Jackson, 2009-10-01 1 300 Quotations for Daily Christian Living Compiled from Gordon Jackson's long standing love affair with quotations *Quotes for the Journey Wisdom for the Way* is a treasure house of wisdom and insight Thoughtfully chosen and topically arranged these nuggets of truth are so compelling so fresh and relevant they'll challenge the way you think

about yourself and the world around you Guaranteed to make you smile nod or maybe even squirm these quotes are not only a wonderful source of personal inspiration but an indispensable tool for writers and speakers Preaching the Calendar J. Ellsworth Kalas, 2004-01-01 Pastors face a perennial challenge in deciding how to treat special days in the calendar For days marked in the church year the challenge is how to speak a fresh word about a familiar theme or story For days marked in the civil calendar the challenge is to discern within secular celebrations appropriate connections with the Christian gospel In Preaching the Calendar masterful preacher J Ellsworth Kalas discusses the importance of embracing holidays and special days as occasions when sermons can enlarge and deepen spiritual yearnings His words of wisdom demonstrate how this type of preaching can be done well and serve as valuable sources of stories and sermon illustrations for pastors eager to help people find new and renewed relationships with God **The National Jewish Monthly** ,1959 **Justice, Justice you shall pursue** , **Israel Always** Christopher J. Katulka, 2023-01-10 A succinct and compelling survey of everything Israel J Randall Price author professor archaeologist God s faithfulness to Israel is an incredible affirmation of His unconditional goodness and as we discover His heart for His chosen people we better understand His heart for us Israel s story begins with God s promise to make Abraham a great nation and to this day His hand continues to guide and protect the Jewish people Israel Always is a sweeping journey through Israel s prolific history its modern day influence and its promised future highlighting the continuous throughline of God s provision for His people Bible scholar and Israel expert Christopher Katulka draws on relevant scriptures careful research and firsthand experience to illuminate why Israel plays such a central role in the Bible s narrative as well as in Bible prophecy understanding Jewish culture and tradition enriches our understanding of Christianity the Jewish people continue to be a wrongly yet widely persecuted group lasting peace continues to be a challenge for the Middle East Insightful and informative Israel Always will enrich your understanding of the Bible enhance your appreciation for Israel and elevate your awareness of God s steadfast love for all His people including you today

Giving Robert H. Bremner, According to Greek mythology mankind s first benefactor was the Titan Prometheus who gave fire previously the exclusive possession of the gods to mortal man With these words the esteemed scholar Robert Bremner presents the first full fledged history of attitudes toward charity and philanthropy Giving is a perfect complement to his earlier work The Discovery of Poverty in the United States The word philanthropy has been translated in a variety of ways as a loving human disposition loving kindness love of mankind charity fostering mortal man championing mankind and helping people Bremner s book covers all of these meanings in rich detail Bremner describes the ancient world and classical attitudes toward giving and begging Middle Ages and early modern times emphasizing hospitals and patients and donors and attributes of charity the eighteenth century and the age of benevolence the nineteenth century and the growth of the concept of public relief and social policy and a careful multiple chapter review of the twentieth century Bremner reviews the act of giving in such comparative contexts as London England and Kasrilevke Russia with such figures as Thomas Carlyle Charles

Dickens and Sholem Aleichem as well as the more familiar wealthy industrialist philanthropists forming part of the narrative. The final chapters bring the story up to date discussing the relationships of modern philanthropy and organized charity and the uses of philanthropy in education and the arts. Bremner has an astonishing knowledge of the cultural context and the economic contents of philanthropy. As a result this volume is intriguing as well as important history written with lively style and wit. Whether the reader is a professional in the so called third stream or independent sector or simply a citizen wondering just what the act of giving and the spirit of receiving is all about, Giving will be compelling reading.
