THE EARTH S REAL LANDLORDS ARE

SURFACING HERE NOW From the darkly fantastic worlds of H P Lovecraft s world famous Cthulhu Mythos comes a grimly compelling novel of the Ultimate War between men and monsters spawned in Hell For millennia men have strutted in puny pride over the fragile surface of the Earth arrogantly proclaiming themselves masters of creation But now their feeble investigations have disturbed the planet s original rulers far beneath the globe s crust And mankind s placid dreams are about to be wrenched into shattering nightmare They were here before man evolved They are older than our oldest legends predating the very dinosaurs They call to use in our dreams and make us do things They are THE BURROWERS BENEATH And they re surfacing right now Right here **Necroscope!** Brian Lumley,2013-04-23 DEAD MEN TELL NO TALES Except to Harry Keogh Necroscope And what they tell him is horrifying In the Balkan mountains of Rumania a terrible evil is growing Long buried in hallowed ground bound by earth and silver the master vampire schemes and plots Trapped in unlife neither dead nor living Thibor Ferenczy hungers for freedom and revenge The vampire s human tool is Boris Dragosani part of a super secret Soviet spy agency Dragosani is an avid pupil eager to plumb the depthless evil of the vampire s mind Ferenczy teaches Dragosani the awful skills of the necromancer gives him the ability to rip secrets from the mind and bodies of the dead Dragosani works not for Ferenczy s freedom but world domination he will rule the world with knowledge raped from the dead His only opponent Harry Keogh champion of the dead and the living To protect Harry the dead will do anything even rise from their graves **Necroscope: The Touch** Brian Lumley,2013-03-18 Malevolent aliens the Mordri Three decide to become so evil that God himself will have to stop them They can alter flesh with a simple touch literally turning people inside out or seeding them with cancer The Three have already destroyed an entire solar system and most of their own race Their next targets mankind and Earth On Earth Scott St John is mourning his wife when he is struck by a golden arrow of light a fragment of the soul of Harry Keogh the original Necroscope and gains powers he does not understand A mysterious beautiful woman appears desperately trying to warn Scott about something then vanishes midword Scott dreams of a very unusual Wolf who begs him in human speech for rescue A fledgling Necroscope a telepathic Wolf a beautiful woman from beyond the stars the ghost of Harry Keogh the best of E Branch s psychic fighting forces and a dead girl who is not yet ready to seek her just reward must defeat three impossibly strong psychically gifted monsters whose touch literally melts flesh from bone Mad Moon Of Dreams Brian Lumley,2013-04-29 The moon is inhabited by the amorphous moonbeasts and their servants the horned ones of ill regarded Leng also by the monstrous lizard God Mnomquah who came down with mighty Cthulhu and the Great Old Ones out of the stars when the world was young and Chaos ruled But now the Mad Moon of Dreams is falling on Earth s Dreamlands In a pit in ruined Sarkomand Mnomquah s aeon destined mate Oorn The Awful awaits her lord and master s coming Then to celebrate their mating the mad moon will disintegrate and rain death on all the lands of Earth s dreams Dreamland needs an army of heroes and has only a handful But such a handful Join David Hero and Eldin the Wanderer the Eidolon Lathi Zura of Zura Curator Gytherik the Gauntmaster and all the rest in their epic

quest to the MAD MOON OF DREAMS **Demogorgon** Brian Lumley, 2013-04-29 Charlie Trace professional thief is no stranger to deceit and violence But nothing in all his life of petty crime could have prepared him for the horror of DEMOGORGON The guardian of a creature centuries old who walks the Earth in the guise of a man Demogorgon is the very Essence of Evil And yet it is merely a watchdog for the ONE who commands it And all down the centuries and across all the nations it has watched him sow seeds of hell Now the seeds are coming to fruition the children are called home and Demogorgon s power grows with every soul devoured Charlie Trace is the one man who can stop it and if he doesn t he could be the next victim **Vampire World 3: Bloodwars** Brian Lumley, 2013-08-29 Two monstrous armies stand opposed Vormulac Unsleap s undead legions out of Turgosheim and Wrath the Risen s Renegades masters of the last great aerie of the Wamphyri The spoils of war will be revenge territory and human flesh And blood of course the sweet blood of Sunside s Szgany For the blood is the life and when life or land are threatened there s only one course of action for a vampire battle to the death Trapped in the middle Nathan Keogh Necroscope And the espers of Earth s E Branch Trask and Zek Goodly and Chung Guardians of the Gate against a vampire invasion of Earth The Necroscope holds the keys he is the only one who can close the Gates to end the crimson carnage of the Bloodwars But the past holds many a secret and the future was ever a devious thing **Psychosphere** Brian Lumley, 2013-02-18 After Richard Garrison lost his sight in a terrorist explosion he developed vast mental powers that more than compensated for his blindness He mastered the Psychomech machine then used it to conquer his enemies and restore his dead love to full and vibrant life Psychomech also revealed to Garrison the Psychosphere a startling reality where mental powers reigned supreme and could influence people and events on Earth Once he was nearly godlike or demonic if one dared become his enemy but now Garrison s mental abilities grow weaker with each use He tries desperately to conserve his energies but he has begun to have strange visions of a mind so different from his own as to be other human and knows he must stay alert and strong Charon Gubwa has invaded the Psychosphere Twisted and evil sexually and mentally warped physically corrupt Gubwa s desires are simple More More drugs More sex More power More of the Earth under his dominion Richard Garrison must battle Gubwa in the Psychosphere and on Earth And he must win no matter the cost to himself or those he loves or all mankind will be lost *Science Fiction & Fantasy Book Review Annual* ,1991 **Spawn of the Winds** Brian Lumley, 2012-12-21 Stolen from Earth by Ithaqua the Wind Walker and transported to the alien world of Borea a team of ERP talented earthmen are faced with a terrible choice join with the Thing That Walks on the Wind in his eternal war with Arandra and the People of the Plateau and become his mindless slaves or side with Arandra and risk the perils of the Plateau especially its Cavern of Madness Such a choice might seem easy for at least the People of the Plateau are human but is Arandra herself human As Ithaqua s daughter who can say which way her loyalties will turn when the chips are down and Ithaqua walks on the wind **Necroscope®: The Möbius Murders** Brian Lumley, 2015-08-27 Harry Keough aka the Necroscope has always considered himself a master of the Mobius Continuum a

dimension existing parallel to all space and time and his personal instantaneous gateway to anywhere in the multiverse But this is hardly overweening conceit on Harry's part for to his knowledge he is not unique two other intelligences with powers similar to his do indeed exist One such is the long dead August Ferdinand Mobius himself the German astronomer mathematician and discoverer of the eponymous Mobius Strip which led him to explore posthumously his previously conjectural Continuum and the other is Harry's son who has not only inherited his father's mathematical skill but also the metaphysical talent by means of which the Necroscope converses with dead people in their graves Picture Harry's confusion then on returning home via the Mobius Continuum from an adventure in Las Vegas as he witnesses however briefly a flailing figure hurtling conscious but uncontrolled through the endless midnight of the Continuum Who could this be how can it be that a helpless silently protesting other is rushing meteor like across the Continuum's Stygian vault Moreover if he hasn't arrived here voluntarily then what vile murderer has sent his victim on this monstrous journey to the end of life itself For Harry is sure that this is neither his son's nor Professor Mobius doing Who and where is he this Mobius murderer It is a mystery that only the Necroscope can ever hope to solve but at what risk to his own life
