

A group of young children, likely of South Asian descent, are shown in a church setting. They are all smiling and clapping their hands, suggesting a joyful service or song. The children are dressed in casual clothing, with some wearing patterned shirts. The background is slightly blurred, focusing attention on the children in the foreground.

Song Service Sunday School:

This Is Our Song Janet Wootton, 2013-01-07 Women have made an amazing creative and prolific contribution to hymnody through the centuries of Christian worship Excluded from liturgical commissions and denied other opportunities for involvement in the worship of the churches women were able to express and influence spirituality in the writing of hymns This influence spreads across the whole range of hymn writing including writing for children which was at one time seen as women s natural place but also the introduction of new voices through translations engagement in social campaigns such as temperance and the abolition of slavery mission and evangelism and the general development of worshipping life However with the exception of the nineteenth century the voices of women have been largely silenced or marginalized The Hymn Explosion of the 1960s onward almost completely ignored women s writing and there has only recently been something of a recovery There is much more to Our Song than people think This book opens up women s writing from the beginnings of Christianity through the Middle Ages the development of printing and the rise of popular hymnody to the present day Living hymn writers add their voices in a series of biographical stories which complete the overarching story of Our Song

Scripture and Song in Worship Francis Wayland Shepardson, 1911 **Little Folks' Song Service** ,1879 *Library of Congress Subject Headings* Library of Congress, Library of Congress. Office for Subject Cataloging Policy, 2012 When We Walk with the Lord James E. Giles, 2009-03-19 This book is an account of the compelling story of missionaries James and Mary Nell Giles who spent thirty four years as missionaries at the International Baptist Theological Seminary in Cali Colombia South America In addition to their teaching responsibilities they invested much time developing new churches in that area and ministering to people in times of disasters such as earthquakes floods and a volcano eruption They and their four children coped with language and cultural barriers and limited communication with family and friends in the United States but they had a sense of Gods call which kept them on the field in spite of difficulties The book reveals the emotional struggles as James and Mary Nell said goodbye to their children when they finished high school and went to the United States for college Even though they were not close geographically they were able to keep in contact through short wave radio These four children finished college are now married and launched in their chosen careers and have given their parents a total of nine grandchildren James and Mary Nell spent a great deal of time in their last years in Colombia ministering to the survivors of a volcano eruption which created a mudslide which destroyed the city of Armero Colombia where 22 000 people perished the night of November 13 1985 They took medicines and clothing to survivors in the hospitals and shelters of 8 000 people who survived the tragedy They helped get many of these people reorganized in adjacent towns of Lrida and Ibagu These pages are filled with emotion as the people coped with the loss of loved ones houses and personal possessions After retirement the couple settled in Dallas Texas where James is still active as part time hospital chaplain in a medical center Mary Nell stays busy organizing pictures and mementos of their years in Colombia and in keeping in touch with family She

Where Sin Abounds Stanley A. Steward,2012-03-20 Las Vegas has long been characterized as Sin City It is a common assumption of many outsiders that Las Vegas is a spiritual wasteland devoid of any significant religious community and bereft of traditional values This is most certainly not the case In fact Las Vegas has a strong healthy and growing religious dimension Within this milieu is a strong and rapidly expanding Pentecostal dimension to the city s profile of faith The Pentecostals in Las Vegas are a microcosm of Pentecostalism both nationally and globally On the whole this expression of Christian faith is certainly among the fastest growing religions in the world Some sociologists and demographics experts identify Evangelicals and Pentecostals as the emerging religious majority in America s future Most mainstream denominations are in decline but Pentecostals continue to grow both in numbers and influence This book will explore and analyze several local Pentecostal congregations and the dynamic relationship between the church and the Strip It will focus on the interplay between one of America s most devout religious subcultures and one its most secular cities **Library of Congress Subject Headings** Library of Congress.
