Helen Birnbaum, 2017-06-15 Healthy Body Peaceful Mind Awakened Spirit provides powerful tools for achieving excellent health tranquility of mind and connection to spirit It discusses food allergies alternative therapies mindfulness meditation relationships parenting of adolescents the law of attraction and the power of our thoughts on the quality of our lives Concepts such as the role of energy and electricity in the body are explained in simple language Some of the latest findings in science are described touching on quantum physics and epigenetics There are also chapters on religion and the esoteric thus blending science and spirituality The book quotes numerous reports of contact with the spiritual realm and provides evidence for the continued existence of the soul after the death of the body The world of spirit is gradually being revealed to us through channeled information which is empowering as it is given with a profound understanding of the human condition The bridging of science and spirituality contributes to a deeper understanding of the world we live in and of supernatural phenomena This book presents in part the authors own journey toward discovering the tools available to us for living skillfully Helen shares her insights and hope for a better future for our planet as revealed in teachings from the other side

Sacred Practices for Conscious Living Nancy J. Napier, 2016-06 Now nearly two decades later Napier is ready to share more of her own life story while returning to the subject she was first introduced to by her grandmother As she comes again to the topic that pervades her life story she focuses on several themes including the importance of experiencing a sense of meaning in life the sacred nature of all beings and life itself the belief that everything is an essential part of the full expression of one life both individually and collectively and that we inherently draw from an underlying wholeness the power of what it means to be aware in the present moment and the fact that suffering is part of everyday life and we can learn to move through it Napier explains that once we recognize our place within collective consciousness and focus on compassion and mindfulness we can begin to experience more directly the interdependence and interconnection underlying our place in the universe

Total Reflexology of the Hand Martine Faure-Alderson, 2016-05-17 How to apply the precise treatment techniques of Total Reflexology which combines craniosacral therapy and foot reflexology to the hands Explains the special relationship between the hand and the brain making hand reflexology ideal for treatment of neurological mental and emotional disorders Details how to use the occipital zones of craniosacral therapy to pinpoint which zones and points on the

hands to treat Includes full color detailed maps of the pressure points and zones of the hands One of the most defining physical characteristics of humanity the hands contain reflex zones and pressure points related to the systems and organs of the body just like the feet The reflex zones and points of the hands present the most effective means of treating psychological and neurological disorders due to their sophisticated relationship with the brain Applying her ground breaking combination of reflexology and craniosacral therapy to the hands Dr Martine Faure Alderson explains how to use hand reflexology to treat the brain and each of the body s systems from the digestive system to the human energetic system She provides precise full color mapped hand diagrams illustrating the exact placement of the points according to the bones of the hands the result of more than 40 years of research and clinical practice She explains how to use the occipital zones of craniosacral therapy to pinpoint which zones and points on the hands to treat Examining the psychological level of brain hand interactions the author reveals how neurological dysfunctions and mental disorders respond more readily to hand reflexology than to other forms of therapies She explains how many physical ailments have a psychological component and how reflexology automatically triggers the release of endorphins by working directly on the autonomic nervous system The author explores the role of nutritional supplements including Omega 3s as a support to reflexology therapy and shows how finely tuned reflexology stimulates the body s self healing abilities and cellular regeneration making this an indispensable resource for holistic health practitioners and for home self care *Alternative Medicine Resource Guide* Francine Feuerman,Marsha J.
