**The Last Hunter - Onslaught** Jeremy Robinson,2012-11-01 The past few years have been a mixture of torture painful growth and sometimes pushing its way through all the darkness joy I have made friends and allies brothers and sisters mentors and Kainda who is something else entirely But someone is missing someone whose memory saved me from despair Mirabelle Whitney my hope So while the human race prepares to defend itself I ride toward the encroaching Nephilim army intending to save Mira return to our feeble base and lead the charge against those who plan to wipe the human race from the face of the Earth It sounds like an impossible plan and maybe it is but if we re going to die we re going to die like hunters boldly and bravely More than that we re going to die together as a united race facing a common enemy Nationality no longer matters Ancient grudges are forgotten The human race must resist as one or face extinction And now it falls to me along with Kainda Em Mira Kat Merrill Aimee and Luca to light the path for humanity in our darkest hour Harnessing the power of the ancient Jericho shofar we must prevent Nephil the most ancient and evil of the Nephilim from possessing my body and using its supernatural abilities against mankind The odds are stacked against victory The Nephilim out size out power and outnumber us ten to one but we will fight to the last the very last so help me God I am Solomon Ull Vincent the Last Hunter and King of Antarktos and I am prepared to face my fate *The Last Hunter - Collected Edition* Jeremy Robinson,Jeremy Robinson, MSW, MCC,2013-11 I ve been told that the entire continent of Antarctica groaned at the moment of my birth The howl tore across glaciers over mountains and deep into the ice Everyone says so Except for my father all he heard was Mother s sobs Not of pain but of joy so he says Other than that the only verifiable fact about the day I was born is that an iceberg the size of Los Angeles broke free from the ice shelf a few miles off the coast Again some would have me believe the fracture took place as I entered the world But all that really matters according to my parents is that I Solomon Ull Vincent the first child born on Antarctica the first and only Antartican was born on September 2nd 1974 If only someone could have warned me that upon my return to the continent of my birth thirteen years later I would be kidnapped subjected to tortures beyond comprehension and forced to fight and kill If only someone had hinted that I d wind up struggling to survive in a subterranean world full of ancient warriors strange creatures and supernatural powers Had I been warned I might have lived a normal life The human race might have remained safe And the fate of the world might not rest on my shoulders Had I been warned This is my story the tale of Solomon Ull Vincent The Last Hunter This collected edition of The Antarktos Saga includes all five books in the series Descent Pursuit Ascent Lament and Onslaught as well as never before seen art and character designs inspired by the series an exclusive short story titled The Children of Antarktos and an interview with bestselling author Jeremy Robinson composed primarily of questions asked by fans of the series **The Last Hunter - Pursuit (Book 2 of the Antarktos Saga)** Jeremy Robinson,2011-05 I was thirteen years old when I was kidnapped They took me from my family from my friends from everything I knew and stole my innocence They brought me to a world beneath

the surface of Antarctica where I was broken and trained by a hunter named Ninnis He served the ancient Nephilim half human half demon monsters My personality was buried in my subconscious and replaced by that of Ull a hunter and killer For a time I too served the Nephilim As the first and only human born on Antarctica they believed that I could contain the spirit of their fallen king Nephil and lead them to conquer humanity But I was stronger than they knew and escaped deep into the underworld where I have been hiding for the past two years I live in a cavern which is somehow lush with green vegetation eking out a living and cowering from the confrontation that I know awaits me But the nightmare has found me I can smell them The hunters They have discovered my hideout The pursuit of Solomon Ull Vincent the last hunter has begun And if they catch me this is where my story will end **The Last Hunter - Descent (Book 1 of the Antarktos Saga)**

Jeremy Robinson,2011-03 I ve been told that the entire continent of Antarctica groaned at the moment of my birth The howl tore across glaciers over mountains and deep into the ice Everyone says so Except for my father all he heard was Mother s sobs Not of pain but of joy so he says Other than that the only verifiable fact about the day I was born is that an iceberg the size of Los Angeles broke free from the ice shelf a few miles off the coast Again some would have me believe the fracture took place as I entered the world But all that really matters according to my parents is that I Solomon Ull Vincent the first child born on Antarctica the first and only Antarktican was born on September 2nd 1974 If only someone could have warned me that upon my return to the continent of my birth thirteen years later I would be kidnapped subjected to tortures beyond comprehension and forced to fight and kill If only someone had hinted that I d wind up struggling to survive in a subterranean world full of ancient warriors strange creatures and supernatural powers Had I been warned I might have lived a normal life The human race might have remained safe And the fate of the world might not rest on my shoulders Had I been warned This is my story the tale of Solomon Ull Vincent The Last Hunter *Antarktos Rising (Origins Edition)* Jeremy Robinson,2011-05 Includes excerpt from The last hunter the descent by the same author [Antarktos Rising - A Novel](#) Jeremy Robinson,Jeremy Robinson, MSW, MCC,2007-06 A phenomenon known as crustal displacement shifts the Earth s crust repositioning continents and causing countless deaths In the wake of the global catastrophe the world struggles to take care of its displaced billions But Antarctica freshly thawed and blooming has emerged as a new hope Rather than wage a world war no nation can endure the leading nations devise a competition a race to the center of Antarctica with the three victors dividing the continent It is within this race that Mirabelle Whitney one of the few surviving experts on the continent grouped with an American special forces unit finds herself But the dangers awaiting the team are far worse than feared beyond the sour history of a torn family beyond the nefarious intentions of their human enemies beyond the ancient creatures reborn through anhydrobiosis there are the Nephilim The world races to claim a new continent only to find it already taken
