Poonen, 1997 **Then Shall That Wicked Be Revealed** Henry Gagne, 2014-01-31 The book of Revelation is unlike any other book in scripture filled with symbols and apocalyptic language It has become a magnet for some and confusion for others while still others ignore it altogether There are many today who believe and hold that the book of Revelation is not about the future but rather the past fulfilled with the destruction of the Jewish Temple and city of Jerusalem in 70 A D by the Roman armies While many others hold that the book of Revelation is prophetic and was written for a future time beyond the judgment that fell on the Jewish nation in 70 A D and continues to be debated today between these two Christian camps the Preterists and Futurists It is vital that the people of God are given the truth about prophetic scripture Today it is a fact that false teachers are everywhere in the body of Christ and have all but snuffed out the light of Christ's prophetic truth We of the body of Christ cannot continue to sit on the sidelines and remain silent We must as good soldiers in Christ arise and go forth in battle to defeat our Lord's enemies wherever they may be found As soldiers of Christ we do this with the weapons at our disposal that God gave us the Sword of Christ the Sword of Truth the Holy Scriptures Many times the question has arisen What difference does it make Our response is a proper view of eschatology a study of end of the age times is important because God has revealed his truth to us and it is our responsibility to be diligent students in understanding that truth Disregarding or minimizing any part of it is poor stewardship It is never acceptable to say I could be wrong but I remain comfortable on my views and don't want to bother with other views It is a fact today that someone has to be wrong and is teaching error And it certainly is not the Holy Spirit teaching those errors of scripture in the body of Christ Therefore if one view is correct the others are wrong The failure to study this issue and others forces us to hold one position or another that is one's doctrines as a matter of tradition rather than the Inspired Doctrine of Scripture While a lot of people go to church very few actually know the Bible and take Jesus Christ our Lord seriously Secular Christianity has been watered down especially in the area of God's Word and its meaning resulting in great division and confusion concerning many passages seen throughout scripture The New Testament authors did write about prophecy but a good percentage of their prophetic

messages dealt with the immediate fate and future of national Israel Thus when they wrote prophetically they wrote primarily about Israel s last days i e end of OC age while writing prophecy about the early Church s end of the age to come for them as we read in Hebrews So Christ was once offered to bear the sins of many and unto them that look for him shall he appear a second time without sin unto salvation Heb 9 28 The last days are different from the end times The last days refer to the last days age of Old Covenant Israel as the body of Christ was being brought in during that 40 year transition period It was to be the last days for national Israel but not for the New Covenant Church its age had just begun because of God s Grace and the Blood of Jesus Christ our Lord brought about for the salvation of mankind In our day there have come many scoffers both inside and outside of the church saying that the return of Christ is many many years away and others doubt or even deny his coming at all At present to most in the world they do not appear to be threatened by the return of Christ despite the world s present condition in its moral standing with God Despite the war in Afghanistan and Iraq as well as the Israeli Palestinian conflict despite North Korea and Iran s nuclear stance a world economy in a near total collapse many in the secular media procla

The Sign of the End of the Age Paul Kalbach,2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end times events It is important for us to return to a careful study of these things because the time is near In The Sign of the End of the Age What Jesus Taught about the Future in Matthew 24 author Paul Kalbach helps you discover or rediscover the Olivet Discourse the Lords clear road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method The Sign of the End of the Age seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near

The Rapture Calvin Burton,2020-09-02 Book Delisted **I Am the God That Reveals** Patricia Green,2013-06-06 Have you ever read the book of Revelation and come away with more confusion than insight Has apprehension of end time events instilled such fear within you that you refuse to read the book of Revelation If you answered yes to either question then you are not alone Dr Patricia Green expounds upon the book of Revelation through the illumination of the Holy Spirit that makes these events understandable and undeniable She was given spiritual visions great understanding and messages from the Lord Jesus Christ to relay to His people This unique and dynamic book in which the author describes in detail the visions she was given is like no other written about Revelation *Revelation Unsealed* Donald A. Salerno Jr,2004 Finally a book which simplistically insightfully and systematically presents an integrated concrete overview of the 22 chapters or 404 verses of the book of Revelation *Revelation Unsealed* is unique in a number of major areas It is the first book to approach the text of Revelation from what is termed the Pre Wrath Rapture perspective This is the hotly

debated view that the church will enter the Seventieth Week undergo the great tribulation of the Antichrist and be gathered off the earth before the wrath of God unfolds This view is presented in a logical scenario which is then placed within the overall context of the Apocalypse Also contained is an entirely fresh biblical perspective of the emergence of the Antichrist Additionally this book also fully covers the relevance of world events the amazing track record of biblical prophecy the fulfillment of the seven religious feast of Israel the battle of Armageddon and the Millennial Kingdom of Jesus Christ All of these issues are addressed in a concise and simple manner with numerous charts and illustrations to aid the reader in easily conceptualizing and visualizing what is outlined Its contents will challenge both the newest Christian and the seasoned biblical scholar

Prophecy Unveiled John Buckley, 2007-09 Dr Buckley skillfully explores many of the hidden but powerful prophecies in the Bible For example he points to a prophecy in Isaiah 18 that states that a third temple will be built in Jerusalem Referring to the story in the Book of Esther he points to a prophecy about hanging the ten sons of Haman after they had already been killed He believes that the execution of ten top Nazis following the Nuremberg trials fulfilled that prophecy On another subject did you know that Satan before his alienation from God had a home on the planet Rahab which was the fifth planet from the Sun in our solar system As a result of the war in heaven God destroyed this planet and its remains form the asteroid belt that circles that region of the heavens The destruction of Rahab is recorded in the Bible His very clear Biblical exposition defangs some cherished doctrinal issues such as dispensationalism dual covenant restoration of Israel to its homeland and the rapture This book offers a fresh perspective on the Bible John W Buckley attended the University of Washington where he received an MBA 1962 and Ph D 1964 He then served as a professor at the University of California Los Angeles UCLA for thirty five years During those years he authored fourteen books and monographs His father Edward Alexander Buckley was a deeply spiritual man who instilled in John an abiding belief in the Bible as being the inspired Word of God So John studied the Bible and other religious writings in depth and began to formulate the views expressed in this book With the encouragement of relatives and friends he has now put his thoughts in writing

NEW TESTAMENT HARMONY, AD 50 - 53 Robert Hodanko, 2020-04-21 This book presents a harmonious chronology of the New Testament accounts for the period AD 50-53 All dates are approximate and based on the determination that Jesus

was crucified on Friday April 7 AD 30 Every effort has been made to accurately present the chronology of the New Testament events The 27 New Testament books were written by several men of different backgrounds and educational levels They wrote over a period of several decades without the opportunity for collaboration Despite this disparity there is remarkable harmony in their eye witness accounts and teaching Such harmony provides strong evidence that the New Testament scriptures were inspired by God otherwise the historical record of the New Testament could not have been written with such unerring accuracy The purpose of this book is to highlight and trace that harmony Hopefully it can serve as a tool for your study of the Bible
