Aaron Van Voorhis

The Idolatry Of God By Peter Rollins:

The Idolatry of God Peter Rollins, 2012-10-11 In contrast to the usual answers concerning what the Good News might be incendiary philosopher theologian Peter Rollins suggests an alternative radical definition you can't be satisfied life is difficult and you don't know the secret Arguing that God has traditionally been thought of as a type of product that will make you whole remove your suffering and give you the truth Rollins contrasts this with an approach to faith that invites us to embrace suffering face up to our unknowing and fully accept the difficulties of existence The Idolatry of God Peter Rollins, 2013 We must lay down our certainties and honestly admit our doubts to identify with Jesus Rollins purposely upsets fundamentalist certainty in order to open readers up to a more loving active manifestation of Christ's love He explores how the Good News actually involves embracing the idea that we can't be whole that life is difficult and that we are in the dark By joyfully embracing our brokenness and courageously accepting the difficulties of existence we truly rob death of its sting and enter into the fullness of life

Radical Theology and Emerging Christianity Katharine Sarah Moody, 2016-03-03 The theological turn in continental philosophy and the turn to Paul in political philosophy have occasioned a return to radical theology a tradition whose philosophical heritage can be traced to the death of God announced in the work of Nietzsche and Hegel John D Caputo's deconstructive theology and Slavoj Žižek's materialist theology are two radical theologies that explore what it might mean to pass through the death of God and to abandon this experience as specifically Christian Radical Theology and Emerging Christianity demonstrates how these theologies are transforming everyday religious practices through an examination of the work of Peter Rollins and Kester Brewin two figures at the radical margins of a contemporary expression of Western religiosity called emerging Christianity The author uses her analysis of all four figures to argue that deconstructive practices can enable religious communities to become part of a wider materialist collective in which the death of God continues to resonate Pushing the methodological boundaries of philosophy of religion by examining religious practices as the site of philosophical signification the book challenges scholars and practitioners alike to a new and more demanding dialogue between theory and practice

The Divine Magician Peter Rollins, 2015-01-20 Peter Rollins knows one magic trick now make sure you watch closely It has three parts the Pledge the Turn and the Prestige In *The Divine Magician* each part comes into play as Rollins describes the way God works in our world today and how this connection helps us understand the truly radical message of Christianity *The Divine Magician* interrogates traditional religious notions from a refreshingly original perspective undermining the commonplace debates involving dogma doctrine and tradition Rejecting our preconceptions of what the spiritual and the religious mean Rollins argues for a deeply material faith that finds meaning not in a set of beliefs but in a passionate commitment to the world This incendiary reading of Christianity breaks the boundaries of religion and overturns the tables of conventional wisdom It offers hope for those seeking a depth and density in life calling for the existing church to disappear only to reappear in a fundamentally new and dynamic form Publisher's

description *How (Not) to Speak of God* Peter, Rollins, 2006-01-01 With sensitivity to the Christian tradition and a rich understanding of postmodern thought Peter Rollins argues that the movement known as the emerging church offers a singular unprecedented message of transformation that has the potential to revolutionize the theological and moral architecture of Western Christianity How not to Speak of God sets out to explore the theory and praxis of this contemporary expression of faith Rollins offers a clear exploration of this embryonic movement and provides key resources for those involved in communities that are conversant with and seeking to minister effectively to the needs of a postmodern world Here in pregnant bud is the rose the emerging new configuration of a Christianity that is neither Roman nor Protestant neither Eastern nor monastic but rather is the re formation of all of them Here in pregnant bud is third millennium Christendom Phyllis Tickle I am a raving fan of the book you are holding I loved reading it I have already begun widely recommending it Reading it did good for my mind and for my soul It helped me understand my own spiritual journey more clearly and it gave me a sense of context for the work I m involved in In fact I would say this is one of the two or three most rewarding books of theology I have read in ten years Brian McLaren from the Foreword The Divine Magician Peter Rollins, 2015-02-12 Peter Rollins knows one magic trick now make sure you watch closely It has three parts the Pledge the Turn and the Prestige In The Divine Magician each part comes into play as Rollins describes the way God works in our world today and how this connection helps us understand the truly radical message of Christianity The Divine Magician interrogates traditional religious notions from a refreshingly original perspective undermining the commonplace debates involving dogma doctrine and tradition Rejecting our preconceptions of what the spiritual and the religious mean Rollins argues for a deeply material faith that finds meaning not in a set of beliefs but in a passionate commitment to the world This incendiary reading of Christianity breaks the boundaries of religion and overturns the tables of conventional wisdom It offers hope for those seeking a depth and density in life calling for the existing church to disappear only to reappear in a fundamentally new and dynamic form **McMaster Journal of Theology and Ministry: Volume 23, 2021-2022** John J. H. Lee, 2023-10-13 The McMaster Journal of Theology and Ministry is an electronic and print journal that seeks to provide pastors educators and interested lay persons with the fruits of theological biblical and professional studies in an accessible form Published by McMaster Divinity College in Hamilton Ontario it continues the heritage of scholarly inquiry and theological dialogue represented by the College s previous print publications the Theological Bulletin Theodolite and the McMaster Journal of Theology **indigo** Jonathan J. Foster, 2023-12-05 indigo is the joy and lament of a human being theologian father fashioning new ideas about the divine within the painful loss of his daughter within the constraints of his own intelligence within the constraints of what religion had been telling him his whole life some of which was good and some of which wasn t good it s a way forward where forward means the interaction of past choices past events and personal agency in this moment and this moment and yes this moment it s the hope on the underside of grief like the pilot fish with the

shark around the whale within a section of ocean an ecosystem of depth and light and slow motion shadows oceanographic poetry that breaks the surface from time to time that breaks one's heart from time to time indigo is the color of grief for its gradation of sapphires and violets descending into violence or ascending into lightness the beauty of which is found in both extremes entanglement the divine infused within the whole the hole infused within the divine read it for cursing for weeping for laughing read it for mourning read it for the world is on fire "Emerging Church" - ein dekonversiver

Konversationsraum Patrick Todjeras, 2020-07-13 Etwas regt sich Ein Wunsch nach berleben nein nicht blo nach berleben nach Bl hen Will man in einer Umwelt bl hen der selbst nicht ganz klar ist warum gerade dieses Gew chs f r sie relevant sein sollte muss sich das Gew chs ver ndern ja transformieren Das geschieht im Zur cklassen von Vertrautem und Aufnehmen von Unvertrautem Das tut die im anglo amerikanischen Raum aufgekommene Emerging Church Die Kirche greift nach Raum Todjeras fragt sich erstmals f r den deutschsprachigen Bereich wie in der Emerging Church Bewegung dekonversive Prozesse anregt werden **Nature and Time, Volume II** Dong In Baek, 2025-02-20 Unlock a transformative perspective on peace and reconciliation with Nature and Time Volume II Paths to Justice and Transformation In this compelling work Baek Dong In invites the reader to reimagine the intricate interplay between nature time and history transcending traditional boundaries to offer fresh insights into unity on the Korean Peninsula Drawing from the profound ideas of philosophers like Heidegger Kant and Nietzsche this book challenges the notion of Korea as a static entity mired in past conflicts Instead it portrays the peninsula as a dynamic evolving space shaped by diverse historical cultural and ideological currents By weaving together theology philosophy and socio political analysis Baek reveals how the rhythms of nature and the cycles of time can illuminate new paths toward reconciliation This isn't just a theoretical exploration it's a call to action Nature and Time Volume II encourages readers to engage deeply with the forces that shape the world offering a holistic approach to healing divisions and fostering peace not only in Korea but wherever conflict persists Join this enlightening journey and discover how the convergence of nature and time can inspire justice and transformation in the shared human experience

Eucontamination Paul Hoard, Billie Hoard, 2025-07-25 For too long Christianity has been distorted by an overapplied purity disgust metaphor fueling exclusion reinforcing fear and enabling Christian Nationalism Eucontamination challenges this toxic framework arguing that Jesus did not retreat from impurity but transformed it This interdisciplinary work weaves together psychology psychoanalysis theology and sociology to expose how disgust has shaped Christian witness from theological education to church exclusion and social scapegoating But there is a better way The authors propose that Christ is not fragile in the face of sin but a good infection a force that spreads healing and redemption Instead of protecting a brittle purity true faith embraces eucontamination a sanctifying engagement with the world not a retreat from it For Christians seeking a faith that resists exclusion and embraces radical love Eucontamination offers a vision of transformation one where Truth Life and the Way are not delicate things to be defended but powerful forces moving through and within us all From

the Inside Out Ryan Kuja,2018-05-22 For the sake of the world we question For the sake of the gospel we examine For the sake of the dignity of the image bearers we serve as well as ourselves we inquire The evolution that has taken place in the world of mission over the last twenty five years has left many Christians asking brutally honest questions about what we do and why we do it Are we doing more damage than good What does it look like to truly love and serve the marginalized in an authentic and effective way What actually is the gospel and is it truly good news In this groundbreaking book Ryan Kuja vividly examines the world of Christian mission as few have seen it With a beautiful balance of storytelling and theological reflection birthed from his own painful and powerful experiences on and off the field from rural villages in South Sudan to major cities across Asia Africa and Latin America Ryan guides us into global mission s past and present revealing where the light and hope lie helping recover a missional future that will usher us into a new era This is mission reimaged for a world recreated from the inside out

Faith Greater than Our Challenges Tom Edmondson,2021-11-12 The year 2020 brought about a totally unprecedented experience for humanity a worldwide pandemic Life as we knew it changed almost instantly We found ourselves quarantining at home wearing masks in public and using large amounts of hand sanitizer and disinfectant As the months dragged on and the search for a COVID 19 vaccine continued social distancing began to feel like solitary confinement the rising death toll from the virus made the future feel very uncertain and the US Presidential campaign made us feel more divided than ever Was there hope to be found In Faith Greater Than Our Challenges Rev Tom Edmondson offers a message of hope based on the apostle Paul s letter to the Philippians and the writings of Viktor Frankl Though separated by nearly two thousand years both faced certain death Paul in prison Frankl in concentration camps Despite such dire circumstances each one in his own way affirmed that life even under the most extreme difficulties has meaning More than this both Viktor Frankl s and Paul the apostle s words of encouragement have the power to inspire hope and patience to us during this time of pandemic

A Survival Guide for Heretics Aaron Van Voorhis,2016-11-18 So many people are leaving the church today because of its hypocrisy bigotry and intellectual dishonesty Such heretics find themselves in exile wondering if there is anything worth holding onto regarding Christianity and faith The answer is Yes but probably not in the way you think A Survival Guide for Heretics reveals that the scandalous heart of Christianity is about the death of religion and the resurrection of a new way of living in the world called the kingdom of God Drawing upon the fields of psychology philosophy and Radical Theology this book guides readers step by step through their own spiritual journeys and reveals how they got where they re at and how to move forward Along the way Aaron Van Voorhis addresses some of the hardest questions perplexing Christians today and offers some surprising answers As a pastor Aaron uses his personal story and the story of his church as examples of how Christianity might be embodied in the twenty first century Deeply informed by the work of Peter Rollins and John D Caputo among others A Survival Guide for Heretics is a very accessible and necessary book for anyone struggling with their faith

Renewing the Evangelical Mission Richard Lints,2013-05-26 The culture

story of evangelicalism during the second half of the twentieth century has been well told. It is important now to think about the theological mission of the church in an ever increasing post Christian and post partisan context. What is the theologian calling at the beginning of the third millennium? How do global realities impact the mission of evangelical theology? What sense can be made of the unity of evangelical theology in light of its many diverse voices? This collection of essays draws together a stellar roster of evangelical thinkers with significant institutional memory of the evangelical movement who nonetheless see new opportunities for the evangelical voice in the years ahead. Contributors: Os Guinness, Michael S. Horton, Richard Lint, Bruce McCormack, Mark Noll, J. I. Packer, Gary Parrett, Rodney Peterson, Cornelius Plantinga, Tite Tienou, Kevin J. Vanhoozer, Adonis Vidu, Miroslav Volf.

An Undoing Matthew Hansen, 2019-08-08. We've all been through events in which we feel at least in the moment that there is no coming back. Maybe it was a severe break up, a fall from grace as a leader, an occupational dream shattered, a psychological and emotional breakdown, or as in many western films you are a leader who has come to the middle of your life, the hopes and expectations you held have crashed around you and all of a sudden you feel lost. Our brains often translate this as some sort of trauma. On paper, my life looked perfect: married, four kids, house in the downtown area of one of the best cities in the United States, and a vocation that many spend much time and money trying to gain. However, at some point I lost myself. I got swallowed up in the hype and movement and forgot what it was all about. I want to invite you into my story and take you on a journey of resilience, the same journey that helped me come back better than before, the journey that will help you begin to recreate your life.

The Certainty of Uncertainty Mark Schaefer, 2018-08-23. The world is full of people who are very certain in politics, in religion, in all manner of things. In addition, political, religious, and social organizations are marketing certainty as a cure-all to all life's problems. But is such certainty possible? Or even good? *The Certainty of Uncertainty* explores the question of certainty by looking at the reasons human beings crave certainty and the religious responses we frequently fashion to help meet that need. The book takes an in-depth view of religion, language, our senses, our science, and our world to explore the inescapable uncertainties they reveal. We find that the certainty we crave does not exist. As we reflect on the unavoidable uncertainties in our world, we come to understand that letting go of certainty is not only necessary, it's beneficial. For in embracing doubt and uncertainty, we find a more meaningful and courageous religious faith, a deeper encounter with mystery, and a way to build strong relationships across religious and philosophical lines. In *The Certainty of Uncertainty*, we see that embracing our belief systems with humility and uncertainty can be transformative for ourselves and for our world.

A Beautiful Bricolage Silas Krabbe, 2016-08-03. Theopoetics is a plea for a more fully human way of speaking about God in the twenty-first century, a way that offers new life to dry and dying platitudes. Drawing deeply from linguistics, theology, philosophy, and even quantum mechanics, theopoetics attempts to reimagine the relationship between human language and speech about God through poetic phrasing and metaphor, thereby proposing a new God-talk. Interacting with selective works from within the discipline, Silas Krabbe offers a

guide that not only maps the diversity of thought but also charts what is going on in the depths of the field Using the metaphor of a river Krabbe attempts to baptize the reader into theopoetics by leading an immersive exploration sounding its waters hearing resonances and echoes feeling its flow and becoming entangled in the braiding of its streams Plunging ever more deeply into the differences that exist within the discourse of theopoetics Krabbe is able to identify common aims currents and even hints of where this theopoetic river may lead Not only a text about theopoetics A Beautiful Bricolage is a work of theopoetics itself It thereby draws the reader into a mode of inquiry that repudiates those who attempt to grasp it

Peculiar Faith Jay Emerson Johnson, 2014-03-10 Residing at the intersection of constructive theology and critical social theory this book provides a resource for both students and clergy to reinterpret Christian theology and re imagine Christian faith in the twenty first century The author seeks to encourage and equip Christian faith communities to move beyond the decades long stalemate over human sexuality and gender identity because Queer gifts emerge in Christian communities when lesbian gay bisexual and transgender LGBT people no longer feel compelled to justify their presence in those communities Useful in both seminary classrooms and in congregational settings the book is a contribution to the still emerging field of queer theology translating the rigors of scholarly research into transforming proposals for faith communities

Confronting a Controlling God Catherine M. Wallace, 2016-08-24 Christianity has lost control of its brand That matters even for nonbelievers because Christian symbolism permeates Western culture It shapes the source code for how we think about ourselves and what we expect from one another If God is all controlling then human control is divinely sanctioned Our efforts to control one another have cosmic legitimacy the legitimacy claimed by fundamentalists pursuing a political agenda that has nothing to do with Jesus of Nazareth But if God is defined as compassion and loving kindness then Christianity calls the faithful to compassion and radical hospitality Wallace traces the backstory of this vitally important tension all the way back to competing translations of Moses s argument with the burning bush arguing for a Copernican turn in which the spiritual encounter with compassionate Presence lies at the heart of Christianity embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100%

The Idolatry Of God By Peter Rollins Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Idolatry Of God By Peter Rollins PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Idolatry Of God By Peter Rollins PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Idolatry Of God By Peter Rollins free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Idolatry Of God By Peter Rollins Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Idolatry Of God By Peter Rollins is one of the best book in our library for free trial. We provide copy of The Idolatry Of God By Peter Rollins in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Idolatry Of God By Peter Rollins. Where to download The Idolatry Of God By Peter Rollins online for free? Are you looking for The Idolatry Of God By Peter Rollins PDF? This is definitely going to save you time and cash in something you should think about.
