 This book provides an identification system permitting recognition of plant families in all seasons by means of morphological and macroanatomical features which are easily observable such as bark exudates stems and leaves characters Studies of forest vegetation may differ in their underlying objectives but they all require taxonomic knowledge The process of taxonomy begins with an inventory of the flora which has been based to a large extent on reproduction related organs such as flowers and fruits But those are often difficult to observe and may not exist in the field at a given time Unlike most such guides or keys this book can be used anywhere in the tropics and provides in a straightforward two or three step process identification to the level of families which are now circumscribed according to molecular as well as morphological characters in the universally accepted scheme of the Angiosperm Phylogeny Group Plant architecture is not a prerequisite theme for plant identification however we think that an introduction to this subject is not out of place in this book architectural traits are taxonomically sound it is now time for botanists working in the tropics to have an idea on how the whole organism keeps growing Within the family accounts there is information concerning important economic plants with notes on the larger genera and particularly helpfully discussion of families readily confused and how to separate them Descriptions of the families rely on short diagnosis bolstered by many photographic pictures lines drawings and extracts from the author s field books all showing features of plants as they are found in the forest      UNIMARC Manual Alan Hopkinson, 2008-12-18 The third edition succeeds the fifth update of second edition One of the main features has been the adoption of new and revised international standards notably the International Standard Identifier for Libraries and Related Organizations the ISBN 13 and the linking ISSN New fields have been added for recording the Persistent Record Identifier Uniform Conventional Headings for Legal and Religious texts are now catered for with separate fields A number of fields have been revised archival materials manuscripts and documentation produced by the ISSN International Centre
