popped into my head What if one of the Horsemen fell in love with a mortal woman I started working on it and this book was born *Earth Angel* Jeff Fuell, 2013-02-24 When Brian Bradford meets both the devil and God in the same week it is just the beginning of a transformation and an adventure for he and his teenage daughter Brian Bradford a writer and widower wonders what is happening when his teen age daughter seems to be undergoing a strange transformation a transformation that seems to be turning her into one of God's winged servants In the process Brian finds out who he really is why this is happening to her and what he is supposed to do with the rest of his life In the end Brian learns that if you truly love someone you have to let them go It is only then that life can truly begin anew From the author What would it really be like to meet the devil and find out that he's not really that bad of a guy And on top of that find out that he is a big movie buff Also what would his take on the bible be What would it be like to actually meet God What if I had a daughter and she was slowly but surely turning into an angel These are all questions I asked myself when I began writing this book This book also deals with a good amount of theology and asks questions that all people have asked at one time or another
