one of my ancestors was cast out by the Catholic Church and had been prosecuted for some unknown violation This resulted in him having to pay the church an annual tithe of a man s weight in wheat What his misdemeanour was I cannot say but he was certainly very wealthy and his daughter married well so it must have been a personal crime against the Church Was he a heretic or Cathar even though officially they had all been killed in Mons gur 200 years before This question started me on my journey A year before I started this work I read both Dan Brown and Angels Demons by Dan Brown These books were certainly an influence on me Like him I have been fascinated for many years by the rumour or myth that Mary went to France and that Jesus had a descendant Like Brown and many others I speculate that the Cathars did in fact smuggle a great treasure out of Mons gur castle under the noses of the Royalist besiegers I also speculate on what that treasure might be and how it might affect our lives if it were discovered in the modern age I wanted deeper characterisation I wanted to write something more than a mere fantasy Some of my characters are world weary but all have the tell tale footprints of life all over them Lastly I wanted the gothic The themes of blood death eroticism sex and transcendence are all things that I desire in a good novel My influences were Kate Bush The Mission Lord Byron John Keats The Eve of St Agnes is a particularly favourite poem of mine and to some extent Tolkien s Lord of the Rings Sex and death are the themes that everyone seems attracted to As a consequence I couldn t resist a climax to my novel that took place in one of the world s greatest Gothic masterpieces But you will have to read the novel to find out where Grab your copy today Categories Free puzzles sci fi dystopia thriller sci fi alien gods replicants genes clones atomic bomb Hitler Asimov Blade Runner Phillip K Dick Arthur C Clarke deity Starship Troopers Paths of Glory Cross of Iron Gears of War Kirk Douglas Los Alamos alien contact Jupiter iron cross medal valour visionary V2 Oppenheimer Manhattan Project Niels Bohr Lost Starship plutonium uranium enrichment gallant erotic Dan Brown Ann Rice Templar sword Vampire hunter werewolf custom full moon werewolf full moon holy grail cup holy grail chalice quest for the holy grail assassins creed book angel has fallen angels and demons medieval helmet witcher sword ancient egypt novels ancient history fiction black holes and time warps anubis book wormhole books **New York** ,2005 [PEN America 14: The Good Books](#) , **Bullies, Bastards And Bitches** Jessica Page Morrell,2008-07-14 Get to Know Your Character s Sinister Side A truly memorable antagonist is not a one dimensional super villain bent on world domination for no particular reason Realistic credible bad guys create essential story complications personalize conflict add immediacy to a story line and force the protagonist to evolve From mischief makers to villains to arch nemeses Bullies Bastards Bitches shows you how to create nuanced bad guys who are indispensable to the stories in which they appear Through detailed instruction and examples from contemporary bestsellers and classic page turners author Jessica Page Morrell also shows you how to Understand the subtle but key differences between unlikeable protagonists anti heroes dark heroes and bad boys Supply even your darkest sociopath with a sympathetic attribute that will engage readers Set the stage for an unforgettable standoff between your hero and your villain Choose the right type of female villain femme fatale mommy
