A Short History Of Christianity

J. M. Robertson

A Short History Of Christianity:

A Short History of Christianity Salomon Reinach, 1922 **A Short History of Christianity** Stephen Tomkins, 2012-09-12 Worshipped by 2 billion Christians and revered by 1.3 billion Muslims Jesus Christ is the most famous human being ever Yet how did this man from an obscure backwater in the Roman Empire achieve such extraordinary acclaim How did religion founded in his name grow to become the most powerful on earth What has been its relationship through history with that other giant of religions Islam In this fast paced and entertaining book journalist and historian Stephen Tomkins sets out to provide the answers Beginning with the life of Jesus he presents awarts and all portrait of the key people events and movements in Christian history For every debauched pope murderous crusader and hate filled inquisitor there are glorious examples of heroic self sacrifice spiritual enlightenment and social transformation Despite setbacks and conflict the church has continued to change and grow with the result that at the start of the 21st century its centre of gravity is moving south into sub Saharan Africa and South America The author ends by looking to the future for the story is far from over All those wanting to understand where Christianity is going need to learn where it has come from and in this book they will find a lively and informative guide

A Short History of Christianity J. M. Robertson, 2016-09-28 An attempt to write the history of Christianity in the space of an average novel is so obviously open to objections that instead of trying to parry them I will merely state what seems to me the possible compensation of brevity in such a matter It is or may be conducive to total comprehension to coherence of judgment and in a measure even to the understanding of details A distinguished expert in historical and philological research has avowed that specialists sometimes get their most illuminating ideas from a haphazard glance into a popular and condensed presentment of their own subject Without hoping so to help the experts I humbly conceive that the present conspectus of Christian history may do an occasional service even to an opponent by bringing out a clear issue Writers of a different way of thinking have done as much for me The primary difficulty is of course the problem of origins In my treatment of this problem going as I do beyond the concessions of the most advanced professional scholars I cannot expect much acquiescence for the present It must here suffice to say first that the data and the argument insofar as they are not fully set forth in the following pages have been presented in the larger work entitled Christianity and Mythology 1 or in the quarters mentioned in the Synopsis of Literature appended to this volume and secondly to urge that opponents should read the study on the Gospels by Professor Schmiedel in the new Encyclopaedia Biblica before taking up their defensive positions

A Short History of Christianity Martin E. Marty, 1959 **A Short History of Christian Doctrine** Bernhard Lohse, 1966 This book has earned wide acceptance as an outstanding single volume history of doctrine It is ideally suited for classroom and seminar use as well as research and independent study With remarkable conciseness and clarity Lohse shows how doctrinal development has occurred in the various periods of the Church's history from the first century to the present He explores and discusses one by one the dogmas and doctrines that constitute the milestones in the story of the Church's

effort to proclaim the message of Jesus Christ to each age This Revised American Edition includes a new preface by the author an account of the significance of the Second Vatican Council and alterations in the For Further Reading section to bring it up to date *A Short History of Christian Thought* Linwood Urban,1986 What do Christians believe and why do they believe it What are the historical roots of modern Christian doctrines and what logical connections link them together This concise introduction to Christian thought provides thorough yet succinct answers to these and other important questions incorporating expanded discussions of the sacraments the Church and the ministry recent ecumenical movements and trends and women s ordination Avoiding a strict chronological approach the author traces the development of each great issue that formed Christian theology Questions of doctrine such as the Trinity and the Incarnation are dealt with in full Also addressed are the important issues in natural theology such as the existence of God miracles freedom of the will and the problem of evil The text shows which issues in Christian thought constitute the common denominators of Christian belief and traces the roots of Christian doctrine to their sources explaining why certain doctrines are logically essential to Christianity and were thus adopted By analyzing the significant issues in Christian thinking from their early formulations to contemporary re examination *A Short History of Christian Thought* demonstrates that classical Christian doctrines are reasonable articulations of basic convictions and that Christian thought is relevant to the full range of human experience **A Short History of Christianity** Geoffrey Blainey,2013-10-24 For two thousand years Christianity has had a varying but immense influence on world history Accomplished historian Geoffrey Blainey leads us through the history of this world changing religion *A Short History of Christianity* vividly describes many of the significant players in the religion s rise and fall through the ages from Jesus himself to Francis of Assisi Martin Luther Francis Xavier John Wesley and even the Beatles who claimed to be more popular than Jesus Blainey takes us into the world of Christian worshipers through the ages from housewives to stonemasons and traces the rise of the critics of Christ and his followers Eminently readable and written with Blainey s characteristic curiosity and storytelling skill this book often places Christianity at the center of world history Will it remain near the center Blainey s narrative illustrates that Christianity s history is a much repeated story of ups and downs *A Short History of Christianity* J. M. Robertson,2023-10-28 In *A Short History of Christianity* by J M Robertson the author provides readers with a comprehensive overview of the development of Christianity from its origins to the present day Written in a clear and concise style Robertson explores the key events figures and movements that have shaped the religion offering valuable insights into its theological and cultural significance This book is a valuable resource for those looking to gain a deeper understanding of Christianity s history and its impact on the world Robertson s objective and unbiased approach to the subject makes this book a trustworthy and informative read for scholars and students alike His attention to detail and depth of knowledge ensure that readers will come away with a nuanced perspective on Christianity and its place in human history I would highly recommend *A Short History of Christianity* to anyone interested in exploring the complexities of

this influential religion *A Short History of Christianity* Martin E. Marty, 1987-01-01 For the non specialist Martin Marty traces the church's quest through twenty centuries for unity sanctity universality and authentic witness He delves into the disparity between the ideals of the church and historical reality in order to provide a brilliant instructive and eminently fair statement of the history of Christianity from its founding to the present day In this second edition revised and expanded Marty has added an entirely new section entitled Postscript and Prescript in which he discusses the recent past and prospects Fresh insights and revisions based on the most recent contemporary developments keep this volume abreast of the times making it an up to date survey of the history of Christianity **A Short History of Christianity** John Mackinnon Robertson, 1902 *A Short History of Christianity* John Mackinnon Robertson (Journalist, Essayist, Freidenker), 1902 *A Short History of Christianity* John Mackinnon Robertson, 1931 **A Short History of Christianity beyond the West** Klaus Koschorke, 2024-11-04 Today the majority of the world's Christian population lives in the Global South Knowledge of their history is therefore indispensable This textbook offers a compact and vivid overview of the history of Christianity in Asia Africa and Latin America since 1450 focussing on diversity and interdependence local actors and global effects Maps illustrations and numerous photos as well as continuous references to easily accessible source texts support the reader's own reading and its use in various forms of academic teaching Special bonus material including 250 photos taken by the author can be accessed here <https://doi.org/10.6084/m9.figshare.27623484.v2> **A Short History of Christianity in the Apostolic Age** George Holley Gilbert, 1914 SHORT HIST OF CHRISTIANITY Salomon 1858-1932 Reinach, 2016-08-27 **A Short History of Christianity, in the Apostolic Age (Classic Reprint)** George Holley Gilbert, 2015-07-10 Excerpt from *A Short History of Christianity in the Apostolic Age* The aim of this book is to furnish Bible students a guide and companion in their investigation of the apostolic age The author cherishing that same ideal of thorough constructive study of the Bible which dominates the former volumes of this series has endeavored to do for the earliest period of church history what Professors Burton and Mathews have done for the life of Christ As in that volume so in this the needs of students in academies and colleges and in the advanced classes of Sunday schools have been constantly regarded This work has been done with a conviction that the simple facts about the gospel in the first Christian generation are as interesting as a great imaginative poem as essential to a liberal education as a knowledge of Greek history in the time of Pericles or of English history in the reign of Henry VIII and more inspiring more illuminating as regards the very spirit of Jesus than the facts of any subsequent period in the long history of the Christian church In order that one may get the best results from the use of this book it is urged that the passages of Scripture referred to in the synopsis at the head of each chapter be read carefully before reading the chapter and then after the chapter has been read be studied again with even more care The book wishes to be a guide to a certain region of early Christian history but to the fulfilment of this end the student must enter that region for himself and must dwell in it with open eyes and open mind Teachers who may use this book will it is earnestly hoped make plain to their

pupils the necessity of securing first hand acquaintance with the New Testament documents on which it is based The book is divided into Parts Chapters and Sections the limits of which are determined by the nature and relations of the events and literature to be studied Teachers are advised to assign lessons according to their judgment of the ability of the pupils to do the work always including with the sections assigned for study the questions that pertain to them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Short History of Christianity (Classic Reprint) M. Robertson,2015-07-04 Excerpt from A Short History of Christianity An attempt to write the history of Christianity in the space of an average novel is so obviously open to objections that instead of trying to parry them I shall merely state what seems to me the possible compensation of brevity in such a matter It is or may be conducive to total comprehension to coherence of judgment and in a measure even to the understanding of details A distinguished expert in historical and philological research has avowed that specialists sometimes get their most illuminating ideas from a haphazard glance into a popular and condensed presentment of their own subject Without hoping so to help the experts I humbly conceive that the present conspectus of Christian history may do an occasional service even to an opponent by bringing out a clear issue Writers of a different way of thinking have done as much for me The primary difficulty is of course the problem of origins In my treatment of this problem going as I do beyond the concessions of the most advanced professional scholars I cannot expect much acquiescence for the present About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

[A Short History of Christianity](#) John Horsch,1903 *A Short History of Christianity* Salomon Reinach,Florence

Simmonds,2017-07-28 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections

that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates

A Short History Of Christianity Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free A Short History Of Christianity PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free A Short History Of Christianity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of A Short History Of Christianity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
