A Thinking Persons Guide To Shin Buddhism:

Heart of the Shin Buddhist Path Takamaro Shigaraki, 2013-03-26 The present text developed out of the notes of lectures that Dr Shigaraki delivered at the Institute of Buddhist Studies in 1999 Those notes were originally published in Japanese as *Shinshu no taii* The Essence of Shin Buddhism in 2000 **The Shin Buddhist Classical Tradition** Alfred

Bloom, 2014-09-12 This second volume of passages gathered from the leading monks and teachers of the Pure Land or Shin school of Buddhist teaching focuses on religious practice Extending from the foundational texts and first interpreters in the 4th century to Rennyo in the 15th century Professor Bloom's selections trace the development of Shin Buddhist teaching from monastic visualization practices to the widely popular path to salvation through faith in and recitation of the name of Amida Buddha Volume 2 features a foreword by Kenneth K Tanaka and an introduction by renowned scholar and editor Alfred Bloom whose selected passages have been arranged topically for easy reference on issues of Pure Land teaching The key interpreters featured are the Seven Great Teachers from India China and Japan Nagarjuna Vasubandhu T'anluan Tao ch'o Shan tao Genshin Honen selected as doctrinal authorities by Shinran 1173-1263 the founder of the Japanese Pure Land sect

Toward a Contemporary Understanding of Pure Land Buddhism Dennis Hirota, 2000-03-31 2000 CHOICE Outstanding Academic Title Toward a Contemporary Understanding of Pure Land Buddhism offers proposals for creatively reinterpreting the Pure Land path Japanese Pure Land thought brought about a major development in Buddhist tradition by evolving a path to enlightenment that is pursued while carrying on life in society It is rooted in the Mahayana ideal of compassion and in the bodhisattva or being of wisdom who vows to ferry all living things to the other shore of awakening In this book three Buddhist scholars utilize hermeneutic thought process theology and the mandala contemplation of Buddhism to address issues of modernity and religious values in the world today In addition the work proceeds to offer a new model of interreligious dialogue Gordon D Kaufman and John B Cobb Jr reflect critically on the Buddhist proposals drawing on their long experience as religious philosophers facing questions concerning the contemporary applicability of Christian thought Contributors include John B Cobb Jr Dennis Hirota Gordon D Kaufman Musashi Tachikawa and John S Yokota **Women**

Practicing Buddhism Peter N. Gregory, Susanne Mrozik, 2008 This book grew out of the conference Women Practicing Buddhism American Experiences held at Smith College in Northampton Massachusetts in 2005 The conference brought together students scholars Buddhist teachers practitioners artists activists and healers to explore the diverse experiences of women practising Buddhism in contemporary America The pieces here centre on issues of practice bringing to bear women's particular experiences of Buddhism as it is spreading to North America and taking root in new contexts They celebrate the ways in which women are changing Buddhism and explore the array of issues that women as Buddhists face today Contributors include those recognizable as Buddhist teachers as well as well known and even famous practitioners **Five**

The Shin Sect of Buddhism in America William Charles Rust,1951 Immigrants to the Pure Land Michihiro Ama,2011-01-31 Religious acculturation is typically seen as a one way process The dominant religious culture imposes certain behavioral patterns ethical standards social values and organizational and legal requirements onto the immigrant religious tradition In this view American society is the active partner in the relationship while the newly introduced tradition is the passive recipient being changed Michihiro Ama s investigation of the early period of Jodo Shinshu in Hawai i and the United States sets a new standard for investigating the processes of religious acculturation and a radically new way of thinking about these processes Most studies of American religious history are conceptually grounded in a European perspectival position regarding the U S as a continuation of trends and historical events that begin in Europe Only recently have scholars begun to shift their perspectival locus to Asia Ama s use of materials spans the Pacific as he draws on never before studied archival works in Japan as well as the U S More important Ama locates immigrant Jodo Shinshu at the interface of two expansionist nations At the end of the nineteenth and beginning of the twentieth centuries both Japan and the U S were extending their realms of influence into the Pacific where they came into contact and eventually conflict with one another Jodo Shinshu in Hawai i and California was altered in relation to a changing Japan just as it was responding to changes in the U S Because Jodo Shinshu s institutional history in the U S and the Pacific occurs at a contested interface Ama defines its acculturation as a dual process of both Japanization and Americanization Immigrants to the Pure Land explores in detail the activities of individual Shin Buddhist ministers responsible for making specific decisions regarding the practice of Jodo Shinshu in local sanghas By focusing so closely Ama reveals the contestation of immigrant communities faced with discrimination and exploitation in their new homes and with changing messages from Japan The strategies employed whether

accommodation to the dominant religious culture or assertion of identity uncover the history of an American church in the making

Zen Ecology Christopher Ives, 2025-03-11 Discover a way of living that can help you slow down and stay grounded and at the same time reduce your ecological impact and engage more fully with the climate crisis It may seem as though living ecologically and engaging in activism sacrifices our own enjoyment and happiness on the altar of doing the right thing In this book professor naturalist and Buddhist author Christopher Ives offers an alternative a way of living that can actually be more fulfilling than the modern consumerist lifestyle Rather than deprivation it can bring us richness In *Zen Ecology* Chris outlines his environmental ethic as a series of concentric circles beginning with ourselves and then moving outward into our communities all the while focusing on spaciousness mindfulness generosity and contentment At the individual level we deal with distraction clutter and ecological harm Here Chris offers ways to help us pay attention simplify our lives and lower our impact Then we explore how to envision our home as a place of the Way with Zen monastic life as a model for this without having to be a monk Next we realize our embeddedness in nature and emplace ourselves in community with others including other forms of life Finally we build on this basis to engage in activism to create a world that is more supportive of ecological health and spiritual fulfillment In this way we avoid the two extremes of apathy and burnout and uncover a way of living that is simple joyful embedded in nature connected to others in community and supportive of collective action

Moral Injury and Beyond Renos K. Papadopoulos, 2020-03-24

Moral Injury and Beyond Understanding Human Anguish and Healing Traumatic Wounds uniquely brings together a prominent collection of international contributors from the fields of psychiatry psychology philosophy theology military chaplaincy and acute crisis care to address the phenomenon of moral injury Introduced in the 1990s to refer to a type of psychological trauma experienced especially by soldiers who felt that their actions transgressed the expected moral norms this innovative volume provides a timely update that progresses and redefines the field of moral injury The ten groundbreaking essays expand our understanding of moral injury beyond its original military context arguing that it can fruitfully be applied to and address predicaments most persons face in their daily lives Approaching moral injury from different perspectives the contributors focus on the experiences of combat veterans and other survivors of violent forms of adversity The chapters address thought provoking questions and topics such as how survivors can regain their hope and faith and how they can in time explore ways that will lead them to grow through their suffering Exploring moral injury with a particular

emphasis on spirituality the early Church Fathers form the framework within which several chapters examine moral injury articulating a new perspective on this important subject The insights advanced are not limited to theoretical innovations but also include practical methods of dealing with the effects of moral injury This pioneering collection will be essential resource for mental health practitioners and trainees working with people suffering from severe trauma Due to its interdisciplinary nature it will be useful not only to those academics and professionals engaged with moral injury but will be a source of inspiration for any perceptive student of the complexities and dilemmas of modern life especially as it interfaces with issues of mental health and spirituality It will also be invaluable to academics and students of Jungian psychology theology philosophy and history interested in war migration and the impact of extreme forms of adversity

playwright Zeami Motokiyo ca 1363 1443 is one of the major figures of world drama His critical treatises have attracted international attention ever since their publication in the early 1900s His corpus of work and ideas continues to offer a wealth of insights on issues ranging from the nature of dramatic illusion and audience interest to tactics for composing successful plays to issues of somaticity and bodily training Shelley Fenno Quinn s impressive interpretive examination of Zeami s treatises addresses all of these areas as it outlines the development of the playwright s ideas on how best to cultivate attunement between performer and audience Quinn begins by tracing Zeami s transformation of the largely mimetic stage art of his father s troupe into a theater of poiesis in which the playwright and actors aim for performances wherein dance and chant are re keyed to the evocative power of literary memory prosodies and associated auras with the flow of dance and chant led to the creation of a dramatic prototype that engaged and depended on the audience as never before Later chapters examine a performance configuration created by Zeami the nikyoku santai as articulated in his mature theories on the training of the performer Drawing on possible reference points from Buddhist and Daoist thought the author argues that Zeami came to treat the nikyoku santai as a set of guidelines for bracketing the subjectivity of the novice actor thereby allowing the actor to reach a certain skill level or threshold from which his freedom as an artist might begin Whitaker's Cumulative Book List ,1982
