

The background of the cover is a dark, cosmic scene. At the top, a large, complex, metallic structure resembling a space station or a massive probe is visible, with various panels and lights. Below it, a large, glowing, spherical object, possibly a planet or a large moon, is partially obscured by a bright, vertical light beam that extends from the top to the bottom of the cover. In the foreground, a smaller, dark, spherical object, likely Earth, is shown with a thin white line of light passing through its center. The overall color palette is dominated by dark blues, purples, and blacks, with bright yellow and white highlights from the light beam and the title text.
