The Secrets of the Amazon Shamans Michael Peter Langevin, 2016-01-04 This book brings a timely breath of fresh air into the labyrinth of material now available on shamanism involving the Amazon River Basin The Second Edition of Amazon Shamans Healing traditions from South America first published in 2003 catches a moment in time when the ancient knowledge of the Amazon shamans was already changing rapidly Through Michael Peter

Langevin's journey together with his family we get to take part of this fascinating region and its inherent ancient mysteries and miracles Michael Peter Langevin has been on the shamanic path since 1973 and traveled extensively in Latin America Over the years he has met and studied with many shamans in the Amazon River Basin and the Andean Mountain region In this down to earth book he intersperses his own and his family's journeys through the many countries surrounding the Amazon River Basin inviting the reader to feel part of adventurous meetings with shamans whose knowledge and wisdom stretches the mind to what is possible Meetings that are often humorously conveyed but there are also serious encounters when the peaceful life of remote villages clashes with modern life Michael tells what it is like to see life from the eyes of someone else in a healing ceremony about a Calling the Dead Ritual where he could actually see their spirits with his physical eyes what it is like to experience the intensity of Ayahuasca ritual and having your life revisited but also about the strain of traveling with your children being far away from so called civilization when they fall ill The story of this book moves between Michael's shamanic initiations and his joys and challenges of traveling as a family coming together in the fearful situation of his sick children which turns into a miraculous healing This book is an exiting inroad to the mysteries of the Amazon shaman way based on real life meetings and experiences The Amazon shamans and healers hold libraries of knowledge that has been built through thousands of years of experimentation Michael has an uncanny ability to translate the mysterious knowledge of Amazon shamanism into magical everyday practice that is understandable and approachable Throughout the book we are presented with basic Amazon shaman principles procedures and rituals adapted to work in any setting These principles procedures and rituals can be used to enhance the richness of life to heal and even to question basic assumptions on how the world is connected and what is possible In the words of Michael An invisible web of life connects everything in existence Westerners often lose sight of this but in the Amazon it's easy to remember because its presence is so visceral Amazon shamans know that while reason is a useful tool intuition and magic surpass it in most every way The journal like warm free flowing writing style adds to the intimacy and charm of this book Michael is a convincing proponent of the Amazon way of spirituality and mysticism He conveys a sense of urgency to change our direction in life and become more connected to nature and to each other In the concluding chapter of The Amazon Shamans Healing traditions from South America he writes You must begin to speak with the plants the wind and the stars Only in these ways will you fully understand and appreciate your own inherent healing abilities as a natural part of the world As a handbook for Amazon shamanic healing and rituals this volume is packed with powerful knowledge and practical techniques

Handbook of Contemporary Paganism Murphy Pizz, James Lewis, 2008-09-30 Contemporary Paganism is a movement that is still young and establishing its identity and place on the global religious landscape The members of the movement are simultaneously growing unifying and maintaining its characteristic diversity of traditions identities and rituals The modern Pagan movement has had a restless formation period but has also been the catalyst for some of the most innovative religious expressions

praxis theologies and communities As Contemporary Paganism continues to grow and mature new angles of inquiry about it have emerged and are explored in this collection This examination and study of contemporary Paganism contributes new ways to observe and examine other religions where innovations paradoxes and inconsistencies can be more accurately documented and explained

The Secret Tapestry Pasquale De Marco, 2025-08-14 The Secret Tapestry by Pasquale De Marco is a groundbreaking exploration of the hidden connections between the ancient Eastern philosophy of Taoism and the Western mystical tradition of Kabbalah Drawing upon these ancient wisdom traditions Pasquale De Marco reveals a hidden tapestry of knowledge that has the power to transform our lives For centuries the Tao and the Kabbalah have been revered as two of the most powerful spiritual traditions in the world The Tao with its emphasis on harmony balance and the flow of energy has guided countless seekers on the path to enlightenment The Kabbalah with its complex system of symbols archetypes and correspondences has provided a framework for understanding the mysteries of the universe In The Secret Tapestry Pasquale De Marco bridges the gap between these two traditions demonstrating how they complement and reinforce each other He reveals the striking parallels between the Taoist concept of qi and the Kabbalistic concept of sephirot the Taoist practice of internal alchemy and the Kabbalistic practice of meditation and the Taoist belief in the unity of all things and the Kabbalistic concept of the Ein Sof Through a series of engaging and insightful chapters Pasquale De Marco explores the practical applications of this ancient wisdom He shows how the principles of the Tao and the Kabbalah can be used to improve our health increase our abundance and accelerate our spiritual growth He also reveals the secrets of manifestation intention and synchronicity and provides guidance on how to navigate the challenges of life with grace and ease The Secret Tapestry is more than just a book it is a guide to a deeper understanding of ourselves our world and our place in the universe It is a book that will inspire empower and transform your life If you like this book write a review

The Heart of Healing Dawson Church, 2004 **Miracle Cures** River Stone, AI, 2025-02-27 Miracle Cures explores the captivating intersection of faith medicine and history through accounts of miraculous healing across diverse religions and cultures It examines narratives where recovery from illness or injury seemingly defies conventional medical explanations revealing how these accounts have shaped cultural understanding and spiritual practices The book highlights the enduring human quest for meaning and hope in the face of suffering regardless of scientific verification indicating the profound cultural social and psychological power of recurring narratives of miraculous healing events The book analyzes case studies from ancient texts to contemporary reports providing historical context medical plausibility and cultural significance It acknowledges the tension between religious explanations for health and disease and the development of modern medicine Exploring these narratives offers insight into the role of belief in health healing and the impact on medical ethics and the placebo effect The book progresses through an introduction to the concept of miraculous healing explores case studies and concludes with an analysis of broader implications

Yajé Jimmy Weiskopf, 2005 The unique path to both health and

spiritual illumination offered by the consumption of yaj a hallucinogenic herb embedded in the indigenous Amazonian cultures of Colombia Brazil and Peru is thoroughly documented in this account of the culture and traditions that have developed around its use The intensity of yaj induced trances provoked the author to name them the new purgatory and resulted in this text s respectful and hard earned insights into indigenous ritual and shamanic guidance A complete survey of yaj ceremonies recent botanical and anthropological research on yaj records of scientific and medical studies its social psychological and ethical boundaries and a look at past attempts to adapt the ancient ceremony to contemporary therapeutic and religious purposes are also provided

The Beauty of the Primitive Andrei A. Znamenski,2007-07-16 For the past forty years shamanism has drawn increasing attention among the general public and academics There is an enormous literature on shamanism but no one has tried to understand why and how Western intellectual and popular culture became so fascinated with the topic Behind fictional and non fictional works on shamanism Andrei A Znamenski uncovers an exciting story that mirrors changing Western attitudes toward the primitive The Beauty of the Primitive explores how shamanism an obscure word introduced by the eighteenth century German explorers of Siberia entered Western humanities and social sciences and has now become a powerful idiom used by nature and pagan communities to situate their spiritual quests and anti modernity sentiments The major characters of The Beauty of the Primitive are past and present Western scholars writers explorers and spiritual seekers with a variety of views on shamanism Moving from Enlightenment and Romantic writers and Russian exile ethnographers to the anthropology of Franz Boas to Mircea Eliade and Carlos Castaneda Znamenski details how the shamanism idiom was gradually transplanted from Siberia to the Native American scene and beyond He also looks into the circumstances that prompted scholars and writers at first to marginalize shamanism as a mental disorder and then to recast it as high spiritual wisdom in the 1960s and the 1970s Linking the growing interest in shamanism to the rise of anti modernism in Western culture and intellectual life Znamenski examines the role that anthropology psychology environmentalism and Native Americana have played in the emergence of neo shamanism He discusses the sources that inspire Western neo shamans and seeks to explain why lately many of these spiritual seekers have increasingly moved away from non Western tradition to European folklore A work of intellectual discovery The Beauty of the Primitive shows how scholars writers and spiritual seekers shape their writings and experiences to suit contemporary cultural ideological and spiritual needs With its interdisciplinary approach and engaging style it promises to be the definitive account of this neglected strand of intellectual history

Soul Journeying Dr. Alberto Villoldo,2017-07-25 This fascinating book by psychologist and medical anthropologist Alberto Villoldo Ph D explains the practices for healing outside of ordinary time and space It shows how to enter the timeless now to heal events that occurred in the past and to correct the course of destiny Dr Villoldo discusses ways in which you can heal yourself and your loved ones by employing intention through practices used by shamans of the Americas which until now have been inaccessible to most of the world The shamans of old called this

journeying In this book you ll discover that in the same way you have a four chambered heart you have a four chambered soul In the first chamber you store away the memory of a wound that derailed your destiny In the second you keep the limiting beliefs and soul contracts that you entered into at the time of your loss In the third you recover the grace and trust that will make you whole again and in the fourth you remember the calling and mission that you choose to unfold in this lifetime While everyone has a future Villoldo says only certain people have a destiny This book shows you how to find and manifest yours
