*A Voice Through A Cloud* Denton Welch, 2014-09-17 At the age of twenty the novelist Denton Welch suffered a cycling accident that left him partially paralyzed the injuries that he sustained were to leave him in almost constant pain for the rest of his life as well as bestowing upon him the spinal tuberculosis that would kill him at the age of 33 *A Voice Through a Cloud* increasingly regarded as Welch's masterpiece is his account of this accident and the period of convalescence soon after The unsparing chronicle of the world of a hospital patient riddled with anger boredom almost unbearable stabs of pain and sharp flashes of humour *A Voice Through a Cloud* is as John Updike wrote in *The New Yorker* An incomparable account of shattered flash and refracted spirit His third and final novel and written at a point when Welch could write for no more than a few minutes a day *A Voice Through A Cloud* is nonetheless possibly one of the most complete accounts of health and mortality as Edmund White says it is a book of long slow dying through which all the world's strangeness can be perceived **A Voice**

**Through a Cloud** Denton Welch, 2015-04-07 Welch's piercing intimate slightly fictionalized and posthumously published work deals with the bicycle accident that would cause his death thirteen years later At age twenty Denton Welch was bicycling from London where he was studying art to Surrey to pay a visit to his aunt and uncle when he was struck by a car The next thing he knew he was lying on his back unable to move gazing up at the sky scarcely aware of anything but the sensation of grass against the back of his neck and the sound of a voice asking him questions As he swam in and out of consciousness nurses doctors and relatives came and went days passed and he remained bedridden in a hospital ward In his characteristic unsparing prose Welch takes readers through every step of his painful journey toward a partial recovery Full of unflinching self scrutiny *A Voice Through a Cloud* is an unforgettable work of pain and healing **Denton Welch.
