The Final Hour Andrew Klavan, 2011-07-19 The Homelanders are attacking and it's Charlie's last chance to stop them. Charlie West was an ordinary high school kid who went to bed one night and woke up in the clutches of terrorists and wanted by the police for murder. He also woke up with no memory of the events of the last year. His memory is returning now and has brought the terrible realization that he knows when the terrorists are going to strike next. Whatever it takes, Charlie knows he can't give in or give up until they're stopped, even when the final hour is ticking away. **The Final Hour** Andrew Klavan, 2011 Time is short but eighteen-year-old Charlie West has one last chance to stop the Homelanders from attacking when he finally gets back enough of his memory to realize when the terrorists are going to strike next. How long ago was that? And more to the point, how is he going to get out of this room alive? By calling on his deepest reserves of strength and focus, Charlie manages a desperate escape, only to find out that this nightmare isn't ending. There's a whole year of his life that he can't remember, a year in which he was convicted of murdering his best friend and working with terrorists.
