Introduction to UEFA Champions League Gilad James, PhD, The UEFA Champions League is an annual club football competition organized by the Union of European Football Associations UEFA It

was first introduced in 1955 as the European Cup and later renamed as the UEFA Champions League in 1992. The competition features 79 teams from 54 UEFA member countries. It is considered the most prestigious club competition in the world as the best club teams from Europe compete to win the title. To qualify for the tournament, clubs must earn their place through their domestic league position or by winning a domestic cup competition. The competition consists of a group stage followed by knockout rounds, with the winner of the final being crowned the Champions of Europe. Teams such as Real Madrid, Barcelona, and Bayern Munich are among the most successful clubs in the history of the competition, with each club winning the tournament multiple times. The tournament is watched by millions of football fans around the world and generates significant revenue for UEFA and participating clubs.

Implementing Sport Policy Marc Keech, Iain Lindsey, John Hayton, 2023-07-18. This book critically examines the roles and contributions of different organisations in the implementation of sport policy in the UK and therefore provides an important guide to the complexities of implementing sport policy and of achieving policy goals through and for sport. Presenting analytical chapters by leading sport researchers alongside shorter commentaries by practitioners working in the field, this book outlines the uneven path between policy planning and real world outcomes. Adopting a multi-level analysis, this book examines the interlocking structures and challenges of organisations from grassroots voluntary sport to national governing bodies and professional clubs and considers the most important issues affecting UK sport policy today. This is fascinating reading for any student researcher or practitioner working in sport policy, sport for development, sport management, sport coaching, physical education and related areas of policy such as public health, community development, social policy, public policy and education.

Research Handbook on the Law of Professional Football Clubs Robby Houben, 2023-09-06. This original Research Handbook examines the key legal aspects of a professional football club's actions. Reflecting also on the role of key governing bodies such as UEFA, the Handbook informs and contributes to the ongoing debate surrounding the governance and behaviours of professional football clubs.
